Jones, 2025-06-03 Live in Anticipation of Christ's Coming Kingdom God ordained human government to restrain evil and punish evildoers Tragically our governments have consistently failed to protect their citizens from all forms of lawlessness hunger diseases wars natural disasters and human suffering Will this misery ever end Does God give us any hope for the future The Coming Millennial Kingdom explores God's answer to the failure that is human government the 1 000 year reign of Jesus Christ on earth after His return Nathan explores what Bible prophecy reveals about our glorious future once the King sits upon the Davidic throne helping you catch a glimpse into what life will be like living during this incredible

time defined by peace righteousness justice and joy understand God s intentions to reward His children and fulfill His prophetic promises to Israel and the church embrace hope through the eager expectation of Christ s perfect just and imminent rule over the entire earth Human governments will one day end Discover how Christ s coming victory and your role in it can equip you to navigate today s challenges with sure faith and confidence Genesis Miguel A. De La Torre,2011-10-23 This volume in the Belief series provides a new and interesting theological interpretation of Genesis through the themes of liberation and the concerns of the poor and marginalized De La Torre wrestles with Genesis texts remembering Jacob s wrestling at Peniel Gen 32 24 32 and finds that there are consequences when we truly wrestle with the biblical text struggling to see the face of God This commentary provides theological and ethical insights that enables the book of Genesis to speak powerfully today *Three Perspectives: Jewish, Christian, and Muslim* Steven H. Propp,2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world Jesus Christ in World History Jan A.
