

Metamedicine Power And Medicine The 21st Century Way

Vida C. Baron

Metamedicine Power And Medicine The 21st Century Way:

Metamedicine Vida C. Baron, 1990 In the book METAMEDICINE a medical doctor reveals how powerful forces which are under your control create your life experiences of health wealth success or their lack Fascinated at how some people suffer from illness to illness while others seem to have the ability to use illness as a springboard to successful living a new breed of medical doctors have gone beyond modern medicine to understand the inborn forces responsible for each individual's uniqueness Using many case histories including her own Dr Baron illustrates how the forces of thought emotion belief create govern all human experience Within the new metaphysiology it becomes possible to see the vital information about one's life which each illness contains This information is key to healing of the illness More importantly it provides a foundation for greater self knowledge necessary for a fuller life of health joy prosperity Far from being a dry medical text this engaging book shows you What you are as a person how you can design yourself to be who you desire to be How to use illness disease to become more powerful This book is a must for all who desire the power know how of controlling every aspect of their health as well as creating satisfying life experience To order contact Barez Publishing 8690 Aero Drive Suite M 332 San Diego CA 92123 1 800 247 5900 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1990 *Yoga Journal*, 1990-09 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty *Yoga Journal*, 1990-11 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **Natural Forms of Defense Against Biological, Chemical and Nuclear Threats** John Brighton, 2007-02-26 The events that took place on September 11th caused Dr John Brighton a naturopathic health consultant to ask himself questions about what role natural forms of healing might have in a scenario involving weapons of mass destruction WMD As he examined the issues and the nature of the threat he felt assured that a naturalistic approach could make a significant contribution in conjunction with that offered by conventional medicine Moreover he felt that to use both would provide a more powerful deterrent than if either were used alone The naturalistic approach would augment the use of drugs by adding 5 extra lines of defense aimed at supporting and strengthening the immune system to deal with such a dire event These lines include A psychological dimension A social dimension A preventative dimension An environmental dimension A specific dimension The whole idea of this holistic strategy is to employ prevention and immune enhancing factors in order to reduce the level of crisis to begin with As a result the dependency on antibiotics there are no effective

antivirals and other valuable medical resources can be considerably reduced and most importantly preserved for when they would be needed most Another benefit of integrating these two systems would add what Dr Brighton calls synergistic complexity as a way to reduce the current crisis of germ resistance to many most potent antibiotics and to provide a holistic approach to all forms of WMD The book clarifies the scope of the threat we face by examining The variety of biological chemical and nuclear threats The factors involved in the creation of WMD The uncanny capacity of microbes to develop resistance to our medications The threat of bioengineering and the creation of superbugs How synergistic complexity could provide a possible solution A chapter is dedicated to focusing on the specific nature and challenges posed by each biological chemical and nuclear agent This includes A description of the agent How it causes harm How it might be used as a weapon and the possibility of it being used How it is detected diagnostically and in the field The conventional method of care and treatment The suggested natural forms of defense including herbs vitamins minerals and other natural substances and healing therapies The book ends with a forward looking chapter on emerging technologies that have promise of increasing our level of defense against WMD A bibliography and a full section on resources are available *Yoga Journal* ,1990-05 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 *New Age Journal* ,1991 **Publishers' Trade List Annual, 1991** Bowker Editorial Staff,1991-09 **American Bookseller** ,1989
