Zimmerman, 2013-12-05 Much of the most interesting work in philosophy today is metaphysical in character Oxford Studies in Metaphysics is a forum for the best new work in this flourishing field OSM offers a broad view of the subject featuring not

only the traditionally central topics such as existence identity modality time and causation but also the rich clusters of metaphysical questions in neighbouring fields such as philosophy of mind and philosophy of science Besides independent essays volumes will often contain a critical essay on a recent book or a symposium that allows participants to respond to one another s criticisms and questions Anyone who wants to know what s happening in metaphysics can start here *Historical Dictionary of Schopenhauer's Philosophy* David E. Cartwright, 2016-05-20 Arthur Schopenhauer made the momentous decision to become a philosopher when he was approximately 22 years old Prior to that decision he had been studying medicine at the university in G ttingen By that age however he had concluded that life was a troublesome affair So he resolved to spend his life reflecting upon it Schopenhauer was doggedly determined to persevere in what he considered his mission in life to reflect on the ever disquieting puzzle of existence to ascertain the meaning of living in a world steeped in suffering and death He was confident that eventually his work would be recognized a confidence that enabled him to weather laboring in relative philosophical obscurity for some forty years What initiated the dawn of Schopenhauer s fame was a review of his philosophy that appeared in a British journal in 1853 and ever since that time Schopenhauer drew a readership one broader than most Western philosophers He is read not simply and solely by professional philosophers but also by the wider learned world Indeed some have claimed that he is the most widely read Western philosopher This second edition of *Historical Dictionary of Schopenhauer s Philosophy* contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 300 cross referenced entries on all of Schopenhauer s books significant philosophical ideas and concepts as well as entries covering significant figures in his life and those influenced by this thinking This book is an excellent access point for students researchers and anyone wanting to know more about Arthur Schopenhauer
