THE METAPHYSICS OF THE INCARNATION

Thomas Aquinas to Duns Scotus

RICHARD CROSS

Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus

James M. Arcadi

Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus:

The Metaphysics of the Incarnation Richard Cross,2002-02-14 The period from Thomas Aquinas to Duns Scotus is one of the richest in the history of Christian theology The Metaphysics of the Incarnation aims to provide a thorough examination of the doctrine in this era making explicit its philosophical and theological foundations Medieval theologians believed that there were good reasons for supposing that Christ's human nature was an individual In the light of this Part 1 discusses how the various thinkers held that an individual nature could be united to a divine person Part 2 shows how one divine person could be incarnate without any other Part 3 deals with questions of Christological predication and Part 4 shows how an individual nature is to be distinguished from a person The work begins with a full account of the metaphysics presupposed in the medieval accounts and concludes with observations relating medieval accounts to modern Christology *The Metaphysics of the Incarnation* Richard Cross,2026-03-31 This book provides a complete account of the metaphysical aspects of Christology in Western theology during the years from 1250 to 1310 This period is the most significant for the theology of the middle ages beginning with Bonaventure and Thomas Aquinas and ending with Duns Scotus The book opens with an extensive treatment of the different theories of the union between Christ's human nature and the second person of the Trinity primarily that of Bonaventure according to which the union is a kind of dependence relationship and that of Aquinas according to which the union consists in a sharing of the divine being with a human nature The work proceeds to outline various theories that attempt to explain why it is that a human nature assumed to union with a divine person should not itself count as a person It makes it clear that these theories about subsistence correspond to different accounts of the union A final part deals with three issues what the feature is of a divine person that makes it possible for this person to be united to a human nature be it the person's divine nature or the personal property that distinguishes the divine person from other such persons and the question of Christological predication as a prelude to thirdly a treatment of Christ's human activity

Thomas Aquinas's Summa Contra Gentiles Brian Davies,2016-05-27 The Summa Contra Gentiles one of Aquinas's best known works after the Summa Theologiae is a philosophical and theological synthesis that examines what can be known of God both by reason and by divine revelation A detailed expository account of and commentary on this famous work Davies's book aims to help readers think about the value of the Summa Contra Gentiles SCG for themselves relating the contents and teachings found in the SCG to those of other works and other thinkers both theological and philosophical Following a scholarly account of Aquinas's life and his likely intentions in writing the SCG the volume works systematically through all four books of the text [The New Cambridge Companion to Aquinas](#) Eleonore Stump,Thomas Joseph White,2022-08-11 A detailed historically informed examination of the major areas of Aquinas's thought for both scholars and students [The Christ's Faith](#) Michael Allen,2011-11-03 The Christ's Faith coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of

the Pauline phrase *pistis christou* this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ's faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ's Faith is sketched by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God

An Incarnational Model of the Eucharist James M. Arcadi, 2018-05-31 The Eucharist is at the heart of Christian worship and at the heart of the Eucharist are the curious phrases This is my body and This is my blood James M Arcadi offers a constructive proposal for understanding Christ's presence in the Eucharist that draws on contemporary conceptual resources and is faithful to the history of interpretation He locates his proposal along a spectrum of Eucharistic theories Arcadi explores the motif of God's presence related to divine omnipresence and special presence in holy places which undergirds a biblical theological proposal concerning Christ's presence Utilizing recent work in speech act theory Arcadi probes the acts of consecration and renaming in their biblical and liturgical contexts A thorough examination of recent work in Christology leads to an action model of the Incarnation that borrows the notion of enabling externalism from philosophy of mind These threads undergird a model of Christ's presence in the Eucharist

Identity and Coherence in Christology Paul S. Scott, 2023-09-29 This book explores a number of closely related logical and metaphysical questions relating to the identity of Jesus Christ In particular it considers What does Jesus Christ name and How may Jesus Christ be the subject of both divine and human attributes given their apparent incompatibility The author draws on analytic and scholastic influences and integrates them into a rehabilitation of the neglected habitus theory of the hypostatic union The theory maintains a real identity between Christ and the Word and emphasises the instrumental or possessory dimension of Christ's relationship to his human nature This approach allows for an account of the hypostatic union that is true to the indispensable articles of classical Christology and which satisfies the demands of logical coherence Yet at no point is the mystery of the Incarnational event reduced to the strictures of creaturely comprehension The book will be of particular interest to scholars of Christology analytic theology and the philosophy of religion

Thomas Aquinas's Summa Theologiae Brian Davies, 2014 Following a scholarly account of Thomas Aquinas's life Davies explores his purposes in writing the *Summa Theologiae* and works systematically through each of its three Parts He also relates their contents and Aquinas's teachings to those of other works and other thinkers both theological and philosophical The concluding chapter considers the impact Aquinas's best known work has exerted since its first appearance and why it is still studied today Intended for students and general readers

interested in medieval philosophy and theology Davies's study is a solid and reflective introduction both to the *Summa Theologiae* and to Aquinas in general **T. F. Torrance's Christological Anthropology** Christopher G.

Woznicki, 2022-06-01 This book demonstrates the promise of Christology for developing Scottish theologian T. F. Torrance's theological anthropology T. F. Torrance's *Christological Anthropology: Discerning Humanity in Christ* engages with several key themes in Torrance's theological anthropology and considers how each one of these topics anthropological method the metaphysics of human nature the *imago Dei* personhood vocation human destiny can be further developed in light of Christ Christopher Woznicki argues that Christology not only holds promise for the task of developing Torrance's insights on humanity but also for developing a constructive account of humanity The volume is valuable reading for scholars of T. F. Torrance's theology and for those who are interested in the role of Christology in theological anthropology *Francis Cheynell* Sergiej Saverio Slavinski, 2024-07-15 Sergiej S. Slavinski presents the first major study of Francis Cheynell's 1650 treatise on the doctrine of the Trinity Situating Cheynell in his historical context Slavinski examines Cheynell's role in the Trinitarian controversies of the Civil War and Interregnum England The book demonstrates the interplay between polemic and piety in a work of Reformed scholasticism showcasing how Cheynell's eclectic theological method in reading Scripture reinforced his conviction of the Trinitarian persons as one true God Slavinski argues that Cheynell's polemical practical Trinitarianism has the idea of Trinitarian oneness as infinite simplicity at its core

Recognizing the mannerism ways to acquire this ebook **Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus** is additionally useful. You have remained in right site to start getting this info. get the Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus connect that we come up with the money for here and check out the link.

Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus Books

1. Where can I buy Metaphysics Of The Incarnation Thomas Aquinas To Duns Scotus books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
