Iris Murdoch

Metaphysics As A Guide To Morals Philosophical Reflections:

Metaphysics as a Guide to Morals Iris Murdoch, 1994 The decline of religion and ever increasing influence of science pose acute ethical issues for us all Can we reject the literal truth of the Gospels yet still retain a Christian morality Can we defend any moral values against the constant encroachments of technology Indeed are we in danger of losing most of the qualities which make us truly human Here drawing on a novelist's insight into art literature and abnormal psychology Iris Murdoch conducts an ongoing debate with major writers thinkers and theologians from Augustine to Wittgenstein

Shakespeare to Sartre Plato to Derrida to provide fresh and compelling answers to these crucial questions Metaphysics

as a Guide to Morals Iris Murdoch, 1994-03-01 The decline of religion and ever increasing influence of science pose acute ethical issues for us all Can we reject the literal truth of the Gospels yet still retain a Christian morality Can we defend any moral values against the constant encroachments of technology Indeed are we in danger of losing most of the qualities which make us truly human Here drawing on a novelist's insight into art literature and abnormal psychology Iris Murdoch conducts an ongoing debate with major writers thinkers and theologians from Augustine to Wittgenstein Shakespeare to Sartre Plato to Derrida to provide fresh and compelling answers to these crucial questions **Reading Iris Murdoch's Metaphysics as**

a Guide to Morals Nora Hämäläinen, Gillian Dooley, 2019-06-01 Metaphysics as a Guide to Morals was Iris Murdoch's major philosophical testament and a highly original and ambitious attempt to talk about our time Yet in the scholarship on her philosophical work thus far it has often been left in the shade of her earlier work This volume brings together 16 scholars who offer accessible readings of chapters and themes in the book connecting them to Murdoch's larger oeuvre as well as to central themes in 20th century and contemporary thought The essays bring forth the strength originality and continuing relevance of Murdoch's late thought addressing among other matters her thinking about the Good the role and nature of metaphysics in the contemporary world the roles of art in human understanding questions of unity and plurality in thinking the possibilities of spiritual life without God and questions of style and sensibility in intellectual work *Routledge Revivals:*

Anthony Elliott: Early Works in Social Theory Anthony Elliott, 2021-02-25 The volumes in this set originally published between 1999 and 2003 draw together early works in social theory by leading sociologist Anthony Elliott The collection covers some of his major works in the field of social theory with a particular focus on psychoanalysis and social theorists within the area of sociology The works in this set make accessible previously unavailable works from the early stages of Anthony Elliott's ongoing and prolific career to date *The Moral Philosophy of Iris Murdoch* Mark Hopwood, 2025-04-30

The moral philosopher and novelist Iris Murdoch said that philosophy is both the guide and mirror of the age In this wide ranging book Mark Hopwood explores the significance of Murdoch's philosophy in the present day paying particular attention to her account of the role of metaphor and imagery in moral reasoning Hopwood argues that one of the main reasons Murdoch's work has often been neglected by mainstream moral philosophers is that she offered a radically different

conception of what it means to do moral philosophy Rather than seeking to establish a single systematic moral framework in the manner of utilitarian or Kantian theories she argued that moral philosophers ought to be concerned with describing the varied range of moral concepts that we actually use in everyday life and elaborating new concepts and modes of understanding to meet our most pressing social needs Examining the role of vision imagination love goodness and transcendence in Murdoch s work The Moral Philosophy of Iris Murdoch presents a compelling and original argument that she is one of the major moral philosophers of the twentieth century *Archons and Acolytes* Clarence Cyril Walton,1998 A commentary on contemporary culture focusing on the tension between the viewpoints of G K Chesterton and Jean Baudrillard Walton retired president Catholic University of America builds his arguments in the margins of Harvard Professor Richard Pipes claim that the US has recently acquired a vociferous intelligentsia Walton critiques this intelligentsia in all its forms particularly deconstructionists postmoderns and gender feminists Also covers the impact of this elite on law business and religion Annotation copyrighted by Book News Inc Portland OR

Psychoanalysis at its Limits Anthony Elliott,Charles Spezzano,2019-04-09 Has psychoanalysis become postmodern How are the various schools of psychoanalysis being altered by postmodernism What role does psychoanalysis have to play in the cultural debate in postmodern times Originally published in 2000 Psychoanalysis at its Limits offers a stimulating account of the complex and contradictory nature of psychoanalysis in the postmodern age It presents a history and critique of the concept of postmodernism throughout contemporary psychoanalytic thought As such it is a critical survey of the complex relations between desire selfhood and culture

Social Theory Since Freud Anthony Elliott,2004-06-01 In this compelling book Anthony Elliott traces the rise of psychoanalysis from the Frankfurt School to postmodernism Examining how pathbreaking theorists such as Adorno Marcuse Lacan and Lyotard have deployed psychoanalysis to politicise issues such as desire sexuality repression and identity Elliott assesses the gains and losses arising from this appropriation of psychoanalysis in social theory and cultural studies Moving from the impact of the Culture Wars and recent Freud bashing to contemporary debates in social theory feminism and postmodernism Elliott argues for a new alliance between sociological and psychoanalytic perspectives

The Good Father Mark O'Connell,2015-03-31 Fathering is one of the most basic and profound human activities Yet in addition to its many joys fatherhood is often freighted with longing sadness anger and misunderstanding Most of us men and women alike are acutely aware of how difficult it is to father well year after year until and even after children are grown At the same time the essential relationships between men and women and their children are under stress these days as never before subject to the pressures of work money divorce remarriage and adoption As a result many fathers struggle with deep uncertainties about their parenting abilities Meanwhile society s definitions of masculinity appear ever more fluid negotiable and unreachable in today s media saturated culture which endlessly exposes men and women to a stream of images celebrating violence war hypermasculinity athletic ability corporate competition alternative life styles metrosexuality and triumphant materialism Who

men might rightfully ask are we expected to be Do various pop cultural definitions of masculinity really reflect what it is to be a man What in men s true natures helps them be good fathers Can aggression be useful What masculine traits do fathers need to guard and guard against How do men love their children and how is being a father very different from and no less essential than being a mother And how can women understand how men experience fatherhood This is the rich social reality that Dr Mark O Connell a psychotherapist and father of three addresses in his provocative brilliant and wise book Drawing on both his professional case histories and personal experience O Connell describes the internal conflicts that many men feel about the difficulties of being a father but which they are often unable to discuss easily Such issues include questions about authority discipline intimacy physical contact and sexuality In ways that are distinctly masculine O Connell says fathers communicate standards insist on respect for others instigate necessary confrontations and even engage in the kind of rough and tumble play that enlivens the developing neural structures in a child s brain O Connell contends that fathers play a crucial role in conveying the rules expectations and inevitabilities of life and he describes how men can help their families by understanding and embracing their own masculinity Men are different from women and must be allowed to parent differently as well The Good Father however is not just a very readable book for fathers struggling to find their best selves in relation to their spouses and children Women will want to read The Good Father as well All men and women have complex and important relationships with their fathers whether or not those men were good fathers Dr O Connell reveals how men and women alike bring these relationships to their parenting and how we so often need to untangle these generational knots Filled with reassuring common sense The Good Father opens a path toward happier more satisfying relationships for the entire family while helping men become the good fathers they deeply want to be

Iris Murdoch and the Literary Imagination Miles Leeson, Frances White, 2023-07-25 This volume is the third volume in Palgrave Macmillan s new Iris Murdoch Today scholarly series Iris Murdoch and the Literary Imagination is the first major collection of literary essays since her centenary in 2019 It brings together leading Murdoch scholars from across the world who expand the boundaries of recent criticism offering work not only on the novels but on her unpublished poetry and archival materials This collection discusses her interest in and use of Japanese literature her relationship with and reader response to her in Australia Murdoch in the post metoo era her lifelong interest in the supernatural same sex relationships and friendships as well as the use and abuse of biographical material The collection widens the field of Murdoch studies and marks a new waypoint in the development of her critical reception
