Method Of Prayer

Matthew Henry

Method Of Prayer:

A Method for Prayer Matthew Henry, 1818 **A Method for Prayer** Matthew Henry, 2018-11-16 Matthew Henry's classic describing how Christians can rightly conduct prayers for public occasions has for centuries been a valuable source for believers. Writing in the 1710s, the author reflected on his lifetime as a man of God who had conducted many official ceremonies and events in his church. The concerns of his congregation, many of whom experienced the heights of joy and depths of despair that life offers, led Matthew Henry to devise a methodology for praying to the Lord, rich in example. This method is intended to both respect and properly consult the divine and also give comfort to believers who are in a state of distress or anxiety. Requests to God to fulfil a desire to forgive a sin, as well as communications of life. Simple prayers of praise wherein the Lord is given thanks for good fortune or daily small blessings are also detailed. Most of Henry's recommendations reference Biblical scripture as a source, with the Holy Bible as his backing. The advice and methods of the author are beyond question. The language he uses is reminiscent of the King James Version of the text, which was the dominant Bible in the 17th and 18th centuries. Despite the passage of centuries, the authority and authenticity of Henry's prayer method is undiminished.

A Method for Prayer Matthew Henry, 1772 **A Short and Easy Method of Prayer** Madame Jeanne Guyon, 2005-08 This little treatise, conceived in great simplicity, was not originally intended for publication; it was written for a few individuals who wanted to love God with their whole heart, some of whom, because of the profit they received in reading the manuscript, wished to obtain copies of it, and on this account alone it was committed to the press. It still remains in its original simplicity without any censure on the various leadings of others. Jeanne Guyon was a masterful teacher of simple truths in prayer and a celebrated French mystic of the seventeenth century. Piously trained by her parents, she was profoundly impressed by the works of St. Francis de Sales. *A Short and Easy Method of Prayer* is NOT *Experiencing the Depths of Jesus Christ* Volume 2 that has been adapted for modern publications. This reprint is from the oldest copy RDMc Publishing could locate. It has been reproduced without any textual watermarks or intentional word changes. *A Method for Prayer* Matthew Henry, 1994 **A Short And Easy Method of Prayer** Jeanne Marie Bouvier de la Motte Guyon, 2021-04-11 In *A Short And Easy Method of Prayer*, Jeanne Marie Bouvier de la Motte Guyon presents a profound yet accessible approach to conversing with the Divine. Writing in the late 17th century, Guyon's literary style is marked by its simplicity and clarity, reflecting her deep spirituality and personal experiences of contemplation and prayer. This work epitomizes the Quietist movement's emphasis on inner silence and union with God, inviting readers to embark on a transformative spiritual journey. Through concise instructions and personal anecdotes, Guyon demystifies prayer, making it approachable for both novices and seasoned practitioners alike. Jeanne Marie Bouvier de la Motte Guyon was a prominent French mystic, poet, and theologian whose life was shaped by her

intense spiritual quests and the turbulence of her times including imprisonment for her beliefs Educated in a religious milieu she developed a unique understanding of prayer as a private conversation with God often drawing from her experiences of suffering and devotion Her works were both influenced by and pivotal in the Quietist movement challenging conventional practices and advocating a more personal experiential faith This book is highly recommended for anyone seeking deeper spiritual insight or wishing to enrich their prayer life Guyon s insights resonate beyond her era providing timeless guidance for modern readers who desire a more intimate connection with their spirituality Whether you are exploring the depths of prayer for the first time or revisiting its foundational aspects this text proves invaluable in cultivating a heartfelt dialogue with the Divine In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read **A method for prayer, with scripture expressions, proper to be used under each head ...
