Methods Doing Social Research:

Doing Social Research Leonard Cargan, 2007 Doing Social Research is an easy to understand guidebook for readers who have little or no knowledge of the social research process Written in a clear straightforward style this book presents the various topics of social research in the outline form of all sociological research articles providing a concise overview of the most important elements of social research As an added bonus synopses of classical studies introduce readers to the early pioneers of social research **Methods** Winston Jackson, 1999 Doing Social Research Shoma Choudhury Lahiri, 2020 In

an ex colonial nation such as India The discipline of sociology grew by absorbing multiple influences from local milieu and National concerns Changes in disciplinary trends worldwide also influenced the ways in which sociological knowledge was produced However research methodology is still not considered a distinct field in Indian academia because of which emerging issues and concerns around the methodology of sociological research or changing trends do not receive adequate attention Doing social research tries to fill this gap by providing scholars with an introduction to a range of qualitative methods oral history content analysis ethnography life history method narrative analysis used to conduct research in New and emerging fields Given the profound changes in the nature of sociology and sociological practice the chapters present sociological research as a messy multi layered exercise historically situated and dependent upon varied ideas practices and perspectives The contributors make use of the historical method to understand questions of caste in the Dalit struggle the village studies tradition and how its very meaning has changed over time Balancing the discussion on theories are tangible examples of engagement with these methods The life history method helps to provide an account of a working class woman oral history brings to light the experiences of women following the Bhopal gas tragedy a shift from interviews to narratives enables a patient centred approach in medical accounts among many others Combining theory and practical knowledge doing social research will be invaluable for students and scholars of sociology and social anthropology **How To Do**

Social Research With Rebecca Coleman, Kat Jungnickel, Nirmal Puwar, 2024-01-16 A guide to the doing of critical and creative research with a range of unusual means to apprise places and build ethical relationships This catalogue of methods draws on the wealth of cutting edge critical and creative social research from the Goldsmiths Sociology Department to offer an engaged guide to doing research with a range of unexpected relations The collection focuses on multiple assemblages of objects media materials practices relations devices and atmospheres spanning methods and topics involving food to activism knitting to ghosts theater to documents collaging to corridors Through hands on discussions of the practicalities ethics and politics of doing social research the catalogue showcases a wide range of examples of what methods might mean and do It builds a case for an understanding of contemporary social research as interdisciplinary responsive dynamic vital and urgent in studying and shaping social worlds Goldsmiths Sociology Department is internationally recognized as being at the forefront of some of the most daring original and unconventional methodological innovation Their unbounded approach to

social research offers textured yet clear paths through the problems and issues before us as contributors present the methodological puzzles they have become knotted with The short and imaginative case studies offer new ways of teaching learning and doing lively and rigorous research This is research as close up observations infrastructural interventions and imaginative play How to Do Social Research With will be essential for anyone interested in expanding their repertoire of social research methods

Doing Social Research Leonard Cargan,2007-01-19 Doing Social Research is an easy to understand guidebook for readers who have little or no knowledge of the social research process Written in a clear straightforward style this book presents the various topics of social research in the outline form of all sociological research articles starting with an introduction to the problem being researched why the problem was chosen and the theoretical premises of the chosen topic then progressing to the methods utilized to collect the data the analysis of the data and the presentation of the material By following the research outline the book provides a concise overview of the most important elements of social research and as an added bonus synopses of classical studies introduce readers to the early pioneers of social research

Doing Real Research Eric Jensen,Charles Laurie,2016-03-17 Challenging the formality and idealized settings of conventional methods teaching and opting instead for a real world approach to social research this book offers frank practical advice designed to empower students and researchers alike Theoretically robust and with an exhaustive coverage of key methodologies and methods the title establishes the cornerstones of social research Examples reflect research conducted inside and outside formal university settings and range from the extremes of war torn countries to the complexities of school classrooms Supported by a wealth of learning features and tools the textbook and website include Video top tips Podcasts Full text journal articles Interviews with researchers conducting field research Links to external websites and blogs Student exercises Real world case studies

Using Biographical Methods in Social Research Barbara Merrill,Linden West,2009-05-18 Using Biographical Methods in Social Research provides an informative comprehensive accessible and practical guide to the nature and use of biographical methods combining a consideration of theoretical issues with practical guidance as well as reflections on the personal experience of doing research Barbara Merrill and Linden West consider important questions about who and what research is for and what makes it valid alongside the practical business of interviewing transcribing analyzing and writing up of biographical data The authors draw on their sociological and psychological orientations to provide a truly interdisciplinary approach to the subject and provide numerous examples of biographical research across the social sciences This book will equip students with all the skills necessary to undertake biographical research as well as to fully understand what they are doing and the assumptions they make about the nature of truth knowledge story telling and being human It will be useful for students and researchers using biographical methods in a range of disciplines including sociology social policy social psychology health care and education

Social Research

Methods Kristin Kenneavy,Catherine E. Harnois,Maxine P. Atkinson,Kathleen Odell Korgen,2022-03-22 Featuring a unique

pedagogical framework Social Research Methods Sociology in Action provides all the elements required to create an active learning experience for this course Modeled after the other volumes in SAGE's Sociology in Action series this innovative new text combines hands on work application and learning by example It features a diverse group of expert contributing authors who also practice active learning in their own classrooms Each chapter discusses one aspect of conducting quantitative or qualitative research and pairs that foundational coverage with carefully developed learning activities and thought provoking questions that prompt students to practice and apply their new research skills The comprehensive Activity Guide that accompanies the text will help you carry out and assess the activities that best engage your students fit the mode of instruction you choose and meet your course goals In the spirit of the Sociology in Action theme the text concludes with two unique chapters on how social researchers interact with their surrounding communities and help bring about social change and social justice This title is accompanied by a complete teaching and learning package

Bryman's Social Research Methods Tom Clark,Liam Foster,Alan Bryman,Luke Sloan,2021 Clear comprehensive and trusted Bryman's Social Research Methods has guided over a quarter of a million students through their research methods course and student research project The thoroughly updated sixth edition offers unrivalled coverage of quantitative qualitative and mixed methods with renewed focus and a fresh modern feel
