William Boyd Carpenter

My Life As A Seer The Lost Memories:

My Life as a Seer Edgar Cayce, 1999-10-21 The personal memoirs of the renowned psychic describe his discovery of his extraordinary powers as a young boy his personal life and career as a spiritualist and his teachings on thousands of topics

The Remnant: the Legend of the Seer M.J. Chrisman, 2011-11-14 Rain drenched his clothing as a mob of people circled around him blocking him in their barrier of tightly formed bodies The faces of the great host blurred before him he couldn't make out a single expression He gazed at his chest and saw blood trickling down and falling into pools of water beneath his feet At the same time he held a sword firmly in his grasp He inched his gaze upward and realized that he had seen this all before A soft glow suddenly began to emanate from his body Starting small it grew more and more brightly until he was totally consumed with light power surging through his being William Ore then let out a terrible war cry that tore into the hillsides as he charged into the multitude

Lost Magik C. L. Vincent, 2009-02 C L Vincent lives in the forests of northern Minnesota Although self-described as a recluse constantly surrounded by his family Vincent has traveled extensively throughout the Middle East Africa Europe and New Zealand His wealth of knowledge and experience in both ancient and contemporary cultures creates in the *Lost Magik* trilogy a fantasy world before recorded history With the creative imagination of cinema and a literary style unique in the world of fantasy authors Vincent establishes in his trilogy an insightful contribution to the origin of human behavior which develops from the intersecting shadows of light and dark good and evil In his first venture into the publishing world with *Lost Magik* Vincent purposely steps out of the defined and popularly followed boundaries of the fantasy genre Like the forests in which he lives Vincent takes the reader through an adventure that is at first dense and slow going Clearings appear suddenly but the ensuing tangle of underbrush can trip up a reader who is unexpectedly looking for a cookie cutter style typical of fantasy series When asked for an extensive interview on the release of *Lost Magik* Vincent declined but offered this explanation When a work of art speaks to me in that moment the last thing I want is for the artist to stand next to me and tell me who he is and why he painted what he did When pushed to offer a few more details about himself Vincent reluctantly complied I both fish a lot and fix motorcycles My greatest success in life is to earn my living without a career My family and friends are not at all surprised by the *Lost Magik* trilogy but they are surprised to find in all of my characters so little of them and so much of me It is not easy to live in the real world where I want everything to be all about me Ah but in a fantasy world it is my stage where I get to play every role When asked why he did not publish a nonfictional account of the physical and cultural anthropology for any one of many ancient civilizations he laughed and gave a wizardly wink as he answered Maybe I did The other books that continue the story *Invisible Thread* *Where the Mountains Meet the Sea*
