My Name is Michael Caine Anne Billson,1991      *My Name is Michael Caine* Anne Billson,1991 In the 1960s after films like *The Ipcress File* and *Funeral in Berlin* Michael Caine could be easily identified This book looks at his acting career in films such as *Zulu* which made him a star where he played the part of an aristocratic officer Since then with a few exceptions when he has played the part of a foreigner in films like *The Last Valley* and *The Eagle Has Landed* his deadpan cockney tones have been his trademark in films such as *Get Carter* *Alfie* *Educating Rita* and *Hannah and Her Sisters*      *And The Music Lives On* Manek Premchand,2024-10-30 *And The Music Lives On* is an authoritative compilation of articles focusing on the Hindi film music of the Golden Era It emphatically highlights the exceptional composers singers and lyricists of that time It provides in depth explanations of musical concepts such as Scherzando and Doo wop supported by numerous examples Additionally it includes a diverse range of topics from songs sung on bullock carts to a comprehensive chapter on qawwalis Moreover it vividly portrays the dedication of actor Balraj Sahni who would shoot during the day and spend his nights in prison This book is an invaluable treasure trove of information      **Coming to America** Ian Broadbridge,2023-10-02 This is a true story about a young Englishman s quest to live and work in America after he tragically lost both of his parents to natural causes within two days of each other whilst on holiday on the Mediterranean island of Malta in October 1981 He came to America to New York City on the thirtieth of June 1985 with just two hundred dollars in his pocket He had no relatives or friends shoulders to lean on when things became rough he just had his drive and entrepreneurship to keep him going It was rough for him during the first seven years living in squalor in Kansas City Missouri not having electric in apartments and not having a car in Columbia South Carolina getting involved in a life threatening car accident in Perry Florida having bicycles stolen in Valdosta Georgia and working illegally for those seven years with fake Social Security numbers He eventually ended up living and working in Columbia where he met and fell in love with his wife to be whilst working at a restaurant as a waiter He proposed to his wife to be just before Christmas 1991 In July 1992 the young man travelled back to England to see his siblings nephews and nieces and also to get his B1 B2 visa renewed When he attempted to come back to America the INS the Immigration and Naturalisation Service cornered him after suspecting that he was coming to America to work illegally After they searched his pockets their suspicions were correct They had no other choice than to deport him and send him back to the UK He was allowed one telephone call just like citizens that have been arrested are allowed That call was made to his fiancée Sobbing he said for her to forget about him He was then escorted back to the aeroplane on which he flew back to England thinking that he would never see his fiancée again That s not the end of the story just like in the fairy tales where the knight in shining armour rescues the damsel in distress it was the other way around in this story the damsel rescued the knight by obtaining a passport travelling by herself to England and sweeping the knight off his feet by marrying him It was relatively plain sailing after that for the young man to be able to come back to America to live and work legally and to be with
