Newsday *Images* Ingmar Bergman,2011-08-10 Ingmar Bergman's career spanned forty years as he produced more than fifty films many of which are considered classics When he began this book Bergman had not seen most of his movies since he made them Resorting to scripts and working notebooks and especially to memory he comments brilliantly and always cogently on his failures as well as his successes on the themes that bind his work together on the relationship between his life and art More clearly than ever before *Images* allows us to listen to as Woody Allen put it Bergman's voice of genius

In Search of La Grande Illusion Nicholas Macdonald,2013-11-08 This is an extended analysis of the film from different perspectives The first half is largely a discussion of the cinematic technique with key sequences analyzed shot by shot The second half approaches the film from many other angles including its history the critical reception Renoir's life and career and film theory e.g. film in relation to music A case is made that Renoir's career was inconsistent especially after *La Règle du jeu* but also during the 1930s And rather than emphasizing the humanist anti-war thrust of *La Grande Illusion* the film is approached as a work of art that is deeply expressive cinematically **The Film That Changed My Life** Robert K.

Elder,2011-01-01 The movie that inspired filmmakers to direct is like the atomic bomb that went off before their eyes *The Film That Changed My Life* captures that epiphany It explores 30 directors' love of a film they saw at a particularly formative moment how it influenced their own works and how it made them think differently *Rebel Without a Cause* inspired John Woo to comb his hair and talk like James Dean For Richard Linklater something was simmering in me but *Raging Bull* brought it to a boil *Apocalypse Now* inspired Danny Boyle to make larger than life films A single line from *The Wizard of Oz* Who could ever have thought a good little girl like you could destroy all my beautiful wickedness had a direct impact on John Waters

That line inspired my life Waters says I sometimes say it to myself before I go to sleep like a prayer In this volume directors as diverse as John Woo Peter Bogdanovich Michel Gondry and Kevin Smith examine classic movies that inspired them to tell stories Here are 30 inspired and inspiring discussions of classic films that shaped the careers of today s directors and in turn cinema history She turned my Life into a Film Khadija Habib,2022-04-20 Book written by Khadija Habib **The Book of the Film of the Story of My Life** William Brandt,2007-09-03 Originally published in New Zealand and in the UK Brandt s hilarious first novel about life love and the film business delves into the mind and mystery of the modern adult male **My Life As a Spy** John A.
