Red Swastika:

The Rape of Nanking Zhang Sheng, 2021-11-08 The Massacre of Nanking took place in 1937 during the War of the Japanese Invasion of China 75 years after the event we are finally able to analyze and study what happened in Nanking on three levels as an historical event as a legal case and as an object in the Chinese people's collective consciousness

Nanking Masahiro Yamamoto, 2000-08-30 The December 1937 incident that has come to be known as the Rape of Nanking is without doubt a tragedy that will not soon be forgotten While acknowledging that a tremendous loss of life occurred this study challenges the current prevailing notion that the incident was a deliberate planned effort on the part of the Japanese military and analyzes events to produce an accurate estimate of the scale of the atrocities Drawing on Chinese Japanese and English sources Yamamoto determines that what happened at Nanking were unfortunate atrocities of conventional war with precedents in both Eastern and Western military history He concludes that post war events such as the war crimes trials and the impact of the Holocaust in Europe affected public opinion regarding Nanking and led to a dramatic reinterpretation of events The Rape of Nanking consisted of two distinct phases the mass execution of prisoners of war as well as conscription age men who appeared to be combatants and the delinquent acts of individual soldiers The first phase which occurred immediately after Nanking's fall and which claimed most of the atrocity victims was the result of the Japanese military's attempt to clear the city of Chinese soldiers thought to be in plain clothes The second phase which lasted approximately six weeks was horrible but resulted in a much smaller number of fatalities It was characterized by numerous criminal acts ranging from rape and murder to arson and theft committed by unrestrained Japanese soldiers The root cause for both phases was the Japanese military's bureaucratic inefficiency and command irresponsibility While both Chinese and American contemporary sources initially attributed the incident to these causes subsequent Japanese atrocities against both military and civilian Allied personnel during World War II and evidence presented at war crimes trials would come to reshape perceptions of the Nanking events as an Asian counterpart to the Nazi Holocaust

Liu, 2015-06-03 In recent years the international community has begun to scrutinize and in many cases condemn the atrocities that took place at Nanking in late 1937 This is all part of a larger worldwide movement in which both nations and multinational groups are attempting to reach closure regarding past atrocities and inhumanities As represented by the contributors to this book these activities have an importance reaching far beyond aggressors or victims beyond admission or vindication but rather are a search for the common causes of all human atrocities and for solutions that would set humanity on a path toward a more peaceful and harmonious international community

The Planetary Emergency Ian Tinny, Frank Folupa, American Psychopath Association, The planetary emergency is SOCIALISM This book details the factors contributing to the growing crisis describes changes to the world caused by global socialism and discusses the shift in policy that is needed to avert disaster One of the many inconvenient truths is that American socialists share in the guilt Numerous annoying politicians have abetted a long history of American socialists including the notorious Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all children Francis Bellamy was the author of the Pledge of Allegiance to the flag the origin of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted This astonishing book explains the following revelations 1 Hitler never self identified as a Nazi 2 Hitler never self identified as a Fascist 3 The term Nazi never appears in Mein Kampf nor in Triumph of the Will 4 The term Fascist never appears in Mein Kampf as a self description by Hitler 5 The term Socialist appears throughout Mein Kampf as a self description by Hitler Hitler and his followers self identified as socialists by the very word in voluminous speeches and writings 6 Hitler used the swastika to represent S letter shapes for socialist 7 Hitler was influenced by American socialists the USA's Pledge of Allegiance to the flag was the origin of Nazi salutes and Nazi behavior 8 A socialist started fascism Before he coined the term Fascist Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist 9 German socialists partnered with Soviet socialists to launch WWII invading Poland together and going onward from there killing millions Much of the amazing historical material comes from the archives of the historian Dr Rex Curry **It Can Happen Here** Todd "Skippy" Conroy, 2017-05-26 This is the book that has become a cult hit The breath taking revelations center on a young boy's opposition to authoritarianism and his subsequent struggle against it to foment rebellion It is written in the ground breaking new style of an alternate history book within a police state The teenager lives in a world where infants are numbered as soon as they are born The numbers are used to track and control everyone from cradle to grave and to expropriate them continuously The bloated government brainwashes each child for more than a decade Small children are trained to perform bizarre rituals en masse and on command The indoctrination is so intense that adults continue to perform in a knee jerk manner on cue for their entire lives A frightening book written for frightening times A tale about the fragility of freedom it is an alarming eerily timeless look at how fascism could take hold in America It juxtaposes sharp political satire with the chillingly realistic rise of authoritarianism It is a shockingly prescient novel in terms that are as fresh and contemporary as today's news With references to actual historical events and people the book will have readers wondering which parts are true and which parts aren't It debunks Sinclair Lewis book It Can't Happen Here Do you dare peek inside the twisted noggin of researcher Dr Rex Curry The author Todd Conroy lifts the doctor's lid A glimpse will change you forever

BLACK SUN - the Mythological Background of National Socialism Ian Tinny, Thurston Howell III, American Psychopath Association, Rex Curry, BLACK SUN sheds new light on the sources of Nazi ideology by examining its occult roots in the world of myths symbols and fantasies It traces this development from the writings of various mystics in the early 20th century who propagated the mythology of a superior global ideology whose heroes would fight the forces of moral decadence and greed The book uses rare archival photographs and sources to chronicle how the Nazis used these mythological foundations to develop Nazism as a political religion While BLACK SUN documents the nationalist mystical beliefs that infused National Socialism the book also reveals the disturbing perpetuation of these beliefs among certain political groups today in Germany and worldwide reflecting an ongoing search for salvation inspiration and messianic leaders This eye popping expose juxtaposes the polarization in German national history between an obsession with capturing light in all its symbolic uses in order to battle the darkness of the Others The final lesson that Black Sun implies and what makes it a provocative and interesting book for a number of audiences whether scholars and students of history or iconography is the danger of not knowing one s own history In this sense the title signals not only the recurrent theme of evil throughout history but also the need to shed light upon all its manifestations
