

Redditch At War

by Alan Foulds and Ray Saunders

Redditch At War

Great Britain. Industrial Court

Redditch At War:

Redditch at War Alan W. Foxall, Raymond John Saunders, 2004 From the time of the Civil War when the town barely existed to the Luftwaffe bombing raids of World War Two Redditch has had a long history of conflict In 1794 the Worcestershire Yeomanry was formed originally with the intention of putting down workers riots in nearby industrial towns such as Redditch Just over a hundred years later the Yeomanry of Redditch and District returned home to an unusually cool reception following their victory in the Boer War The outbreak of War World One was greeted with enthusiasm by the town as a flood of volunteers rushed to join up Until late 1915 Redditch hosted continuous recruiting meetings and parades and the local workforce became so severely depleted that the issue was eventually raised in the House of Parliament Sadly many of the town s young men never returned home Chamberlain s declaration of war in 1939 brought an influx of evacuees to Worcestershire and the industrial life of the town changed dramatically Redditch became a significant contributor to war production as new factories sprang up and old factories were switched to war work in an effort to meet the increasing demands of the War Office Consequently the town was considered a viable target by the Luftwaffe and suffered severe bomb damage during the Blitz When peace was eventually declared the town celebrated with street parties carnivals and much rejoicing Through a fascinating collection of photographs the authors have created a vivid image of life on the home front during both World Wars when rationing military parades air raids and munitions work became a part of daily life The book offers glimpses of familiar places during periods of intense social upheaval presenting a compelling history of Redditch at War

Decisions Great Britain. Industrial Court, 1920

British Infantry Battalion Commanders in the First World War Peter E. Hodgkinson, 2016-04-15 Recent studies of the British Army during the First World War have fundamentally overturned historical understandings of its strategy and tactics yet the chain of command that linked the upper echelons of GHQ to the soldiers in the trenches remains poorly understood In order to reconnect the lines of communication between the General Staff and the front line this book examines the British army s commanders at battalion level via four key questions i How and where resources were found from the small officer corps of 1914 to cope with the requirement for commanding officers COs in the expanding army ii What was the quality of the men who rose to command iii Beyond simple overall quality exactly what qualities were perceived as making an effective CO and iv To what extent a meritocracy developed in the British army by the Armistice Based upon a prosopographical analysis of a database over 4 000 officers who commanded infantry battalions during the war the book tackles one of the central historiographical issues pertaining to the war the qualities of the senior British officer In so doing it challenges lingering popular conceptions of callous incompetence as well more scholarly criticism that has derided the senior British officer but has done so without a data driven perspective Through his thorough statistical analysis Dr Peter Hodgkinson adds a valuable new perspective to the historical debate underway regarding the nature of British officers during the extraordinary expansion of the Army between 1914 and 1918 and the

remarkable yet often forgotten British victories of The Hundred Days **Worcestershire's War** Maggie Andrews, Adrian Gregson, John Peters, 2014-09-15 Capturing the experiences of the people of Worcestershire in the First World War in their own words from prisoners of war to those on the Home Front **Histories, Memories and Representations of being Young in the First World War** Maggie Andrews, N. C. Fleming, Marcus Morris, 2020-10-08 This book seeks to place children and young people centrally within the study of the contemporary British home front its cultural representations and its place in the historical memory of the First World War This edited collection interrogates not only war and its effects on children and young people but how understandings of this conflict have shaped or been shaped by historical memories of the Great War which have only allowed for several tropes of childhood during the conflict to emerge It brings together new research by emerging and established scholars who through a series of tightly focussed case studies introduce a range of new histories to both explore the experience of being young during the First World War and interrogate the memories and representations of the conflict produced for children Taken together the chapters in this volume shed light on the multiple ways in which the Great War shaped disrupted and interrupted childhood in Britain and illuminate simultaneously the selectivity of the portrayal of the conflict within the more typical national narratives *Review of Industrial and Trade Conditions in Foreign Countries by American Consular Officers*, 1916 **Fairlie's Secret War** John Riddell, 2022-08-04 During the Second World War the Royal Navy's vitally important Anti submarine Experimental Establishment was secretly moved from Portland in Dorset to the Ayrshire village of Fairlie to escape German bombing on the south coast For the next six years it occupied the boatyard of yacht builder William Fife on the Firth of Clyde During this time highly confidential world leading research on the acoustic detection of submarines by asdic now known as sonar was carried out by hundreds of scientists officers and local men and women based at Fairlie As experiments took place into new ways of sinking German U boats the peace of the quiet village was shattered Winston Churchill described the work done at Fairlie as critical to winning the Battle of the Atlantic and ultimately the war The research remained relevant to anti submarine warfare long after the war and is still relevant today Fairlie's role in the war was not disclosed until relatively recently Highly illustrated throughout and making use of previously unpublished material this book tells the full story of the establishment at Fairlie for the first time It describes the impact it had on local people and their relationship with the naval officers and scientists who came to work there Winner of the John Strawhorn Memorial Quaich awarded by the Ayrshire Federation of Historical Societies to an individual or group who is judged to have made an outstanding contribution to the local history of Ayrshire **The Industrial Court (The Industrial Courts Act, 1919)** Great Britain. Industrial court, 1920 **Commerce Reports** United States. Bureau of Foreign and Domestic Commerce, 1916 **Daily Consular and Trade Reports**, 1915

Yeah, reviewing a book **Redditch At War** could increase your close connections listings. This is just one of the solutions for you to be successful. As understood, endowment does not recommend that you have astonishing points.

Comprehending as capably as concurrence even more than additional will have the funds for each success. neighboring to, the broadcast as capably as acuteness of this Redditch At War can be taken as well as picked to act.
