Redeeming The Lost:

Redeeming the Lost Elizabeth Kerner, 2004-06 In the world of Lanen Kaelar the prophecies are coming true and the ancient race of Kantri or true dragons have come back to Lanen's world and they look to Lanen and her love Varian to help them make the world right again *Keeping the Armor On at the Front* Michael J. Metz, 2021-04-27 Reality TV in print reporting on temptations at the scene The author lets you in on the battle reports in the first person speaking to you the reader Spend time with him as he deals with encounters by different biblical demons in sixteen battle reports each one closing with a Bible promise In the course of these encounters you are given opportunities to identify pieces of the armor of God to stand firm against the specific evil spirits You will experience the use of various tools and weapons which are often neglected by today's Christians The workbook examines the armor of God and actions you can take to put the armor on Included are dossiers of each enemy and an introduction to spiritual gifts Self examining questions enable the reader to discover strongholds cracks and stains the enemy uses to produce corrosion in the Christian's armor A four phase training outline is customizable to your needs Journaling is encouraged *Behind the Veil of Deception* Pasquale De Marco, 2025-05-03 In a world shrouded in deception where truth is concealed behind a veil of lies a hidden struggle unfolds Behind the scenes a labyrinth of conspiracy weaves its way through the corridors of power threatening to engulf all in its wake Unraveling the tangled threads of this web intrepid investigators embark on a perilous journey to expose the truth lurking beneath the surface They must navigate a treacherous landscape where appearances can be deceiving and trust is a rare commodity As they delve deeper into the shadowy realm of hidden agendas and veiled intentions they encounter a cast of enigmatic characters each with their own secrets to protect Amidst the darkness a flicker of hope emerges A group of vigilant guardians known as the Watchers stand as sentinels against the encroaching tide of deception With their keen eyes and unwavering determination they strive to uncover the truth and safeguard the fragile balance of justice But their quest is not without its perils Treacherous allies and cunning adversaries lurk around every corner eager to silence those who dare to expose the hidden machinations As the stakes rise the investigators must confront their own doubts and fears forging alliances with unlikely companions and relying on their wits to outsmart their opponents In a world where the lines between reality and illusion blur the search for truth becomes a treacherous pursuit With every step the investigators uncover a deeper layer of deception leading them closer to the heart of a conspiracy that threatens to shatter the very foundations of society Through it all the guardians of truth remain steadfast in their mission their unwavering belief in justice serving as a beacon of hope amidst the encroaching darkness If you like this book write a review on google books **The Redeeming Way** Ralph Belknap, 2018-01-09 Writing this book was inspired by how I see the world and the church today I look at what has happened to God's people and cry God set rules for us to follow and directions to help his people survive In Revelation God speaks to the world about the past present and future I see what he's talking about and it's not good If man will not

change what will happen to man He will not be joyous I put in this book some things you should take a very close look at to see if you see what I see Also take a close look in the mirror at yourself and see what God sees I put a special chapter on the mind and how when and why it needs to change *Praying for the Lost Sheep: Sheep Without a Shepherd* Mikró

Arnáki,2023-06-29 How many people who are spiritually dead choose to accept Christ as their Lord and Savior How can people who have sin inscribed on their hearts seek after God How can people who have proud hearts humble themselves to confess their sins and ask forgiveness It is impossible for mankind but all things are possible for God This treatise on prayer for the lost addresses their great plight and how to offer fervently effective prayer with great confidence in the LORD God He alone can change hard hearts and draw them inexorably to Jesus Christ The key is praying through and claiming verses God has given regarding His changing of hearts Being born again is not by the will of the flesh nor the efforts of men Only by the will of God can lost people become found Christ said that sinful people do not seek for Him or choose Him but He seeks them and chooses them Discover the benefits of praying according to God s will and claiming His promises God uses the prayers of His loving and caring saints to work in the hearts of lost sheep Child of God be challenged to radically change your prayer life Within this work additional books on prayer are recommended to enlarge your sphere of influence and broaden your understanding of God s world Be more in tune with God s heart for lost souls as you pray for all men Be assured that God hears the fervent effectual prayers of His righteous people Be greatly encouraged **Reading Confederate Monuments**

disrupt and potentially dismantle these enduring narratives alongside the statues themselves we must be able to recognize analyze and resist them in US life The pieces in this collection position us to think deeply about how and why we should continue that work

THE PARABLES OF THE LORD JESUS CHRIST John Sandbek,2018-06-12 The parables of Jesus should not be studied as individual homilies or proverbs but instead as a series of prophetic installments wherein each parable reveals an aspect of his coming millennial kingdom The focus of all his parables was the kingdom and encompassed four areas of revelation Jesus was sent by his Father to reveal to man eternal truths to redeem the lost sheep of the house of Israel to expound on the prophets and the Law and to preach of the gospel of the Kingdom With these four anointings Jesus assumed the three offices of Prophet Priest and King and used parables to conceal his message from those who would not listen or sought to destroy his ministry As Prophet he foretold of events imminent to his time and the destruction of Jerusalem He became our High Priest to redeem his people and instruct them in righteousness As King his parables reveal to us the grandeur of his coming kingdom heretofore kept secret from man and set

the metrics for ruling and reigning with him The Parables of the Lord Jesus Christ Prophet Priest King examines Jesus s parabolic teaching from these three ordinations and how each relates to Christ s future kingdom Each parable is placed in context with surrounding events and the customs of the day and its imagery and symbolism explained using Scripture to deduce and interpret its meaning Saved, Delivered, and Healed Tony Richie,2022-08-30 Should a Christian doctrine of salvation be concerned with this life or the life to come With forgiveness of sins or deliverance of sinners With the saving of the soul or the healing of the body Should it focus on the person and work of Jesus Christ or on the presence and power of Holy Spirit To all these questions and more Tony Richie s Saved Delivered and Healed Introducing a Pentecostal Doctrine of Salvation answers Yes Then it proceeds to present from the Scriptures from Pentecostal theology and spirituality and from decades of pastoral and personal experiences and academic insights an energetic and holistic view of salvation grounded in the wisdom goodness and power of God Its constant focus is God s ultimate redemptive purpose in Jesus Christ by the power of the Holy Spirit for the lives of real human beings living in the real world If you have ever wondered what Christian salvation actually means and how it actually works then this book is for you
