Rediscovering The Realities Of Jesus His Crucifixion Resurrection Ascension And Celibacy:

Rediscovering the Realities of Jesus Akbarally Meherally, 2003 **Canadian Books in Print. Author and Title Index**, 1975 *Resurrection* John Shelby Spong, 2009-10-13 Resurrection is an innovative examination of the foundational event of Christianity and an inspiring vision for reconciliation between Jews and Christians Using approaches from the Hebrew interpretive tradition to discern the actual events surrounding Jesus's death Bishop John Shelby Spong questions the historical validity of a literal narrative concerning the Resurrection However Spong is not searching for the historical Jesus either he asserts that the Resurrection story was born in an experience that opened the disciples's eyes to the reality of God and the meaning of Jesus of Nazareth To fully understand the meaning of the Resurrection it must be approached in the style of the midrash or teaching tale Spong goes on to trace the Christian origins of anti-Semitism to the Church's fabrication of the ultimate Jewish scapegoat Judas Iscariot He affirms the inclusiveness of the Christian message and emphasizes the necessity of mutual integrity and respect among Christians and Jews John Shelby Spong was the Episcopal Bishop of Newark before his retirement in 2000 As a leading spokesperson for an open scholarly and progressive Christianity Bishop Spong has taught at Harvard and at the Graduate Theological Union in Berkeley California His books include *A New Christianity for a New World* *Rescuing the Bible from Fundamentalism* *Resurrection Myth or Reality* *Why Christianity Must Change or Die* and his autobiography *Here I Stand* This book will appeal to those wanting a reasonable nonliteralist faith grounded in the mystery of reality beyond time and space Highly recommended Library Journal *Did Jesus Rise from the Dead?* Matthew Levering, 2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father's right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened *The Resurrection* Geza Vermes, 2008-02-12 Resurrection is the rock of faith on which Christianity is founded But on what evidence is the most miraculous phenomenon in religious history based World famous biblical scholar Geza Vermes has studied all the evidence

that still remains over two thousand years after Jesus Christ was reported to have risen from the dead Examining the Jewish Bible the New Testament and other accounts left to us as well as contemporary attitudes toward the afterlife he takes us through each episode with a historian s focus the Crucifixion the treatment of the body the statements of the women who found the empty tomb and the visions of Christ by his disciples Unraveling the true meaning conveyed in the Gospels the Acts and Saint Paul Vermes shines new light on the developing faith in the risen Christ among the first followers of Jesus

Experiencing the Resurrection Henry Blackaby,Mel Blackaby,2009-01-16 Experience the powerful reality of Christ s resurrection in your life Moment by moment day by day Two thousand years ago God raised Jesus Christ from the dead But that isn t a mere historical event It isn t simply a theological doctrine It is rather a huge moment that reverberates powerfully and meaningfully throughout history Even today Even in your life When God raised Jesus He also made it possible for Christ s life to reign eternally in His followers The resurrection is the foundation of your total freedom and complete victory in Christ And so it is an event an experience that s worthy of your daily celebration Experiencing the Resurrection is the second in a groundbreaking trilogy by the world renowned spiritual leader Dr Henry Blackaby and his son Dr Melvin Blackaby that guides you into experiencing the gospel of Christ in its fullness In this book they offer you a deeper understanding of the glorious joyous dimensions of the resurrection with the goal of revealing the living Lord at work in your daily life This is the first step to fully knowing and experiencing the peace joy power purpose and confidence that God promises you through the resurrection of His Son

Did Jesus Rise From the Dead William Lane Craig,2014-06-01 Seems reasonable perhaps Jesus was comatose Or perhaps his body was stolen Or maybe the women arrived at the wrong tomb they were grieving after all it would have been an honest mistake There are any number of explanations Dr William Lane Craig uses well documented historical facts to explore the evidence that surrounds the days following Jesus crucifixion Without assuming the Bible says so Did Jesus Rise from the Dead presents positive religious cultural and historical evidence for the reality of the resurrection while breaking down the six most common hypotheses used to explain the unusual events that unfolded from the moment Christ breathed his last Thoroughly researched yet deftly digestible Did Jesus Rise from the Dead belongs in the library of any apologist skeptic or seeker

Theories of the Resurrection of Jesus Christ Sir James Marchant,1899 **Evidence for the Resurrection** Josh McDowell,Sean McDowell,2010-12-09 When Jesus died on the cross it seemed that all had been lost Death had won But after three days in a rich man s tomb Jesus appeared alive The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands Then Jesus made an amazing claim In the future they too would have resurrected bodies like his bodies that would never deteriorate age or perish They would have new life without death or pain in the presence of a loving God forever But can we really believe His promise For that matter can we really believe that the promise was made by a man who rose from the dead In this fascinating look at the claims of the Gospel writers and 2 000 years of believing Christians bestselling author Josh

McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today. *The Resurrection of Jesus* Robert B. Stewart, 2006. Two of today's most important and popular New Testament scholars, John Dominic Crossan and N. T. Wright, here air their very different understandings of the historical reality and theological meaning of Jesus' Resurrection. The book highlights points of agreement and disagreement between them and explores the many attendant issues. This book brings two leading lights in Jesus studies together for a long overdue conversation with one another and with significant scholars from other disciplines.
