Redlands Our Town:

Redlands Randy Briggs, Fred Edwards, 2006-10-23 Cultural traditions coalesce in the city of Redlands like nowhere else in the Inland Empire The University of Redlands is distinguished by a century of academic leadership to the community the Fortnightly Club is one of the oldest literary organizations in the United States and Spinnet plays favorites as one of the oldest musical societies in California The rich cultural legacy of this sun drenched San Bernardino County municipality intertwines with its past as a farming citrus growing and health care community and lives on in the Redlands Symphony Orchestra Redlands Art Association and other regionally recognized organizations The renowned A K Smiley Library remains an enduring tribute to one of the city s pioneering twin brothers A H was the other who oversaw its formative years

Redlands Remembered Joan Hedges McCall, 2012-07-17 By 1889 the newly established town of Redlands at the southern base of the San Bernardino Range offered mild winters and spectacular views of the nearby mountains The sunny dry climate enticed eastern industrialists and Redlands became a place of annual escape a millionaire mecca by the turn of the twentieth century Early philanthropists set the tone for an active civic culture that has lasted throughout the city s 125 years These stories researched and written by Joan Hedges McCall tell how and why the town developed out of dusty semi arid lands into a green belt of orange groves parks and Victorian homes Find out where the water came from how the navel oranges grew and who helped Redlands grow into the beloved city it is today Our Towns James Fallows, Deborah Fallows, 2018-05-08 NATIONAL BESTSELLER James and Deborah Fallows have always moved to where history is being made They have an excellent sense of where world shaping events are taking place at any moment The New York Times The basis for the HBO documentary streaming on HBO Max For five years James and Deborah Fallows have travelled across America in a single engine prop airplane Visiting dozens of towns the America they saw is acutely conscious of its problems from economic dislocation to the opioid scourge but it is also crafting solutions with a practical minded determination at dramatic odds with the bitter paralysis of national politics At times of dysfunction on a national level reform possibilities have often arisen from the local level The Fallowses describe America in the middle of one of these creative waves Their view of the country is as complex and contradictory as America itself but it also reflects the energy the generosity and compassion the dreams and the determination of many who are in the midst of making things better *Our Towns* is the story of their journey and an account of a country busy remaking itself *Redlands, Our Town* Frank Ensor Moore, 1987 Redlands #6 Jordie Bellaire, 2018-02-21 Nancy has discovered her fire and in an all out claws flying brawl Casper discovers she s not who she seems The town of Redlands greets an old friend of many names but the witches call him by just one Father **Selling the City** Lee M. A. Simpson, 2004 Between 1880 and 1940 California cities were in the vanguard in creating comprehensive city plans and zoning ordinances that came to characterize modern American city growth This book reveals the means by which property owning middle class women achieved entry into the male dominated sphere of urban planning It suggests that women in

California were not excluded from public life. Instead they embraced the middle class ideology of propertied self interest and participated to the fullest extent possible in the urban struggle for regional dominance that shaped this period of western history. Likewise as urban historians have presented this story as essentially male this work suggests that although California's urban elite often maintained a division of labor along traditional gender lines they clearly worked in a cross gender alliance to shape a regional identity based on a commitment to urban growth.
