Redtape Pigeonhole Generals Andrew A Humphreys In The Army Of The Potomac:

Red-tape and Pigeon-hole Generals William Henry Armstrong,1999 **Army History** ,2010 **Red-tape and Pigeon-hole Generals** William Henry Armstrong,1999 Originally published in 1864 this rollicking story of the way it was in the Army of the Potomac is actually a thinly disguised attack on the character and military ability of Gen Andrew A Humphreys In masterful accompanying commentary Arner identifies the main players and units and taps primary sources that support the original author s view *A Republic in the Ranks* Zachery A. Fry,2020-02-21 The Army of the Potomac was a hotbed of political activity during the Civil War As a source of dissent widely understood as a frustration for Abraham Lincoln its onetime commander George B McClellan even secured the Democratic nomination for president in 1864 But in this comprehensive reassessment of the army s politics Zachery A Fry argues that the war was an intense political education for its common soldiers Fry examines several key crisis points to show how enlisted men developed political awareness that went beyond personal loyalties By studying the struggle between Republicans and Democrats for political allegiance among the army s rank and file Fry reveals how captains majors and colonels spurred a pro Republican political awakening among the enlisted men culminating in the army s resounding Republican voice in state and national elections in 1864 For decades historians have been content to view the Army of the Potomac primarily through the prism of its general officer corps portraying it as an arm of the Democratic Party loyal to McClellan s leadership and legacy Fry in contrast shifts the story s emphasis to resurrect the successful efforts of proadministration junior officers who educated their men on the war s political dynamics and laid the groundwork for Lincoln s victory in 1864 **Civil War Book Review** ,1999 [The Forgotten Charge](#) Scott B. Lang,2002 *American Book Publishing Record* ,1998 **Subject Catalog of the Military Art and Science Collection in the Library of the United States Military Academy** United States Military Academy. Library,1969 [Red-tape and Pigeon-hole Generals](#) Henry Morford,1864 [Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles](#) ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton s new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander s name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion
