The Ascent of the Mountain of God Edward Hays, 1994. In brief but powerful reflections for the 40 days of Lent, Father Hays has created a thought provoking adventure taking us on a sacred mountain climbing expedition, the mountain being a universal symbol of God's presence, the place of awe inspiring encounters with God. Beginning on Ash Wednesday we are led to successive heights on the way to the summit of the Easter Mystery. A rich collection of parables and stories, prayers and paradoxes for turning the challenge of the Lenten ascent into a joyful adventure.

Daybreaks Ron Rolheiser, 2004-12. Lent is that annual journey taking us into the depths of God's mystery. For many who must juggle life's daily demands, Lent often seems to pass by with little opportunity for spiritual growth. But in this booklet, world renowned spiritual writer Father Ron Rolheiser provides reflections for each day of Lent and Easter Week that are short and clear enough for the busy person, yet provocative and challenging to the spirit. These reflections will not take long. You need only enough time to let the written words sink in and inspire your own thoughts. How will you apply them to your life? Do they spur you on to make some specific type of change in your life, your attitudes or your behavior? That is the process of conversion. That is the journey of Lent and Easter. This booklet will be a treasured Lenten companion for every person to deepen their relationship with God. Originally offered in 2005, this booklet is non returnable.

A Time of Renewal Mary Francis, 2014-12-31. Mother Mary Francis, abbess of a Poor Clare Monastery for over forty years, left an enduring legacy in her writings and in the conferences she gave to her spiritual daughters. In this work she presents beautiful meditations on the liturgical season of Lent, revealing the treasures of the liturgy to Christians in all walks of life. Her insight into Holy Scripture and her poet's heart engendered reflections that illuminate the daily Mass readings in a fresh and attractive way. These meditations enlighten the reader to see conversion as positive and enriching and help us to understand that the generous embrace of Lenten penance has a purpose and brings a wondrous reward: deeper union with God. She was a true daughter of Saint Francis of Assisi, who found perfect joy by turning away from self to God. As a spiritual guide, Mother Mary Francis excels in the art of persuasion, aware that the human heart cannot be forced but only gently led to holiness. She makes this goal attractive and desirable by tirelessly explaining why striving for holiness is the happiest and wisest way to live. This book provides a wealth of material for plundering the riches of the Lenten season and for deepening one's spiritual life. Her meditations are profound and timeless, not changing from year to year, thus providing a lifetime of Lenten meditations in this one volume.
