Reflections In Poetry Mother And Daughter Collection:

Reflections in Poetry Michelle Epps, Carole Watson Cooley, 2005-09 Reflections in Poetry Mother and Daughter Collection is meant to share innermost thoughts with others It is a hope that the readers will be able to identify with the portraits painted and maybe use some lines or words to express a feeling they would like to portray to someone they care about Writing is about sharing experiences with the readers it is also therapeutic because a writer is daring to share his soul This is also a collection of poems in a storybook form Some of the poems are laden with emotion as in a message to someone you re in love with while others may be spiritual in nature as in a conversation with God or prayer There are poems that rhyme while others are free verse The poems may evoke a plausible reaction to the readers or not It is the intent to provide an obvious story in each poem connecting each verse to the other with the hope to leave enough room for the readers interpretation of the poems to be open to any possible understanding or outcome This is also an effort to have readers get acquainted with the intimacy of imagination maybe even fall in love with it or find an expression all their own The sale of this book is meant to be used in part for outreach under Helping Hand non profit organization *A Study Guide for Reetika Vazirani's "Daughter-Mother-Maya-Seeta"* Gale, Cengage Learning, 2016 A Study Guide for Reetika Vazirani s Daughter Mother Maya Seeta excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs *Reflections and Poetry to Ponder* Diane Hicks White, 2009-08 My poetry can best be described as a personal journey lived through depression From childhood through adulthood I have existed with depression I have always enjoyed reading and so with reading the idea of writing poetry came to mind Being able to express my emotions has played a big part on my road to recovery Seeing people like myself has helped me give more understanding of how depression affects the mind Through my poetry I have been able to talk of these emotions through faith in others who have helped me and through my faith in God who has never left me I try to end my poetry not in negativity but with a purposeful emotion that will give the reader hope a hope that he or she will someday reach that pinnacle in their lives that will help them to see beyond that hopelessness of depression Diane Hicks White 2007
