Reflections Of The Heart What Our Animal Companions Tell Us:

Reflections of the Heart Deborah DeMoss Smith, 2008-05-05 Do our animal companions understand us How can we understand them Reflections of the Heart gives us Sharon Callahan s thought provoking perspective on animal human relationships Definitely a most illuminating read for all animal lovers David Frei cohost of The Westminster Kennel Club Dog Show Thanks to Deborah DeMoss Smith readers of Reflections of the Heart will be touched and healed profoundly by animal intuitive Sharon Callahan s life and work just as we have been along with the hundreds of friends family veterinary clients and patients to whom we ve introduced her Bob Goldstein D V M and Susan Goldstein Earth Animal and the Healing Center for Animals A gold mine of inspiration compassion and love Anyone who loves animals will love them even more after reading this wonderful collection of stories Deborah DeMoss Smith knows just how to reconnect us with the magic splendor and awe of our animal kin through Sharon Callahan s intuitive experience Marc Bekoff Professor of Biology University of Colorado Boulder and coauthor of The Ten Trusts with Jane Goodall Jerry a tabby cat distressed by a beloved family member s departure for college Jupiter a macaw parrot who yearned to live among his own kind Rudy a border collie whose grave illness did not stop him from keeping his profound promise to the young girl who loved him All of these animals spoke with their human companions through the extraordinary gift of animal intuitive Sharon Callahan Now award winning journalist Deborah DeMoss Smith relates these and many other true inspirational tales of the human and animal lives Callahan has touched Reflections of the Heart illustrates how the sometimes puzzling behavior of animals often mirrors our own actions and feelings These stirring accounts offer a window into the emotional mental and spiritual lives of our animal companions and remarkable insight into the special bond between animals and people **Animal Reiki** Elizabeth Fulton, Kathleen Prasad, 2006 Two Reiki masters explore Reiki s powerful noninvasive energy treatments for animals including step by step instructions for treating domestic exotic and wild animals and stories of their own healing experiences to demonstrate the effectiveness of this alternative method Soul Healing with Our Animal Companions Tammy Billups, 2018-04-10 A guide to understanding the profound connection in animal human relationships and its potential for mutual healing 2020 Coalition of Visionary Resources Gold Award Explains the unspoken connection between people and their animal companions and how they share the same energetic patterns and emotional wounds Outlines specific behavioral traits and physical issues that animals may exhibit as they mirror their caregiver s emotional state of being Explores holistic modalities humans can employ such as energy therapy to promote healing in animals and ultimately themselves The animals we attract in our lives reflect us in many ways Our connections with them run deeply down to the soul level Just like us they are also on a journey to evolve their soul through their relationships and experiences and each has deeply spiritual messages for us and intentions for our personal growth In this book Tammy Billups invites you to explore and deepen this profound relationship showing how you can co evolve along with your animal companions experience unconditional love and ultimately enact healing for both animal

and caregiver Offering a soulful and bioenergetic perspective on decoding our animals actions behaviors and physical issues Billups explains how our animal companions share our energetic patterns and emotional wounds revealing issues in our own lives that may be hidden or suppressed She identifies the five core emotional wounds in animals and the ways in which they manifest outlining specific behavioral traits and physical issues animals may exhibit as they mirror our emotional states She explains how to connect with them on a profound level so we can grasp their needs more clearly and learn what they have to teach us She also provides guidance to help your animals heal the emotional wounds and traumas that create their anxiety stress behaviors aggression and fears The author details a three step process to help you through decisions you will make on your pets behalf and explains how when a person works on healing a core emotional issue in their life abandonment for example it helps the animal release this same issue and the corresponding negative behaviors as well She also shows how extremely receptive animals are to energy work holistic healing and spiritual practices explaining how these methods unlock emotional barriers and enable both person and animal to heal and reach their highest potential in conscious evolution Providing tools to identify our animals messages more quickly the author shows how our pets higher purpose is to help people understand themselves
