## **Reflective Faith Essays In Philosophical Theology:**

*Reflective Faith* Austin Farrer, 2012-06-13 In the foreword to this collection of essays the noted British philosopher of religion John Hick aptly describes the style and tone to be found in *Reflective Faith* Farrer asks the right questions and thereby puts philosophical theology on the right road This collection constitutes an introduction to Farrer's thought such as many have wished for and it will be important also for those who are concerned to study Farrer's work as a whole And that work Hick adds is so far removed from the realm of unanalyzed slogans vague metaphors and all form of sloppiness and imprecision that to read someone of Farrer's stature is to lose any taste for the lower levels of theological writing *Reflective Faith* spans Farrer's long career at Oxford and includes essays taken from lectures papers and broadcast talks presented during those years Originally written for select and usually small audiences they display a warmth and spontaneity that enables readers to draw close to Farrer and in so doing to appreciate his breadth of scholarship and wit Here is traced the evolution of Farrer's thought from its early origins in scholastic theology to his eventual movement towards the philosophy of action Also included are study notes provided by the editor and a bibliography of Farrer's published works

**Doctrine** Brian Hebblethwaite, 2008-04-15 *Philosophical Theology and Christian Doctrine* surveys and comments on recent work by philosophers of religion in the analytic tradition on the doctrines of the Christian creed Topics covered include creation Incarnation Trinity salvation and eschatology and the ultimate future of creation Comprehensive survey of core Christian doctrines      *A Philosophical Theology of the Old Testament* Jaco Gericke, 2020-01-08

Are we able to identify and compare the philosophical perspectives and questions that must be postulated as having been somehow present in the language ideas and worldviews of the Biblical authors This book sets out an approach to something that has been generally considered impossible a philosophical theology of the Old Testament It demonstrates and addresses the neglect of a descriptive and comparative philosophical clarification of concepts in Old Testament theology and in so doing treads new ground in Biblical studies and philosophical theology Recognizing the obvious problems with and objections to any form of interdisciplinary research combining philosophical and Biblical theology this study presents itself as introductory and experimental in nature The methodology opted for is limited to a philosophical clarification of concepts already found in Old Testament theology while the findings are presented via the popular thematic approach found in analytic philosophical theologies with no attempted justification or critique of the textual contents under investigation These approaches are combined by primarily looking at the nature of Yahweh in the Old Testament This book offers a new vision of Biblical and philosophical theology that brings them closer together in order that we might understand both more broadly and deeply As such it will be vital reading for scholars of Theology Biblical Studies and Philosophy      **A Light in a Burning-Glass** Robert

Boak Slocum, 2019-09-27 *A Light in a Burning Glass* introduces readers to the distinctive synthesis of theological reflection and everyday faith that characterizes the life and theology of Austin Farrer 1904-1968 a man widely considered to be the most important Anglican theologian of the twentieth century Often quoted for isolated insights but rarely appreciated for his depth and coherency Farrer is a theologian who according to Robert Boak Slocum is fascinating to consider but difficult to master In this survey and explanation of the Anglican leader's prodigious output and complexity of thought Slocum sorts through Farrer's many writings to articulate his theological vision Slocum delves into Farrer's treatises essays lectures correspondence and reviews in an exploration of his three primary areas of theological concern pastoral biblical and philosophical Noting that few theologians have published so many significant works in such varied areas of theological study Slocum maps the connectedness of thought that unites Farrer's works Slocum moves from a basic study of Farrer's background and methodology to a consideration of his major themes Christian hope the problem of evil the role of image and imagination in Christian faith the use of literary methods in the interpretation of theology and the interplay of divine action and human freedom in the Christian life

**The Virtue of Faith and Other Essays in Philosophical Theology** Robert Merrihew Adams, 1987-04-30 Robert Merrihew Adams has been a leader in renewing philosophical respect for the idea that moral obligation may be founded on the commands of God This collection of Adams' essays two of which are previously unpublished draws from his extensive writings on philosophical theology that discuss metaphysical epistemological and ethical issues surrounding the concept of God whether God exists or not what God is or would be like and how we ought to relate ourselves to such a being Adams studies the relation between religion and ethics delving into an analysis of moral arguments for theistic belief In several essays he applies contemporary studies in the metaphysics of individuality possibility and necessity and counterfactual conditionals to issues surrounding the existence of God and problems of evil
