Reflowering Of The Goddess:

The Reflowering of the Goddess Gloria Feman Orenstein,1990 Explores the body of art and literature that has been inspired and informed by the reclamation of knowledge of ancient Goddess reverence and the rise of women s spirituality from within the feminist movement p ix

The Reflowering of the Goddess Gloria F. Orenstein,1990-02-01 *Eden and the Fall - the Fallacies of Radical Ecological History* ,1999 Radical ecology claims to be a new movement at the cutting edge of social change offering a solution to current social and ecological problems through the rejection of reformist ecological politics in favour of a radical restructuring of industrial and especially Western society The claim to have discovered the historical cause of current ecological and social problems plays a key role in validating this radical approach Although numerous interpretations of the historical origins of existing social and ecological problems exist within radical ecology three main variants have been identified This thesis critically examines the three main variants of radical ecological history the belief in primal harmony the belief in the civilisation of the goddess and its destruction by a Kurgan invasion and the view that the rise of capitalism and the mechanistic world view was responsible for the ecological and social crises of today In so doing it also examines a number of key questions central to radical ecological history when did violence and hierarchy begin in human history is it possible to argue that today s ecological crisis has a religious cause and can the scientific technological and commercial revolutions be truly described as purely Western phenomena The main findings of this thesis are that each of these variants of radical ecological history is chronically flawed In addition to numerous empirical errors each of these historical interpretations is based on an extremely simplistic Eurocentric reading of the past based on the use of archetypal stereotypes of good and evil that have little or no historical foundation While these interpretations of history vary profoundly they are all based on the same underlying model of history whose origins lie in the Judeo Christian apocalyptic tradition and ultimately in Zoroastrianism While some of the flaws of radical ecological history are a result of poor scholarship it is argued that it is the use of t

The Civilization of the Goddess , Living In The Lap of Goddess Cynthia Eller,1995-12-20 A fascinating introduction to one of the fastest growing religious movements in the United States today Through interviews participant observation and analysis of movement literature Cynthia Eller explores what women who worship the goddess believe how they express those beliefs in private in public and in the political realm and the place of feminist spirituality in the history of American religion

Goddess as Nature Paul Reid-Bowen,2016-04-15 Goddess as Nature makes a significant contribution to elucidating the meaning of a female and feminist deity at the beginning of the twenty first century Bridging the gap between the emergent religious discourse of thealogy discourse about the Goddess and a range of analytical concerns in the philosophy of religion the author argues that thealogy is not as incoherent as many of its critics claim By developing a close reading of the reality claims embedded within a range of thealogical texts one can discern an ecological and pantheistic concept of deity and reality that is metaphysically novel and in need of constructive philosophical thealogical

and scholarly engagement Philosophical theology is in an age concerned with re conceiving nature in terms of agency chaos complexity ecological networks and organicism both an active possibility and a remarkably valuable academic feminist and religious endeavour
