Regional Security in the Middle East Zeev Maoz,1997 Middle Eastern politics of the 1990s have been characterized by a drive towards peace the success of which will depend on the negotiating process This volume discuss the challenges and provide some practical advice on how to avoid failure *Regional Security in the Middle East* Pinar Bilgin,2004-09-09 This is an accessible yet critical analysis of regional security in the Middle East Using a non realist approach Bilgin provides a comprehensive study of the past present and future of security in the region She also considers the question of identity formation explaining how and why various regional representations came into being and explor **Regional Security in the Middle East** ,1997 *Special Issue on Regional Security in the Middle East* Zeev Maoz,1997 Regional Security in the Middle East Zeev Maoz,2013-06-17 Middle Eastern politics of the 1990s have been characterized by a drive towards peace Whether this is successful or not will depend on the negotiating process These articles discuss the challenges and provide some practical advice on how risks of failure could be avoided **Regional Security in the Middle East ,**

Building Regional Security in the Middle East Emily B. Landau,Tamar Malz,Zeev Maoz,2004-11-23 Discussions on regional security were initiated in the Middle East in 1992 as part of the Middle East peace process The collapse of the Oslo process and other regional developments in the latter half of the 1990s have diminished hopes that the initial gains made in this direction might further develop as violence has again become the primary mode of effecting political changes in the region On the backdrop of this somewhat dismal current reality in the Middle East the rationale for this volume is that research into regional security structures should nevertheless be pursued When looking at the long term process of creating regional security setbacks are not unlikely The articles that make up this collection focus on the problems that have been encountered and possible directions for getting regional efforts back on track A special issue of the Journal of Strategic Studies *Regional Security Dialogue in the Middle East* Chen Kane,Egle Murauskaite,2014-07-25 At this time of considerable political turmoil in the Middle East there is a pressing need to explore alternative frameworks for regional security The book discusses the Helsinki Process as one potentially relevant historical model to learn from The Helsinki Process began in a divided Europe in the early 1970s and over 40 years achieved major successes in promoting cooperation between the Warsaw Pact and NATO member states on social human rights security and political issues In this volume established Middle East experts former diplomats and emerging scholars assess the regional realities from a broad range of perspectives and with the current momentum for reform across the Middle East chart a path towards a comprehensive mechanism that could promote long term regional security Providing a gamut of views on regional threat perception and suggesting ways forward for regional peace this book is essential reading for students and scholars with an interest in Politics the Middle East and Conflict Studies **Libya in the Arab Spring** Ramazan Erdağ,2017-03-22 By examining Libya s security architecture before and after the North Atlantic Treaty Organization NATO intervention in 2011 this book aims to

answer three questions First what were the security patterns in Libya within the Middle East security complex before the Arab Spring Second to what extent did the Arab Spring and the revolution and intervention processes in Libya affect this security architecture And third what are the implications of the Libyan revolution and the NATO intervention on regional security and on the security sub complexes of the Middle East in the post Arab Spring era The author addresses these issues by providing a micro level analysis of amity enmity patterns power distribution and external power interests **Dialogue with the Mediterranean** Gareth Mark Winrow,2002-05-03 The first examination of the importance of NATO s Mediterranean Initiative for the security and stability of the Euro Mediterranean area this book discusses the challenges risks and possible threats to NATO member states which may stem from the southern and eastern Mediterranean

Geopolitics, Geography and Strategy Colin S. Gray,Geoffrey Sloan,2014-01-14 Geopolitical conditions influence all strategic behaviour even when cooperation among different kinds of military power is expected as the norm action has to be planned and executed in specific physical environments The geographical world cannot be avoided and it happens to be organized into land sea air and space and possibly the electromagnetic spectrum including cyberspace Although the meaning of geography for strategy is a perpetual historical theme explicit theory on the subject is only one hundred years old Ideas about the implication of geographical especially spatial relationships for political power which is to say geopolitics flourished early in the twentieth century Divided into theory and practice sections this volume covers the big names such as Mackinder Mahan and Haushofer as well as looking back at the vital influence of weather and geography on naval power in the long age of sail sixteenth to nineteenth centuries It also looks forward to the consequences of the revival of geopolitics in post Soviet Russia and the new space based field of astropolitics *The Middle East and South Asia 2019-2020* ,2019-10-09 More than a quarter of the world s population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This 53rd edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments **The Middle East and South Asia 2022-2023** Ilan Pappe,2022-09-18 The World Today Series The Middle East and South Asia More than a quarter of the world s population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about

the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments
