Regions And Development Politics Security And Economics:

Regions and Development Sheila Page,2020-12-14 At the 1996 EADI Conference the papers presented in the World Trade and Trade Policy workshop looked at the new trends in regionalism from a variety of points of view for different institutions They considered the effects of regions their implications for policy and performance in the developing countries and for international economic institutions and tried to interpret them in terms of economic and political theory **Regions and Development** Sheila Page,2020-12-15 At the 1996 EADI Conference the papers presented in the World Trade and Trade Policy workshop looked at the new trends in regionalism from a variety of points of view for different institutions They considered the effects of regions their implications for policy and performance in the developing countries and for international economic institutions and tried to interpret them in terms of economic and political theory **Annual Report on the Development of the Indian Ocean Region (2018)** Cuiping Zhu,2019-06-11 The report was written by senior scholars of international studies and Indian Ocean studies and focuses on international relations in Indian Ocean region and covers many aspects of Indo Pacific The report includes both strategic review and major events and related data in this region This book also includes the origin the aims frameworks and regional and global impact of Indo Pacific The book includes the authors from 5 different institutes in China which provide readers with a full and authentic picture of Indo Pacific most recent development This year s Annual Report is the Sixth of this kind and the only one which covers exclusive on the Indian Ocean region in China Regional Community Building in East Asia Lee Lai To,Zarina Othman,2016-09-01 This volume is a collection of papers written by nationals or former nationals of the respective country in ASEAN and Northeast Asia Unlike other works written by scholars outside ASEAN or East Asia it offers an insider s point of view of the 10 ASEAN states China Japan and South Korea on regional community building While a nationalist perspective may permeate throughout the study it is also clear that pursuing regional cooperation is considered to be important by the respective author denoting the non exclusivity between nationalism and regionalism and the mutual reinforcement of the two Each author of this volume has made a deliberate effort to introduce and survey the developmental challenges and experiences of his or her country from a historical perspective All authors without exception have emphasized the importance and advantages in staying with ASEAN or linking up with ASEAN by China Japan and South Korea in political security economic and socio cultural terms Their papers also reveal that the self help and self strengthening mechanism emphasized by the ASEAN Plus Three process will take time to bear fruits In the meantime it seems that bilateral interactions and cooperation between ASEAN and Northeast Asian states remain to be more dominant as shown in this study One can argue that bilateral interactions are the building block of multilateralism interactions To be sure there is a deliberate effort in this study to highlight unity in diversity in East Asia in general and ASEAN in particular The Economics of Regional Security Jurgen Brauer,Keith Hartley,2013-03-07 This important book explores the threats and challenges to regional security for Nato in the

Mediterranean and in the sub Saharan countries namely southern Africa Written and edited by leading researchers the volume s significance lies in its demonstration of how concepts from economics and other social science disciplines can be applied to important issues of defence conflict and peace at the regional level

Striving For Peace, Security And Development In The World: Annals Of Pugwash 1991 Joseph Rotblat,1993-03-24 The momentous events of the past year have changed the political face of the globe the ideological struggle that dominated the world for most of this century is over erstwhile mortal enemies have become friends and partners But old attitudes have survived and modern weapons are in abundance New foci of conflict have emerged military confrontations are taking place the world is still in turmoil The welcome deep cuts in nuclear weapons have still left thousands of warheads in the arsenals and the spread of these weapons to new states would further increase the danger of a nuclear confrontation The release of the pressure pent up under oppressive regimes created a powerful drive for independence often achieved only after bloody wars Many of the new states are economically non viable poverty and famine are frequent adjuncts of independence If military conflicts are to be avoided a comprehensive strategy must be formulated to improve the standards of living in the developing countries and enhance their security A strategy is also needed to protect the environment from the effects of further industrialization and greater use of energy What is needed is a concept of a sustainable equitable and liveable world for all its inhabitants All these problems were analysed by scientists and scholars who met at a Pugwash Conference The arguments used by them and the proposed solutions are presented in this book under six themes World Peace Nuclear Disarmament Issues Arms Control Security in the Asia Pacific Region Development Strategies and World Economic Order Energy and the Environment

The Politics of Economic Regionalism David Francis,2017-11-01 This title was first published in 2001 The primary objective of this book is to provide an analytical understanding of the nature dynamics and complexity of the politics of economic regionalism through the prism of Sierra Leone in the Economic Community of

West African States ECOWAS The book also discusses the following issues the evolution of economic regionalism in West Africa and the conceptual framework for analysis the expansion of the economic regionalism developments within the West Africa sub region with that of the transformation of the global economy and international political system political economic and security developments within ECOWAS and the civil war in Sierra Leone International Security and Economic Cooperation Program FY 1983 ,1982 *Regionalism, Security and Development in Africa* Ernest Tooche Aniche,Ikenna Mike Alumona,Inocent Moyo,2021-04-29 This book charts the history and contemporary landscape of African regionalism investigating how regional cooperation can be used to help to tackle security and development challenges in Africa Africa has a long tradition of regional cooperation with the oldest trade and monetary integration schemes in the developing world but its colonial period and partition of have caused lasting damage that still be seen in today s African economies Contemporary post colonial African regionalism deeply rooted in notions of pan Africanism has served as a means of collective self reliance and economic transformation and development This book starts with the history and theory behind African regionalism before discussing and comparing regional organisations such as the Economic Community of Central African States ECCAS the Economic Community of West African States ECOWAS the Community of Sahel Saharan States CEN SAD Southern African Development Community SADC the Common Market for Eastern and Southern Africa COMESA and the East African Community EAC Finally the book considers how regional integration and cooperation can help to address security and development challenges This ambitious and broad ranging book will be a valuable resource for researchers working on African regionalism security African integration and development and comparative regionalism Policymakers should also consider it a useful guide to the background and contemporary landscape of African regionalism **The Political Economy of Asian Regionalism** Giovanni Capannelli,Masahiro Kawai,2014-01-23 This book contributes to the theoretical and empirical literature on Asian regionalism with a focus on the innovations needed to reform the current institutional architecture in Asia After reviewing the key issues and challenges related to the political economy of Asia s economic cooperation and integration the book discusses various aspects of regionalism from political and economic perspectives It looks at the rationale for regional collective action and reviews the trend of economic integration with a focus on the implications of the global financial crisis In addition to reviewing the key issues related to the development of regional institutions for integration the book analyzes issues such as trade and finance and deals with the implications of regionalism in terms of the introduction of domestic reforms in Asian countries before discussing the possible formation of a region wide economic community The eight chapters of the book are based on respective papers initially prepared for the Asian Development Bank Institute Conference 2010 **Security and Cross-Border Cooperation in the EU, the Black Sea Region and Southern Caucasus** A. Ergun,H. Isaxanli,2013-02-28 Cross border cooperation is vital to overcoming obstacles to security building and the consolidation of stability particularly in regions prone to political upheaval and conflict This book

presents papers from the NATO Advanced Research Workshop entitled Security and Cross Border Cooperation in the EU Black Sea Region and Southern Caucasus This workshop was part of the NATO Science for Peace and Security Programme and was held in Ankara Turkey in September 2011 It focused on developing a future research agenda strengthening regional studies and increasing interdisciplinarity and the means to improve cross border cooperation and was aimed at providing a comprehensive interactive and interdisciplinary account of security building and cross border cooperation in which domestic regional and international dimensions were discussed The book is divided into three sections The first provides an analysis of the role of international and domestic actors in contributing to security building in the Euro Atlantic the Black Sea and the Southern Caucasus regions The second section discusses the patterns of cross border cooperation in Eastern and Central Europe and the wider Black Sea region concentrating on Romania Moldova Ukraine Georgia and the Russian Federation With references to the nature of international involvement in conflict resolution the last section focuses on cross border cooperation in the Southern Caucasus where conflicts have an enormous impact on nation building state building and democratization and where prospects for stability and a viable peace remain in serious question This book is a valuable contribution to the literature on area studies cross border cooperation security and peace studies *Handbook of Economic Development* Kuo-Tsai Liou, 1998-06-25 Featuring over 1900 references drawings and tables and drawing on disciplines as diverse as political economics public management and urban affairs this versatile text offers comprehensive information on major policy and managerial issues important to local and national economic development Pulling together the work of over 40 researchers the book examines the role of government in economic advances and reform provides a complete up to date survey of the literature on local and national economic development details local and regional economic progress in the US adopts an innovative interdisciplinary approach to the study of economic expansion and more Contemporary South Africa and the Political Economy of Regional Development Methembe Mdlalose, Isaac Khambule, Nene Ernest Khalema, 2025-02-21 South Africa's struggle in balancing its domestic needs while playing a dynamic developmental role in the African region and global context exposes a complex web of relations shaped by its geostrategic location on the continent and the world and the staggering legacies of colonialism and apartheid As such understanding the complexities of the global economy and of South Africa's place in it is of great importance This book builds upon an existing body of literature which has demonstrated that while the post apartheid South African state has recast its nation building goals with advances having been made notably in the area of a stellar post apartheid constitution policy directives and democratic political integration economic integration and policy implementation presents a projection of captured interests where big business concerns are entrenched in the post apartheid state's apparent neo liberal turn The main focus of the book is to contextualise issues relating to three main trends in global discourses on development which are significant for South Africa and indeed for the study of the political economy of regional development in the country from the prism of South Africa as a global capitalist state These trends

include the impact of globalisation regionalisation and the marginalisation of South Africa and indeed the African continent in the global economy thus unpacking the possible role that South Africa might play in regional development This volume will be a valuable resource to academics researchers and students in the fields of regional studies economics and political theory as well as policymakers planners and local economic development practitioners

Contemporary Regional Development in Africa Kobena T. Hanson, 2016-03-09 Contemporary Regional Development in Africa interrogates well known concerns in the areas of regionalism and economic integration in contemporary Africa while offering an added uniqueness by highlighting the capacity imperatives of the issues and proposing critical policy guideposts The volume juxtaposes a set of dynamic entanglements new and micro regionalism informal cross border trade intra African and African FDI plus cross border investments infrastructure development science and technology regional value chains conflict management and regional security with fluid interpretations of regional development The chapters provide snapshots of the several emerging and complex regionalisms and highlight a set of relevant and often overlapping analyses drawing on authors nuanced and granular understanding of the African landscape The varied yet interlinked nature of issues covered in this study make the book valuable and attractive to academics researchers policymakers and development practitioners

ASEAN Law and Regional Integration Diane A Desierto, David J Cohen, 2020-12-29 Since the passage of the ASEAN Charter in 2008 ASEAN has transformed itself from a loose economic cooperation into a formal intergovernmental organization designed to create an ASEAN Community forged together in three pillar communities the ASEAN Political Security Community ASEAN Economic Community and tASEAN Socio Cultural Community Forty years of pre Charter ASEAN practices coupled with over ten years of post Charter ASEAN practices thus far has witnessed the conclusion of hundreds of legally binding regional treaties and similarly binding international instruments in all areas of economic political security and socio cultural concerns for Southeast Asia to achieve ASEAN's rule of law based development objective Pre Charter and post Charter ASEAN Law is variably implemented under a hybrid governance system that depends heavily on ASEAN Member State national implementation alongside ASEAN's evolving regional institutions The result is not a model of deep integration as in the case of the European Union but a particular paradigm of horizontal embeddedness of ASEAN Law in all its norms and operational practices contingent on the capacities and compliance of national government bureaucracies in Southeast Asia This edited collection is a concise authoritative volume covering the practical doctrinal legal and policy aspects of the new regime of ASEAN Law and its consequences for realizing rule of law based development in Southeast Asia's emerging single market and production base Drawing together contributions from a range of key thinkers in the field the editors present the legal and policy making issues implicated in the practical implementation of Southeast Asia's single market and its regime for the free movement of goods services foreign investment and cross border labor The book also examines the nature of regional law making under ASEAN before and after the commencement of regional integration in 2015 the nature of ASEAN's

economic regulators as well as the evolving structure for enforcement and harmonization of ASEAN Law through the array of Southeast Asian national courts arbitral tribunals and incipient mechanisms for inter State intra regional and individual State conflict management and dispute resolution This book is highly relevant to students scholars and policy makers with an interest in ASEAN Law and regional policy and to Southeast Asian studies in general *Small States and Hegemonic Competition in Southeast Asia* Chih-Mao Tang, 2018-03-20 In the last few decades Southeast Asia has become generally more peaceful and more prosperous with progress in economic development regional cooperation and integration ASEAN in particular plays a leading role within and beyond the region in promoting multilateral cooperation in both security and economic matters All these developments progress amid increasing hegemonic competition between the US and China for regional dominance in the Asia Pacific region According to the realist viewpoint of international politics Southeast Asian states can do nothing but choose sides at the expense of international political autonomy in order to maintain their national interests Tang argues however that in fact there exists an opportunity for Southeast Asian states to simultaneously reinforce their military security economic development and international political autonomy in face of the US China hegemonic competition Drawing on the ideas of power transition theory and recent works of capitalist peace Tang argues that small states can exploit the competition between great powers to make economic gains and ensure security while maintaining their autonomy He outlines the necessity of cooperation among these small states and of economic liberalization for the effectiveness of this reinforcing dynamics applying policy and econometric analyses to a wide range of qualitative and quantitative data **China's New Governing Party Paradigm** Mr Timothy R. Heath, 2014-12-28 For the first time since its founding in 1921 the Chinese Communist Party CCP has adopted a new paradigm for its role in China Abandoning its former identity as a revolutionary party the CCP now regards itself as a governing party committed to meeting the diverse needs of its people and realizing China's revitalization as a great power To enhance its ability to realize these aims the CCP has enacted extensive political and ideological reforms Central to that effort are changes to how the party develops and oversees strategy and policy Few studies are available on the CCP's adoption of this new identity and of its political implications This book remedies that oversight by explaining the historic context drivers and meaning of the governing party paradigm It explains how adoption of this paradigm is transforming the processes through which the CCP develops strategy and policy Furthermore it differs from many other books in that it is the first to derive its analysis primarily from the study of authoritative Chinese sources The book also provides an extensive array of helpful references including chronologies lists of major strategy documents a glossary and more Accurately understanding the CCP's new role as a governing party requires a firm grasp of how China's leadership formulates documents and implements strategies and policies to improve its governance and further the nation's rejuvenation This book provides such valuable information in one handy volume
