Reign Of Ideology:

The Reign of Adad-nīrārī III Luis Robert Siddall,2013-07-11 In The Reign of Adad n r r III Luis Siddall examines the evidence and edits new inscriptions from the king s reign to investigate the chronology campaigns imperial administration and royal ideology of the period While historians have typically viewed this period as one of turmoil imperial recession political weakness and decentralisation Siddall shows that Adad n r r s reign marked a period of imperial stability chiefly through changes to the administration However while politically successful the imperial policy affected the king s ideological expression particularly in terms of the description of the campaigns in Adad n r r s inscriptions and his limited use of royal titles Scholars working on the Neo Assyrian period cannot afford to miss Siddall s fresh assessment of the evidence for Adad nirari s reign He offers a re evaluation of several texts but perhaps more importantly he proposes a few methodological innovations that shed new light on the history of Assyria in the 9th century Bill T Arnold Asbury Theological Seminary

The Characterization of an Empire Mary Katherine Yem Hing Hom, 2018-07-06 Assyria the missing link in the superpower oppressor type in the Hebrew Bible Old Testament still suffers from modern scholarly neglect The Characterization of an Empire aims to alleviate this neglect while also elucidating the historical biblical books that convey characterizations of Assyrians The narratological insights gained throughout this study contribute to biblical literary studies at rigorous detailed sometimes deep and sometimes complex levels. Thus this book offers to be not only a contribution to the general corpus of biblical literary studies but also an expansion of our paradigms regarding the detail depth and complexity at which narratological intention and artistry function in the biblical text John II Komnenos, Emperor of Byzantium Alessandra Bucossi, Alex Rodriguez Suarez, 2016-06-03 The Emperor John II Komnenos 1118 1143 has been overshadowed by both his father Alexios I and his son Manuel I Written sources have not left us much evidence regarding his reign although authors agree that he was an excellent emperor However the period witnessed territorial expansion in Asia Minor as well as the construction of the most important monastic complex of twelfth century Constantinople What else do we know about John s rule and its period This volume opens up new perspectives on John s reign and clearly demonstrates that many innovations generally attributed to the genius of Manuel Komnenos had already been fostered during the reign of the second great Komnenos Leading experts on twelfth century Byzantium Jeffreys Magdalino Ousterhout are joined by representatives of a new generation of Byzantinists to produce a timely and invaluable study of the unjustly neglected figure of John Komnenos

story of how the Jalayirids came to power is illustrative of the political dynamics that shaped much of the Mongol and post Mongol period in the Middle East The Jalayirid sultans sought to preserve the social and political order of the Ilkhanate while claiming that they were the rightful heirs to the rulership of that order Central to the Jalayirids claims to the legacy of the Ilkhanate was their attempt to control the Ilkhanid heartland of Azarbayjan and its major city Tabriz Control of Azarbayjan meant control of a network of long distance trade between China and the Latin West which continued to be a source of economic prosperity through the 8th 14th century Azarbayjan also represented the center of Ilkhanid court life whether in the migration of the mobile court camp of the ruler or in the complexes of palatial religious and civic buildings constructed around the city of Tabriz by members of the Ilkhanid royal family as well as by members of the military and administrative North Korea: The Politics of Regime Survival Young Whan Kihl, Hong Nack Kim, 2014-12-18 Featuring elite contributions by some of the leading experts in Korean studies this book examines the political content of Kim Jong Il s regime maintenance including both the domestic strategy for regime survival and North Korea's foreign relations with South Korea Russia China Japan and the United States It considers how and why the Democratic People's Republic of Korea DPRK became a hermit kingdom in the name of Juche self reliance ideology and the potential for the barriers of isolationism to endure This up to date analysis of the DPRK's domestic and external policy linkages also includes a discussion of the ongoing North Korean nuclear standoff in the region The Mission Driven Parish Patrick J. Brennan, 2007-01-01 A pastor of one of the most vibrant parishes in the United States inspires and challenges all Catholics to renew the church from where they are Fr Brennan offers fresh ideas on empowerment of the laity evangelization governance mercy and justice youth and young adults worship and much more The Justices of the Peace 1679 - 1760 Norma Landau, 2023-11-10 In the eighteenth century the justices of the peace governed England While Parliament debated guestions of trade taxation and foreign policy the justices administered England's internal affairs So powerful were the later Stuart and early Hanoverian justices that they were virtually independent and it is their independence which makes them fascinating Neither the central government nor Parliament told them what to do closely supervised their activity or even insured that they at at all What tid the justices choose to do In what manner did they do it why indeed did they assume the burdens of local government Norma Landau examines the office of justice of the peace from the viewpoint of the justices themselves delineating those ideals and inducements inherent in local government which prompted the English elite to assume their distinctive role as paternal rulers Through analysis of the appointment of justices the political and social composition of the bench the institutions of local government the justices administrative and judicial activities and manuals written for justices this study traces the evolution of the elite's conduct of government an dof their concept of their relation to those they governed Through analysis of the appointment of justices the political and social composition of the bench the institutions of local government the justices administrative and judicial activities and manuals written for justices this study traces the evolution of the elite s

conduct of government and of their concept of their relation to those they governed Because the justices were so important discussion of their role touches upon some of the major debates in current historiography the debate on the nature of politics on the relation of rulers to the governed in a deferential society on the definition of the elite in early modern society on the course of of administrative development and on the relation of law to images of authority This portrait of the justices illuminates a crucial stage in the tranformation of England's rulers from local patriarchs to administrators for the nation This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984 **Žižek and Freedom** Bradley Kaye, 2023-11-03 This book is an exploration of i ek s theory of freedom By examining key passages in i ek s work the aim is to provide a functional serviceable philosophy of power and ideology and show how this philosophy of power relates to freedom Although some like Noam Chomsky have criticized i ek s work as having no guiding principles it is suggested that this misses the fact that i ek s philosophy utilizes a dialectical methodology that often appears contradictory Though a highly astute reader with a background in the philosophical texts he frequently cites the German Idealists Freud and modern philosophers it becomes clear that there is a uniquely Zizekian The Fate of Saul's Progeny in the Reign of David philosophy that mobilizes a radical hermeneutics of freedom Cephas TA Tushima, 2012-06-28 This narrative critical study offers a bold and comprehensive analysis of the relationship between David and Saul's heirs Tushima inquires into whether Saulides tragedies were due to continuing divine retribution pure happenstance or David orchestration Focusing on the story of David and its interconnections with the fate of the Saulides and employing the criterion of justice the author presents the other side of King David who is generally depicted as hero Tushima argues that David was most often unjust and calculating in his dealings with the vanguished house of Saule Thematic and motific threads arising from this study are considered within their contexts in Israel's traditions for their biblical theological and redemptive historical import From Beijing to Port Moresby Virginia Domingues, David Wu,2014-01-02 Essays in this volume focus on Singapore Papua New Guinea Taiwan Japan Thailand and the People's Republic of China as sites rife with discursive complexity From small to large young to old former colony to former colonial power these six examples do well to represent situated voices and cultural values meted out in a larger global space The Reign of Constantius II Nicholas Baker-Brian, 2022-07-15 Constantius II son of Constantine the Great ruled the Roman Empire between 337 and 361 CE Constantius reign is characterised by a series of political and cultural upheavals and is rightly viewed as a time of significant change in the history of the fourth century Constantius initially shared power with his brothers Constantine II and Constans but this arrangement lasted a short period of time before Constantine II was killed in a contest over authority by Constans Further threats to the stability of the empire arose with the usurpation of the ambitious

Roman general Magnentius between 350 and 353 and additional episodes of imperial instability occurred as Constantius relations with his junior Caesars Gallus and Julian deteriorated the latter to the point where civil war would have been on the cards once again if Constantius had not died on 3 November 361 This book examines the dynastic political and cultural impact of Constantius reign as a member of the Constantinian family on the later empire first as a joint ruler with his brothers and then as sole Augustus The chapters investigate the involvement of Constantius in the imperial administrative legal religious and cultural life of the Roman Empire in the fourth century Constantius handling of various threats to Roman hegemony such as the ambitions of the neighbouring Sasanian Empire and his relationships with Gallus and with Julian are explored The book s analysis is guided by the epigraphic iconographic literary and legal evidence of the Roman and Byzantine periods but it is not a conventional imperial biography Rather it examines the figure of Constantius in light of the numerous historiographical issues surrounding his memorialisation in the historical and literary sources for instance as Arian tyrant or as internecine murderer The over arching aim is to investigate power in the post Constantine period and the way in which imperial and episcopal networks related to one another with the ambition of participating in the exercise of power The Reign of Constantius II will appeal to those interested in the Later Roman Empire the Constantinian imperial family Roman Sasanian relations and the role of religion in shaping imperial dynamics with Christianity Hermeneutics and the Human Sciences Paul Ricoeur, 2016-08-26 Collected and translated by John B Thompson this collection of essays by Paul Ricoeur includes many that had never appeared in English before the volume s publication in 1981 As comprehensive as it is illuminating this lucid introduction to Ricoeur s prolific contributions to sociological theory features his more recent writings on the history of hermeneutics its central themes and issues his own constructive position and its implications for sociology psychoanalysis and history Presented in a fresh twenty first century series livery and including a specially commissioned preface written by Charles Taylor illuminating its enduring importance and relevance to philosophical enquiry this classic work has been revived for a new generation of readers Nationalism and Hindutva Mark T. B. Laing, 2005 The Rise of the Chinese Empire: Nation, state, & imperialism in early China, ca. 1600 B.C.-A.D. 8 Chun-shu Chang, 2007 A comprehensive reconstruction of ancient and early Imperial Chinese history based on literary and archaeological texts and over 60 000 Han time documents on bamboo wood and silk The Levites and the Boundaries of Israelite Identity Mark Leuchter, 2017 The Levites and the Boundaries of Israelite Identity brings renewed attention to the place of the Levites in the definition of Israelite concepts and myths of identity from the early Iron Age through the late Persian period Towards a Socioanalysis of Money, Finance and Capitalism Susan Long, Burkard Sievers, 2013-06-17 The current global financial crisis has raised awareness of the impact the world of finance has on the economy and the future of democracy Following the crisis this book aims at a deep understanding of the human psycho social dynamics beneath the surface of the financial industry its markets and institutions It seeks to understand why the seemingly rational world of economic behavior with its calculated

models and predictions at times goes horribly wrong This book uses the discipline of socio analysis to explore the meaning of money markets and the broad financial world that so strongly affects our daily lives Socio analysis contributes to an awareness and understanding of underlying unconscious desires fantasies and illusions that bring about the irrational inflation of faith and trust in the world of money finance and capital ism The insight that the financial crisis was essentially psychological in origin Robert Shiller and that the world of finance is broadly shaped if not determined by irrational often unconscious factors is not yet broadly shared This book appears to be one of the first if not the first contribution that explicitly focuses on what is beneath the surface of money finance and capital It invites the reader to explore the financial world in depth The aim of this book is to provide businesses organizational consultants students researchers and interested persons more broadly with a detailed exploration of the psycho social dynamics of the financial industry as it exists currently within the capitalist system The contributors to this book come from Australia Denmark France Germany Hungary Sweden The Netherlands UK and USA The Early Seleukids, their Gods and their Coins Kyle Erickson, 2018-11-12 Before Alexander the Near East was ruled by dynasts who could draw on the significant resources and power base of their homeland but this was not the case for the Seleukids who never controlled their original homeland of Macedon The Early Seleukids their Gods and their Coins argues that rather than projecting an imperialistic Greek image of rule the Seleukid kings deliberately produced images that represented their personal power and that were comprehensible to the majority of their subjects within their own cultural traditions These images relied heavily on the syncretism between Greek and local gods in particular their ancestor Apollo The Early Seleukids their Gods and their Coins examines how the Seleukids from Seleukos I to Antiochos IV used coinage to propagandise their governing ideology It offers a valuable resource to students of the Seleukids and of Hellenistic kingship more broadly numismatics and the interplay of ancient Greek religion and politics

Royal Ideologies in the Book of Revelation Justin P. Jeffcoat Schedtler,2023-07-06 Studies of the Apocalypse have long neglected the royal and messianic dimensions of its portrait of the Lamb In this volume Justin P Jeffcoat Schedtler offers new insights on this topic arguing that royal and messianic ideologies and discourses are not merely evident in the book of Revelation but also constitute one of its primary organizing principles Moreover they shape Revelation's Christology Schedtler explores ideologies of kingship in the ancient Greek and Roman world as well as Second Temple Judaism Making previously unexplored connections in Revelations ideological portrait of the Lamb he shows that the portrayal of Jesus as God's chosen viceregent offers new insights into several of the central Christological tenets in the text They include the Lamb's reception of the scroll to rule on God's behalf his place on a heavenly throne the many benefactions he offers to those who remain faithful to him and the hymnic praise he receives in response

The Russian Empire in the Eighteenth Century:
Tradition and Modernization Aleksandr Kamenskii, David Griffiths, 2015-03-04 Russia's 18th century drive toward modernity and empire under the two greats Peter I and Catherine II is captured in this work by one of Russia's outstanding

young historians The author develops three themes Russia s relationship to the West the transformation of Holy Russia into a multinational empire and the effects of efforts to modernize Russia selectively along Western lines Writing in a clear crisp style Kamenskii enlivens the narrative with observations from contemporary literary figures and political commentators that point up the lasting significance of the events he describes

Reign Of Ideology Introduction

In todays digital age, the availability of Reign Of Ideology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reign Of Ideology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reign Of Ideology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Reign Of Ideology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reign Of Ideology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reign Of Ideology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reign Of Ideology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reign Of Ideology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an everexpanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reign Of Ideology books and manuals for download and embark on your journey of knowledge?
