to become the sons of God who are the same as God in life and nature to be the members of the Body of Christ God sent His Son in the likeness of the flesh of sin and condemned sin in the flesh so that the sinners serpentine beings children of the devil could be reconciled to God and justified by Him in order to receive eternal life and thus become children of God 8 3 16 Jesus Christ our Lord who came out of the seed of David according to the flesh was designated the Son of God in power according to the Spirit of holiness out of the resurrection of the dead 1 3 4 The firstborn Son of God the first God man is the prototype for the production of the many sons the many God men who as members of the Body of Christ are exactly the same as the firstborn Son in life nature and expression 8 14 29 The prototype the firstborn Son of God is in our spirit as the law of the Spirit of life v 2 His main function as the law of the Spirit of life is to shape us to conform us into His image as the firstborn Son of God so that we may become His corporate expression The law of life also functions to constitute us the members of the Body of Christ with all kinds of functions The purpose of God s salvation is to have Christ reproduced in millions of believers so that they may become the members of His Body 12 4 5 Through God s organic salvation carried out by the divine dispensing of the Triune God as life to the tripartite man the children of God are growing in life to become sons of God led by the Spirit The sons of God the many brothers of Christ as the firstborn Son of God are the members of the Body of Christ In order to live in the law of the Spirit of life we need to activate this law within us Loving the Lord with the first love is the first requirement for the law of the Spirit of life to be activated within us We need to love the Lord with the first love the best love which is to give the Lord the preeminence the first place in all things being constrained by His love to regard and take Him as everything in our life To love the Lord with the first love is to have a personal affectionate private and spiritual relationship with the Lord When we contact this lovely and loving person He will infuse us with Himself as love and He will produce in us the love with which we can love Him Love is the most excellent way for us to be anything or do anything for the building up of the church as the organic Body of Christ Taking heed to the inner sense of the spirit is the second requirement for the law of the Spirit of life to be activated within us The secret of our Christian life that we all must learn is found in Romans 8 6 which is the most important verse in the Bible related to our spiritual experience of Christ as the law of the Spirit of life the mind set on the flesh is death but the mind set on the spirit is life and peace To set the mind on the flesh means to take sides with the flesh to cooperate with the flesh and to stand with the flesh to set the mind on the spirit is to take heed to the spirit to take sides with the spirit to cooperate with the spirit and to stand with the spirit that is to pay attention to our spirit We need to heed this inner sense of life and peace in the spirit The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
