Is Reincarnation an Illusion? Geoff Cutler,2011-07-11 This book is a tour through most of the significant spiritualist literature from the last 100 years It also includes a significant amount of material that is not well known even though it has been around a long time This

book covers Eastern beliefs The Bible Where is the mind Past Life Memories Past Life researcher Ian Stevenson The Law of Attraction Trying to Reincarnate The soul and the spirit body Sleeping Survivors Non survivors of death Hell Getting out of Hell Progress in spirit Hearing from famous spirits Soul Progression the perfect Guide What really happens after death Please note this book contains all of the content from the separate publication entitled Getting the hell Out of Here This is the Third Edition

The Encyclopedic Sourcebook of New Age Religions James R. Lewis, 2004-08-30 In the late 1980s the New Age movement became the focus of both media attention and widespread ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing briefly piqued the public's curiosity While the movement was at its height scholars of religion generally sneered at what was perceived to be a daffy shallow craze and ignored it as a subject of serious study Professor James R Lewis was among the first to examine this growing religious phenomenon scientifically In previous books he has investigated the New Age as the most visible manifestation of a significant spiritual subculture the roots of which reach back to Theosophy Spiritualism and New Thought The present collection pursues this theme bringing together some of the best recent scholarship on new religions Since the height of its popular influence the New Age has declined in strength but has given rise to a plethora of new denominations all shaped by New Age ideas and spirituality Reflecting the emergence of this new denominational structure the core chapters of this book focus on specific groups Other chapters examine the movement's historical roots A unique feature of Dr Lewis's work is his inclusion of extensive selections from New Age literature thus allowing readers to experience firsthand the unusual perspectives of the various groups This is a fascinating examination of a significant and persistent religious and social phenomenon

[The Zen of Living and Dying](#) Philip Kapleau, 1998-04-14 To live life fully and die serenely surely we all share these goals so inextricably entwined Yet a spiritual dimension is too often lacking in the attitudes circumstances and rites of death in modern society Kapleau explores the subject of death and dying on a deeply personal level interweaving the writings of Western religions with insights from his own Zen practice and offers practical advice for the dying and their families

Immortal Remains Stephen E. Braude, 2003-04-16 Do you believe in ghosts Chances are you're either too willing or not willing enough to believe that personal consciousness survives after bodily death Some underestimate the evidence for life after death not realizing how impressive the most convincing cases are Others overestimate it rejecting alternative explanations too readily In fact several non survivalist explanations hidden or latent linguistic or artistic talents extreme memory even psychic abilities are as interesting as the hypothesis of survival and may be more plausible than their critics realize *Immortal Remains* takes a fresh look at some of the most puzzling cases suggesting life after death and considers how to tell evidence for an afterlife from evidence for exotic things including psychic things done by the living Author Stephen E Braude who has done extensive research in parapsychology and dissociation explores previously ignored issues about dissociation creativity linguistic skills

and the nature and limits of human abilities He concludes that we have some reason finally for believing in life after death

Your Destiny and Scientific Hand Analysis Yaschpaul,1996 This book is designed to convince the healthy and scientific minded sceptic that hand analysis is a science worthy of serious consideration The laws of scientific hand analysis are presented here in a very simple manner and are amply illustrated by diagrams This book is also intended for those who do not have the faintest concept of what hand analysis or astrology is all about so that no previous knowledge is required for its understanding At the same time the subject of hand analysis has been comprehensively emphasized As such this book will be of interest to professional astrologers In many Eastern countries leading astrologers have a good knowledge of hand analysis Where the horoscope does not give clear guidance on a particular aspect they consult the palms in order to obtain clarification The ideas put forward in this book are based on the Indian Western and Egyptian schools of hand analysis although the Indian system has been used the most The scientific rationale behind the wearing of particular gems in order to ward off evil planetary influences is also succinctly described Above all this is meant to be an eminently straightforward and practical work The sceptic has only to study his own palms to be pleasantly surprised at how accurately hand analysis reveals his own particular case
