Reinventing The Male Homosexual The Rhetoric And Power Of The Gay Gene

Randall Lake

Reinventing The Male Homosexual The Rhetoric And Power Of The Gay Gene:

Reinventing the Male Homosexual Robert Alan Brookey, 2002-03-15 Reinventing the Male Homosexual The Rhetoric and Power of the Gay Gene examines the assumption that embracing the biological research on homosexuality is a viable political strategy for the gay rights movement The biological argument for gay rights is treated as a bio rhetoric a means of incorporating scientific research into public debates The book investigates the biological research on which this gay rights argument is based and explores how male homosexuality is conceptualized in the fields of behavioral genetics neuroendocrinology sociobiology and evolutionary psychology Robert Alan Brookey demonstrates that most biological research begins with the assumption that male homosexuality is a state of physical effeminate pathology Although biological research may seem to support a pro gay rights agenda the same research can actually be used to support conservative political interests

Body Talk Jacquelyn N. Zita, 1998 In this book Jacquelyn N Zita questions the assumptions of heterosexual society queer theory postmodernism and lesbian feminism in order to investigate the relationship between power knowledge identity formation and the body

Raising Boys Without Men Peggy Drexler, Linden Gross, 2005-08-20 A research psychologist offers an incisive study of boys raised in female headed households without a male role model in the house arguing that such young men grow up more empathetic and well rounded than those in traditional mother father families and offers a definitive blueprint for raising happier healthier sons 30 000 first printing

Jack Nichols, Gay Pioneer J. Louis Campbell III, 2012-12-06 One of the founders of the gay and lesbian liberation movement Jack Nichols was a warrior for gay equality Recounting his life and work Jack Nichols Gay Pioneer Have You Heard My Message skillfully weaves the story of a man a movement and a moment that shaped gay and lesbian history This powerful biography captures the wisdom passion and spirit of a prolific activist and inspirational human being who refused to be silent in a society that considered homosexuality to be sinful and criminal As a journalist activist and editor of the first gay weekly newspaper in the United States Jack Nichols left a legacy of gay rights gay pride and tremendous courage Covering episodes before and after Stonewall during the AIDS epidemic and beyond Jack Nichols Gay Pioneer charts the life of this pivotal figure from his childhood in the suburbs of Washington DC to his final impassioned days in a Florida cancer treatment center in 2005 This book also explores Nichols family history and its unique influence on his activist tendencies as well as his revolutionary relationship with Lige Clark and their status as the most famous homosexuals in America Thoughtful and moving Jack Nichols Gay Pioneer also includes the ideas Nichols used to bring the movement to critical mass and the sources that were influential to his work Some of the topics detailed in this book are the early influence of Burns and Whitman on the homosexual movement the integration of androgyny and anarchism into his activist philosophy his attack on the psychiatric establishment s theory of homosexuality as a sickness and his work and vision in men s liberation Jack Nichols Gay Pioneer Have You Heard My Message offers a compelling look at the man and the movement as well as a wealth of hard to find summaries on

underground gay journalism detailed references personal photographs and a complete bibliography of Nichols's major writings This book is an indispensable resource for anyone interested in the history and future of LGBT movements as well as students educators and researchers seeking a comprehensive and thorough treatment of this revolutionary figure

Understanding Narrative Identity Through Lesbian and Gay Youth Edmund Coleman-Fountain, 2014-07-23 This book contests the idea that lesbian and gay categories are disappearing and that sexuality is becoming fluid by showing how young people use them in a world in which heterosexuality is privileged Exploring identity making the book shows how old modernist stories of sexual being entwine with narratives of normality **boneyard** Stephen Beachy, 2011-10-11 Jake Yoder a precocious boy caught between Amish culture and the modern world sits in his sixth grade classroom writing stories at the behest of a stern but charismatic teacher Jake's stories feature children who are crushed imprisoned and distorted yet somehow flailing around with a kind of bedazzled awe trying to find a way out His characters wander through Amish farms one room schoolhouses South American plains mental institutions exotic cities and prisons his haunting beautiful sentences seem constructed to the beat of an obsessive internal rhythm The strange logic and disturbing shifts in Jake's tales reveal a young boy processing intense emotional experiences in the wake of his mother's suicide and his own proximity to the schoolroom shootings at Nickel Mines Pennsylvania in 2006 Jake imagines fantastic journeys magical transformations and rock stardom as alternatives it seems to his own grim reality and the limitations of his life among the Amish Stephen Beachy frames Jake's work with commentary from both himself and editor Judith Owsley Brown in which they offer their very different views on Amish culture literary context the use of psychoactive medications for children Stephen's own mental health and the reality of Jake Yoder's unverified existence **The Tolerance Trap** Suzanna Danuta Walters, 2016-06-07 From Glee to gay marriage from lesbian senators to out gay Marines we have undoubtedly experienced a seismic shift in attitudes about gays in American politics and culture Our reigning national story is that a new era of rainbow acceptance is at hand But dig a bit deeper and this seemingly brave new gay world is disappointing For all of the undeniable changes author Walters argues the plea for tolerance has sabotaged the full integration of gays into American life Same sex marriage is unrecognized and unpopular in the vast majority of states hate crimes proliferate and even in the much vaunted gay friendly world of Hollywood and celebrity culture precious few stars are openly gay She maintains that we are not almost there but on the contrary have settled for a watered down goal of tolerance rather than a robust claim to full civil rights After all one tolerates unpleasant realities medicine with strong side effects a long commute an annoying relative Tolerance is not the end goal but a dead end From publisher description The SAGE Handbook of Gender and Communication Bonnie J. Dow, Julia T. Wood, 2006-07-19 Publisher Description **Ethics, Sexual Orientation, and Choices about Children** Timothy F. Murphy, 2012 A critical review of the debate over the still hypothetical possibility of prenatal intervention by parents to select the sexual orientation of their children Parents routinely turn to prenatal testing to screen for genetic or

chromosomal disorders or to learn their child's sex. What if they could use similar prenatal interventions to learn or change their child's sexual orientation? Bioethicists have debated the moral implications of this still hypothetical possibility for several decades. Some commentators fear that any scientific efforts to understand the origins of homosexuality could mean the end of gay and lesbian people if parents shy away from having homosexual children. Others defend parents' rights to choose the traits of their children in general and see no reason to treat sexual orientation differently. In this book, Timothy Murphy traces the controversy over prenatal selection of sexual orientation, offering a critical review of the literature and presenting his own argument in favor of parents' reproductive liberty. Arguing against commentators who want to restrict the scientific study of sexual orientation or technologies that emerge from that study, Murphy proposes a defense of parents' right to choose. This, he argues, is the only view that helps protect children from hurtful family environments that is consistent with the increasing powers of prenatal interventions and that respects human futures as something other than accidents of the genetic lottery.

Homosexuality in the Jurisprudence of the Supreme Court of India Yeshwant Naik, 2017-04-07 The book analyses the Indian Supreme Court's jurisprudence on homosexuality, its current approach, and how its position has evolved in the past ten years. It critically analyses the Court's landmark judgments and its perception of equality, family, marriage, and human rights from an international perspective. With the help of European Court of Human Rights judgments and international conventions, it compares the legal and social discrimination meted out to the Indian LGBTI community with that in the international arena. From a social anthropological perspective, it demonstrates how gay masculinity, although marginalized, serves as a challenge to patriarchy and hegemonic masculinity. This unique book addresses the lack of in-depth literature on gay masculinity, elaborately narrating and analysing contemporary gay masculinity and emerging gay lifestyles in India, and highlighting the latest research on the subject of homosexuality in general and in particular with respect to India. It also discusses several new issues concerning gay men in India, supported by the living law approach put forth by Eugen Ehrlich. [The Mother Wave](#) Andrea O'Reilly, Fiona Joy Green, 2024-09-01 Matricentric feminism seeks to make motherhood the business of feminism by positioning mothers' needs and concerns as the starting point for a theory and politics, and for the empowerment of women as mothers. Based on the conviction that mothering is a verb, it understands that becoming and being a mother is not limited to biological mothers or cisgender women but rather to anyone who does the work of mothering as a central part of their life. [The Mother Wave](#), the first ever book on the topic, compellingly explores how mothers need a matricentric mode of feminism organized from and for their particular identity and work as mothers, and because mothers remain disempowered despite sixty years of feminism. The anthology makes visible the power of matricentric feminism as it is theorized, enacted, and represented to realize and achieve the subversive potential of mothers and their contributions to feminist theory and activism. Contributors share the impact and influence of matricentric feminism on families and children, culture, art, literature, education, public policy, social media, and workplace practices through personal reflections, scholarly

essays memoir creative non fiction poetry and photography The mother wave of matricentric feminism invites conversations with others and offers a praxis of feminism that aims to coexist overlap and intersect with others *Ex-Gay Research* Jack Drescher, Kenneth J Zucker, 2013-04-03 Defenders and critics of the controversial Spitzer study analyze its methodologies and findings In 2001 Robert L Spitzer MD presented his study on sexual conversion therapy with its controversial findings that some homosexuals can change their sexual orientation The resulting media sensation and political firestorm enraged the study s critics and emboldened its supporters *Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture* presents leading experts examining Spitzer s research methodology and findings to discern whether the study itself deserves deeper consideration or outright dismissal Every facet of the study is reviewed to discuss the positive or negative aspects of the results its significance in political and social terms and the implications for the future Dr Spitzer himself was an instrumental figure in the American Psychiatric Association s decision in 1973 to remove homosexuality as a mental illness listing from the Diagnostic and Statistical Manual III His later study that states that in some individuals homosexuality may be more fluid than previously thought stirred controversy in the psychiatric community and society at large His study is presented here to allow the reader to evaluate and consider it for themselves Leading experts then voice their own pro or con views on the methodology and findings *Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture* fearlessly illustrates the sometimes fuzzy boundary between science and politics courageously spotlighting the culture wars now dividing our society *Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture* discusses the ex gay movement the nature of scientific inquiry the relationship between science and politics the results of sexual conversion therapies gay and lesbian rights *Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture* is essential reading for sex researchers mental health professionals pastoral counselors political activists and any person asking if one can truly change his or her homosexuality **The Fat Studies Reader** Esther D. Rothblum, Sondra Solovay, 2009-11-04 Explores a wide range of topics related to body weight From the historical construction of fatness to public health policy from job discrimination to social class disparities from chick lit to airline seats this collection provides an overview of fat studies an examination of the movement s fundamental concerns and a look at its research *The Oxford Handbook of Dance and Ethnicity* Anthony Shay, Barbara Sellers-Young, 2016-04-20 Dance intersects with ethnicity in a powerful variety of ways and at a broad set of venues Dance practices and attitudes about ethnicity have sometimes been the source of outright discord as when African Americans were and sometimes still are told that their bodies are not right for ballet when Anglo Americans painted their faces black to perform in minstrel shows when 19th century Christian missionaries banned the performance of particular native dance traditions throughout much of Polynesia and when the Spanish conquistadors and church officials banned sacred Aztec dance rituals More recently dance performances became a locus of ethnic disunity in the former

Yugoslavia as the Serbs of Bosnia attended dance concerts but only applauded for the Serbian dances presaging the violent disintegration of that failed state The Oxford Handbook of Dance and Ethnicity brings together scholars from across the globe in an investigation of what it means to define oneself in an ethnic category and how this category is performed and represented by dance as an ethnicity Newly commissioned for the volume the chapters of the book place a reflective lens on dance and its context to examine the role of dance as performed embodiment of the historical moments and associated lived identities In bringing modern dance and ballet into the conversation alongside forms more often considered ethnic the chapters ask the reader to contemplate previous categories of folk ethnic classical and modern From this standpoint the book considers how dance maintains challenges resists or in some cases evolves new forms of identity based on prior categories Ultimately the goal of the book is to acknowledge the depth of research that has been undertaken and to promote continued research and conceptualization of dance and its role in the creation of ethnicity Dance and ethnicity is an increasingly active area of scholarly inquiry in dance studies and ethnomusicology alike and the need is great for serious scholarship to shape the contours of these debates The Oxford Handbook of Dance and Ethnicity provides an authoritative and up to date survey of original research from leading experts which will set the tone for future scholarly conversation

Sexuality and Socialism

Sherry Wolf, 2009 Sexuality and Socialism is a remarkably accessible analysis of many of the most challenging questions for those concerned with full equality for lesbian gay bisexual and transgender LGBT people Inside are essays on the roots of LGBT oppression the construction of sexual and gender identities the history of the gay movement and how to unite the oppressed and exploited to win sexual liberation for all Sherry Wolf analyzes different theories about oppression including those of Marxism postmodernism identity politics and queer theory and challenges myths about genes gender and sexuality Sexuality and Socialism is the most intelligent and enlightened discussion on sexuality to come from the Left in a long time No other work that comes to my mind explains the history of sexuality and sexual repression in the United States as comprehensively and compellingly Ron Jacobs Dissident Voice Sherry Wolf Lesbian Activist Communist Badass ist spoke to a pre National Equality March rally She Blew It Up Austin Chronicle Sherry speaks with such eloquence and plain common sense that I can't help but want to know more about her ideas and convictions Derek Washington In the LV radio host Director of LGBT Outreach Clark County Democratic Black Caucus The icons of the new generation of activists are people like Lady Gaga Dustin Lance Black Judy Shephard Lt Daniel Choi ret and Sherry Wolf author of Sexuality and Socialism Don Gorton Join the Impact Board Member Surprisingly funny very readable and a fitting tome for a new movement in these troubled times Dave Zirin for Progressive s Best Books of 2009 What humans have constructed they can tear down This is the powerful insight of this rare book that is at once politically important theoretically and historically sophisticated and clearly written Sexuality and Socialism is enlivened in its engagement with a number of controversies including those over the alleged biological determination of homosexuality the myth of Black homophobia and the consequences of postmodernist

theories for the politics of gay liberation Above all else Wolf puts forward a cogent defense of the Marxist tradition long and wrongly reviled as homophobic in itself as a way to explain how LGBT oppression arose and what we can do to put it to bed Dana Cloud University of Texas at Austin Sherry Wolf is the associate editor of the International Socialist Review She was on the executive committee of the National Equality March Oct 11 2009 and has written for publications including the Nation MRZine Counterpunch Dissident Voice and Socialist Worker and speaks frequently across the country on the struggle for LGBT liberation as well as a wide range of social and economic justice issue *Recovering Argument* Randall

Lake,2018-10-29 This volume presents the best scholarship from the 19th National Communication Association American Forensic Association Conference on Argumentation which took place July 30 August 2 2015 at Cliff Lodge Snowbird Resort in Alta Utah The Alta Conference first held in 1979 is the oldest conference in argumentation studies in the world and biennially brings together a lively group of scholars representing a variety of countries with diverse perspectives on the theory and practice of argument The essays in *Recovering Argument* invite reflection upon and reconsideration of argumentation s legacy present status and potential roles in social cultural and political life Readers will encounter essays that treat the relationship between argumentation and memory historical approaches to argumentation the vitality of public and interpersonal argument argument s role in leadership discursive and presentational forms of argument and the challenges of difference Readers also will find these topics addressed from a variety of historical social scientific and critical interpretive perspectives

A Radical Rethinking of Sexuality and Schooling Eric E. Rofes,2005 A Radical Rethinking of Sexuality and Schooling Status Quo or Status Queer offers a startling and original critique of unexamined assumptions and liberal notions about sexuality and education in the United States Professor and long time community activist Eric Rofes argues that liberal approaches to gay issues and public schooling are inherently doomed to fail and that a radical approach is needed that addresses core issues of power in education in a meaningful way Tackling issues ranging from anti gay harassment in school to children s literature on gay themes gender performances of teachers to HIV education graduate school programs in education to gay men s sexual cultures Rofes presents a compelling argument for the creation of a second generation of activism focused on queers schools and education one that truly empowers young people and educators and one that has the potential to truly transform power relations in our nation **Youth and Sexualities** M. Rasmussen,E. Rofes,S.

Talbur,2016-05-20 A new collection that addresses the problematic pathologization of queer youth this book argues that the majority of educators and youth workers still know little about queer youth s negotiations of identity and community The contributors examine the dangerous effects of heteronormalizing practices and look at how young people negotiate labels and stereotypes in and out of school settings What makes this project unique is that the contributors go beyond the discussions of homophobia young people experience on an everyday basis the look at how youth subvert these experiences into those of pleasure power and confidence In addition the contributors look at how youth organize communities and

negotiate positive identities in different settings **Policing Sex** Paul Johnson, Derek Dalton, 2012-05-31 This collection focuses attention on an important but academically neglected area of contemporary operational policing the regulation of consensual sexual practices Despite the high level public visibility of and debate about policing in relation to violent and abusive sexual crimes from child sexual abuse to adult rape very little public or scholarly attention is paid to the policing of consensual sexual practices in contemporary societies Whilst sexual life is commonly understood to be a matter of private life that is beyond formal social control this book shows that policing is implicated in the regulation of a wide range of consensual sexual practices This book brings together a well known and respected group of academics from a range of disciplines to explore the role of the police in shaping the boundaries of that aspect of our lives that we imagine to be most intimate and most our own The volume presents a snap shot of policing in respect of a number of diverse areas such as public sex pornography and sex work and considers how sexual orientation structures police responses to them The authors critically examine how policing is implicated in the social moral and political landscape of sex and contrary to the established rhetoric of politicians and criminal justice practitioners continues to intervene in the private lives of citizens It is essential supplementary reading for courses in criminology law policing sociology of deviance gender and sexuality and cultural studies Rhetorical Secrets Davin Allen Grindstaff, 2014-05-15 Gay male identity as a product of rhetoric and public discourse in modern America
