Reinvention's Next Steps Albert Gore,1996-06 **Reinvention's Next Steps** National Performance Review (U.S.),Al Gore,1996 *Reinvention's Next Steps* National Performance Review (U.S.),1996 Unbundled Government Christopher Pollitt,Colin Talbot,2004-07-31 Public sector bureaucracies have been subjected to harsh criticism One solution which has been widely adopted over the past two decades has been to unbundle government that is to break down monolithic departments and ministries into smaller semi autonomous agencies These are often governed by some type of performance contract are at arm s length or further from their parent ministry or department and are freed from many of the normal rules governing civil service bodies This the first book to survey the why and the how of this epidemic of agencification is essential reading for advanced students and researchers of public management It includes case studies from every continent from Japan to America and from Sweden to Tanzania these 14 case studies some covering more than one country critically examine how such agencies have been set up and managed *A Report to the President on Progress in Labor-management Partnerships* National Partnership Council (U.S.),1997 **Reinvention Roundtable** ,1996 *The Best Kept Secrets in Government* National Performance Review (U.S.),Al Gore,1996 **Personnel Management in Government** Katherine C. Naff,Norma M. Riccucci,Jay Shafritz,David H. Rosenbloom,Albert C. Hyde,2001-05-15 A comprehensive guide this book covers employee relations and the legacy of quality and reengineering and discussions on the growth of public personnel management in state and local sectors The authors discuss affirmative action and equal opportunity case law work and family issues the Volcker Commission findings an analysis of federal pay reform and innovative classification and compensation systems currently implemented by federal agencies a discussion of constitutional and legal issues facing public personnel administration in areas such as AIDS and drug testing figures and tables on collective bargaining laws and trends and more

The Programming Approach and the Demise of Economics Franco Archibugi,2019-11-21 This trilogy deals with an epistemology of economics arguing for a radical overturning of conventional analysis and providing an alternative to political economy and social sciences based not on positivism but on a normative and programming paradigm Volume II builds on the work presented in Volume I to explore oppositions to the traditional and conventional teaching of economics and presents testimonies that are favourable to a trend towards a programming approach thereby giving substance to the epistemological overturning of conventional analysis Such oppositions studied include the work of Ludvig von Mises and his theory of praxeology Ian Tinbergen and Wassily Leontif s preference for planning over forecasting science Bruno de Finetti and Daniel Bell s support for the base of utopia in economics the trend from the theory of planning towards the methodology of planning by Andreas Faludi neoclassic curiosity about the multi purposes approach and non economic commodities as investigated by Walter Isard as well as theories expressed by Herbert Simon Robert Lucas George Soros and Mark Blaug Volume III takes studies further and presents a concrete and practical example of how to build a Planning Accounting Framework PAF as

associated with Frisch's plan frame explored in Volume II to demonstrate the extent to which decisions and negotiations can be routed in the social sciences

Reinventing the Administrative State Michael E. Norris, 2000-04-26 Reinventing government is a well established political program that has been pursued in a number of forms throughout the twentieth century Many of these programs share similar goals of economy and efficacy but they have suffered largely from a persistent inability to achieve their objectives in any significant way In this timely work Michael Norris perceptively analyzes the reasons for the failure of recent programs to correct the weaknesses of government He argues that the current reinvention movement has fallen well short of its original goals and demonstrates that the disparity between the original claims of the movement and its results to date has been caused by structural political bureaucratic and internal barriers Norris meticulously examines each of these barriers providing new insights and potential solutions to the long standing problem of government inefficiency Those with an interest in political science American government and public policy will find much to their liking in this thought provoking volume

Asian Review of Public Administration, 1996

Transforming Government Patricia W. Ingraham, James R. Thompson, Ronald P. Sanders, 1998 Transforming Government reveals the key lessons for managing reform being learned from the federal government's Reinventing Government program Leaders will discover that success will be evident not in major sweeping changes but in a series of small but important signs leaders looking to the history of their own organizations rather than at practices of others for solutions resources for implementation consistently provided by leaders and central to reform strong continuous leadership The contributors draw directly from the expertise and experience of reinvention laboratories at the Department of Labor the Department of Agriculture the Department of Health and Human Services the Internal Revenue Service and others
