

Critical Notice

SUSAN WENDELL, *The Rejected Body: Feminist Philosophical Reflections on Disability*. New York: Routledge 1996. Pp. viii + 206.

The Rejected Body is both a very human and a very humane book.

The author, Susan Wendell, a person living with disabilities, shines through this book, and invites the reader to engage with the issues in which she is interested. I admire the person who has written, 'I cannot wish that I had never contracted ME [myalgic encephalomyelitis], because it has made me a different person, a person I am glad to be, would not want to have missed being, and could not imagine relinquishing, even if I were "cured"' (83).

The Rejected Body aims at a wider audience than philosophical texts usually do. In fact, Wendell says it is not written primarily for an audience of professional philosophers, although she would like professional philosophers to read it (1). Instead, the book is offered to persons with disabilities and any others who wish to examine some moral and epistemological issues pertaining to disability.

Wendell uses the terms 'rejected body' and 'negative body' 'to refer to those aspects of bodily life (such as illness, disability, weakness, and dying), bodily appearance (usually deviations from the cultural ideals of the body), and bodily experience (including most forms of bodily suffering) that are feared, ignored, despised, and/or rejected in a society and its culture' (85). She draws from her own experiences to illustrate questions raised by disability, to challenge stereotypic assumptions about persons with disabilities, and to critique forms of discrimination and oppression directed at disabled people. The book is an excellent exemplar of the treatment of personal experiences as integral to the doing of feminist philosophy. Through stories about her own illness and disability Wendell shows that the personal can be both political and philosophical.

Rejected Body Feminist Philosophical Reflections On Disability

Kathleen Armour

Rejected Body Feminist Philosophical Reflections On Disability:

The book delves into Rejected Body Feminist Philosophical Reflections On Disability. Rejected Body Feminist Philosophical Reflections On Disability is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Rejected Body Feminist Philosophical Reflections On Disability, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Rejected Body Feminist Philosophical Reflections On Disability
 - Chapter 2: Essential Elements of Rejected Body Feminist Philosophical Reflections On Disability
 - Chapter 3: Rejected Body Feminist Philosophical Reflections On Disability in Everyday Life
 - Chapter 4: Rejected Body Feminist Philosophical Reflections On Disability in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Rejected Body Feminist Philosophical Reflections On Disability. The first chapter will explore what Rejected Body Feminist Philosophical Reflections On Disability is, why Rejected Body Feminist Philosophical Reflections On Disability is vital, and how to effectively learn about Rejected Body Feminist Philosophical Reflections On Disability.
 3. In chapter 2, the author will delve into the foundational concepts of Rejected Body Feminist Philosophical Reflections On Disability. This chapter will elucidate the essential principles that need to be understood to grasp Rejected Body Feminist Philosophical Reflections On Disability in its entirety.
 4. In chapter 3, this book will examine the practical applications of Rejected Body Feminist Philosophical Reflections On Disability in daily life. This chapter will showcase real-world examples of how Rejected Body Feminist Philosophical Reflections On Disability can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Rejected Body Feminist Philosophical Reflections On Disability in specific contexts. The fourth chapter will explore how Rejected Body Feminist Philosophical Reflections On Disability is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Rejected Body Feminist Philosophical Reflections On Disability. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Rejected Body Feminist Philosophical Reflections On Disability.
