If you had chosen a different degree, how might your career be different?	If university had been free, would you have studied something else?	If AI hadn't started replacing jobs, which careers would still be safe?	If remote working had been the norm for years, how would companies have changed?
If you had taken a different career path, how might your life look now?	If schools had focused more on creativity, how might education have changed?	If you had started your own business last year, what would it have been?	If salaries had been fairer, how might work-life balance have changed?
If schools had taught life skills like taxes, would people be better prepared for adulthood?	If people hadn't needed a degree for certain jobs, would university still be necessary?	If you had been born as the opposite gender, how might your life have been different?	If you had been given a time machine last year, where would you have gone?
If you had discovered a hidden talent last year, how would you have used it?	If aliens had visited Earth last year, how do you think people would have reacted?	If you had been offered a one-way ticket to space, would you have taken it?	If animals had been able to talk, how would society have changed?
If humans had never needed sleep, how would life be different?	If money had never existed, how would people survive?	If we had achieved world peace last year, how would things look today?	If time travel had been possible, where would you have gone first?
