aspects related to the concept of Pitra Dosh The book features a chapter on Pitra Dosh and 12 chapters on different types of Pitra Dosh formed in 12 houses of horoscope Important factors which may affect the results given by Pitra Dosh are discussed in details These factors include placements of relevant planets in various houses signs nakshatras and navamshas influences of other benefic and malefic planets and the impact of overall horoscope as well as planetary periods on Pitra Dosh This way a logical balanced and comprehensive approach has been implemented *Brihat Jataka* Usha and Shashi,2024-10-16 There is probably not one subject which is so ill understood which so many people pretend to know and on which so many are prepared to express an opinion as the subject of Astrology The Indian proverb truly says that there is no man who is not a bit of a physician and an astrologer and it is equally true that there is no subject which is so ill understood as these two The fact is that the broad medical and astrological principles are so many that everybody out of necessity learns a few of these but experiences a difficulty in mastering all of them **New Dictionary of Astrology** Sepharial,1921
