Relativism in Contemporary Christian Ethics Millard J. Erickson, 1974-01-01      **Christian Ethics and the Human Person** Peter E. Bristow, 2009      Christian Ethics and the Human Person. Truth and Relativism in Contemporary Moral Theology Peter Bristow, 2013-01-01

Father Peter Bristow has done a great service in his book *Christian Ethics and the Human Person*. Its overall purpose is to fill the need for a presentation of Catholic moral thought as renewed in the second half of the twentieth century by Vatican II the Catechism of the Catholic Church John Paul's encyclicals *Veritatis Splendor* and *Evangelium Vitae* and the personalistic theology and philosophy that form the basis of those great encyclicals. Bristow offers readers an accurate and comprehensive account of John Paul's moral thought. His is a most helpful volume. This work lucidly and attractively draws together the main elements in the renewal of Catholic ethics which has been taking place during the past thirty years. It provides an excellent guide to the field as well as a persuasive account and defence of a distinctive Catholic approach to morality.

**Christian Ethics and Commonsense Morality** Kevin Jung, 2014-11-27

*Christian Ethics and Commonsense Morality* goes against the grain of various postmodern approaches to morality in contemporary religious ethics. In this book Jung seeks to provide a new framework in which the nature of common Christian moral beliefs and practices can be given a new meaning. He suggests that once major philosophical assumptions behind postmodern theories of morality are called into question we may look at Christian morality in quite a different light. On his account Christian morality is a historical morality insofar as it is rooted in the rich historical traditions of the Christian church. Yet this kind of historical dependence does not entail the evidential dependence of all moral beliefs on historical traditions. It is possible to argue for the epistemic autonomy of moral beliefs according to which Christian and other moral beliefs can be justified independently of their historical sources. The particularity of Christian morality lies not in its particular historical sources that also function as the grounds of justification but rather in its explanatory and motivational capacity to further articulate the kind of moral knowledge that is readily available to most human beings and to enable people to act upon their moral knowledge.

**Readings in Christian Ethics** David K. Clark, Robert V. Rakestraw, 1994-02

Essays by leading ethicists provide students with a comprehensive introduction to ethical thinking.

An Introduction to Biblical Ethics J. Robertson McQuilkin, 1995

A highly readable book which states the need for a clear system of moral values and duties based on solid biblical scholarship and an understanding of today's culture. Part One deals with what the Bible says about love law sin and ethics. Part Two tells how to apply all these biblical principles to life.

*Christian Ethics* Russell A. Morris, 2015-08-14

Within the Christian community at large there is often little correlation between scriptural guidelines for Christian living and the lifestyle practices and behavior of believers. Christian social scientist George Barna has done extensive research in this area that reveals alarming data. For example nearly nine of ten adults state that religious faith is very important in their lives. However only one in five adults claims that the Bible is the dominant influence in their decisions.

regarding lifestyle practices Further research suggests that there is often little difference between the lifestyle practices of Christians and non Christians This nominal difference in lifestyle practices and behavior between Christians and non Christians as well as the minimal correlation between Scripture and practice among many Christians produced an interest in this area of practical theology Serving as a Christian pastor over the past two decades the reality of Barnas research has been observed personally The biblical parallel of the prevailing apathy within todays churches is seen in Judges 21 25 NASB In those days there was no king in Israel everyone did what was right in his own eyes That is in those days there was no accepted standard of truth Likewise only one in four American adults believes in the existence of absolute truth As a result the relationship between doctrine and practice belief and behavior is often minimal with many Christians doing only what is right in their own eyes rather than allowing Gods Word to influence their mode of living A distinct relationship between belief and behavior is seen in I Timothy 4 16 In this passage Paul clearly identifies a correlation between what one believes doctrine and the lifestyle behavior one lives when he writes Watch your life and doctrine closely Persevere in them because if you do you will save both yourself and your hearers From this verse it is clear that there are two areas in the life of the Christian that need to be scrutinized and pursued namely belief and behavior The fundamental thesis of this book is that a deeper understanding of Christian ethics will inform and facilitate the Christian life Ethics Arthur F. Holmes,2009-08-20 Arthur Holmes addresses the questions What is good What is right How can we know In this second edition he also surveys a variety of approaches to ethics including cultural relativism emotivism ethical egoism and utilitarianism all with an acknowledgment of the new postmodern environment *Christian Ethics in Secular Society* Philip Edgcumbe Hughes,1983

The Moral Quest Stanley J. Grenz,2016-09-27 Stanley J Grenz masterfully leads readers into a theological engagement with moral inquiry that is a first rate introduction to Christian ethics **Faith, Hope and Clarity: A look at Biblical and Situation Ethics** Gordon Kainer,2012-03-24 Truthfulness Morality Ethics Christians face fundamental questions regarding deep issues and everyday problems Are there situations in life where obedience to God s law is not the most practical solution Is lying always wrong Situation ethics attempts to answer questions like these by affirming that doing the loving thing is a higher priority than obedience to God s law The author endeavors to show how disregard for divine law though seemingly attractive reasonable and practical is untenable The book reveals how a situationalist follows a misguided ego rather than an objective standard Whether we manipulate others to suit our own purposes lie to avoid embarrassment or commit a minor indiscretion it s just a quick fix something that only lasts for a season Discover how the eye of faith adheres to God s directives unblinded by sin s attractive glow it contemplates a lifetime it considers eternity **Perspectives on Sexuality** James L. Malfetti,1971 Joshua David M. Howard,1998-12-01 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **Faith's Defenders** Dr. Octavian Caius Obeada,2024-07-28 Faith s Defenders The Christian Apologetic Mission offers a comprehensive exploration of the crucial role

of apologetics in the Christian Church It examines the foundational beliefs historical challenges and modern day threats to Christianity while providing a detailed overview of apologetics from early Christianity to the present The book emphasizes the need for respectful and intellectually rigorous strategies to engage with contemporary culture address doubts and reinvigorate faith Drawing on insights from renowned defenders of the faith it highlights the importance of apologetics in strengthening the Church's witness and fostering meaningful dialogue making a compelling call for the Church to present the gospel with confidence clarity and compassion You can find the PAPERBACK version on Amazon <https://amzn.to/4jiSDjr>
