The Root of Christianity Michael Helfrich,2013-02-06 Words mean things and how you use them either maintains there meaning or belittles it and destroys its total value Such is the word awesome When our youth use the word awesome for cars Androids or even their girlfriend they are belittling the words characterization The word awesome should only be used for the greatness of the Lord God or His works for mankind It can be used for something that is greater than itself and stands out above all others This book cover represents the awesomeness of God and His creation As the Scripture declares the universe fits between the span of Gods hand This is awesome and it is unfathomable in mans contemplating of it If this is awesome how can you compare anything to it Our universe is billions of light years across and we have no knowledge as to its size for we have nothing to compare it too however what does this say about the awesomeness of God God does not have hands or legs but uses them as idioms for our comprehension Even with idioms it is incomprehensible to realize just how awesome God really is Scripture speaks of God as omniscient all knowing omnipotent all powerful and omnipresent everywhere and with this in mind He is wisdom and is sovereign ruler over all His creation He is maintaining everything by His character and for His glory and His ways are above our ways and His thoughts are above our thoughts **Back to the Garden** Patrice Dickey,2006-05 Dickey shares riveting stories of real people who have used the simple secrets she teaches to free themselves from shadow issues and self defeating behaviors Readers will learn how dreams intuition hypnotherapy and other tools access the subconscious and lead people back to their true selves **The Art of Saving Your Soul** James Schreiner,2022-08-23 Hello fellow morning prayer and meditation enthusiast This book brings you a blueprint to follow in helping you to get closer to a God of your understanding I see myself as a spiritual person I do not intend to tell you who your

God has to be I give you the opportunity to find your God My goal is to open your mind to the benefits of seeking God first thing in the morning It is imperative that each individual spend a chosen amount of time talking to God Equally important is your time spent listening to God How do you know if the voice you are listening to is God s He is the soft gentle voice that you hear during the course of the day that says things like I do not think that is a good idea You know the one you did not listen to and later on when the crisis is over you wish you had You asked yourself why did I do that The other voice the loud chatty one that can only offer you stuff is constantly leading you down the wrong path My main objective is to help you to make better choices To understand that Karma is real Getting together for an hour each week is nice What about the other 167 hours that the Darkside spends getting you to do things that are detrimental to your moral well being God will never tell you to throw a brick through someone s window Evil tells you that prayer is not required or to be taught in schools I was the Evil narcissistic pathological liar who followed Satan s game plan of looking for my happiness out there My contentment was based on the just as soon as I get into the perfect relationship Buy the most expensive car Belonging to the right country club in the perfect neighborhood Getting the impeccable outfit to wear to church on Sunday My life had to be flawless at all times I am here to tell you that nothing from out there will bring you the satisfaction and kindness that you crave until you surrender to God He is the true source of Hope and wisdom When I was at the lowest separation from God suffering from loneliness I took no responsibility for my actions My rage was turned inward which in turn caused me to suffer 22 years of depression I happened upon the prayer of Saint Francis and changed my life forever The Darkside is still wondering what happened He thought he had a convert for life As I put the prayer into action in my life and live by its principles I immediately acquired peace and serenity That can only be achieved by finding God and introducing him into my life It is my intention to help you to find that same peace of mind with the morning prayer and meditations that I am presenting in this book It is intended to give spiritual advisors daily material to help others cope with their everyday routine You cannot do this alone Hopefully I can inspire you to find a Power greater than yourself Thank You Jesus June of 2022 Yours truly James P Schreiner

to incorporate rhythms of walking with God into our everyday routines God never intended for us to be in control As we lean away from our own understanding and into an intentionally relaxed spiritual life we join Jesus in trusting a God who knows what he is doing and isn't worried about a thing
