Religion And American Public Life Interpretations And Explorations Paperback:

Confronting the Mystery of God Gaspar Martinez, 2002-05-13 A highly insightful study of three major movements in Roman Catholic theology over the past thirty years This fascinating work of theological scholarship offers an exceptionally broad scope and powerfully unifying theme Gaspar Martinez first offers penetrating interpretations of three major contemporary theologians working on three continents in quite dissimilar historical cultural social and economic situations Then he goes on to illustrate how Johannes Metz Gustavo GutiTrrez and David Tracy each had a tense ongoing relationship to the mid twentieth century theologians and movements that formed them Karl Rahner nouvelle theologie and Bernard Lonergan respectively Martinez brilliantly contextualizes each of these thinkers In broad strokes he sketches postwar Germany postcolonial Peru and the American century and shows how each man was formed by his era He also examines the lines of influence and relationship between these theologians and some of their nontheological contemporaries Metz and Adorno Bloch and Benjamin GutiTrrez and Paulo Freire JosT Carlos Mariategui and the novelist JosT Marfa Arguedas and Tracy and thinkers from Eliade and Ricoeur to Gadamer and Derrida Martinez convincingly illustrates how each of these theologians in recent years has focused more directly on the mystery of God entailing greater emphasis on spirituality and mysticism with the consequence that the more properly theological their theologies have become the more they have become negative theologies

God's Apocalyptic Insurrection Richard D. Crane, 2024-10-15 What if our inherited theologies of salvation are distorted by a sinful history that includes white supremacy slavery and colonial conquest What if we perpetuate this distortion by continuing to imagine salvation as a legal transaction by which we are saved by God from divine punishment If salvation merely rectifies the individual s standing before God justice and human flourishing are viewed as peripheral to the gospel This book begins with a bit of deconstruction But the real need is construction or perhaps the discovery of another soteriological imagination To be saved is to be drawn into union with Jesus Messiah the bringer of the now and future reign of God where all things are rectified Jesus s life death and resurrected body are the space where a disordered creation is put right Jesus is God s apocalyptic insurrection against every power that dehumanizes harms and destroys human persons We are saved by the triune God by God s gracious acceptance that cannot be earned But we are saved for participation in the invasion of God s reign of justice healing and transformation Salvation has everything to do with caring for refugees resisting systemic racial and other injustices food for the hungry and valuing human persons as Christ incognito
