

RUSSIA IN FLUX BEFORE OCTOBER

BY

Sir John Maynard, K.C.I.E.

Only by fully appreciating the significance of the facts contained in these pages can the importance of the Russian Revolution be truly estimated. After a general historical outline come chapters on the peasants, the 1905 revolution, the counter-revolution which followed that revolution, the National Movements, the Church, the intelligentsia, anti-rationalist thought, and the coming of Marx. The whole ends with the March revolution of 1917.
