Russia In Revolt 1905 The First Crack In:

Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989 *Russia in Revolt. 1905: The First Crack in Tsarist Power* David Floyd, 1969 **Russia in Revolt: 1905** David Floyd, 1972 **Russian Pogroms and Jewish Revolution, 1905** Gerald D. Surh, 2023-12-07 This book based on extensive original research examines the widespread and violent pogroms against Jews which took place in the Russian Empire in 1905 It briefly surveys the earlier history of Jews in the Russian Empire and the discriminatory policies against them The work outlines the extent of the killings and lootings in 1905 explores the role of the authorities who were often neutral or complicit in the violence and highlights Jewish self defense measures It relates the pogroms to the place of the Jews in Russian urban and rural life to social change and modernisation and to the revolutionary events of 1905 in which Jews played a prominent role and during which calls for ethnic self determination arose among many nationalities of the Russian Empire most broadly and consequentially among Jews Overall the book views the pogroms as a consequence not only of Russian antisemitism but of the broader revolutionary breakdown of Russian state and society in 1905 **Years of Russia, the USSR and the Collapse of Soviet Communism** David Evans, Jane Jenkins, 2008 This title is a new edition of Years of Russia and the USSR which charts Russian history from the reign of Alexander II through to the eventual fall of communism and the break up of the Soviet Union It examines the political social and economic impact of Nicholas II s reign the First World War and the subsequent revolution It then goes on to look at Bolshevik and Stalinist Russia before going on to discuss Khrushchev s policy of de Stalinisation and the years of stagnation and reform **Mass Strikes and Social Movements in Brazil and India** Jörg Nowak, 2019-03-20 This book explores new forms of popular organisation that emerged from strikes in India and Brazil between 2011 and 2014 Based on four case studies the author traces the alliances and relations that strikers developed during their mobilisations with other popular actors such as students indigenous peoples and people displaced by dam projects The study locates the mass strikes in Brazil s construction industry and India s automobile industry in a global conjuncture of protest movements and develops a new theory of strikes that can take account of the manifold ways in which labour unrest is embedded in local communities and regional networks Jörg Nowak has written an ambitious wide ranging and very important book Based on extensive empirical research in Brazil and India and a thorough analysis of the secondary literature Nowak reveals that numerous labour conflicts develop in the absence of trade unions but with the support of kinship networks local communities social movements and other types of associations This impressive work may well become a major building block for a new interpretation of global workers struggles Marcel van der Linden International Institute of Social History The Netherlands Nowak s book meticulously details the trajectory of strikes and its resultant new forms of organisations in India and Brazil The central focus of this analytically rich and thought provoking book is to search for a new political alternative model of organising workers A very good deed indeed Nandita Mondal Tata Institute of Social Sciences India Jörg Nowak analyses with

critical sense forms of popular organization that often remain invisible It is an indispensable book for all those who are looking for more effective analytical resources to better understand the present situation and the future promises of the workers movements Roberto V rasde Oliveira Federal University of Para ba Brazil In this timely and important study Nowak convincingly challenges the dominant Eurocentric approach to labour conflict and calls for a new theory of strikes He stresses the need to engage in a wider perspective that includes social reproduction neighbourhood mobilisations and the specific traditions of struggles in the Global South Edward Webster University of Witwatersrand South Africa Pudovkin's Cinema of the 1920s Panayiota Mini,2002 *Holidays of the Revolution* Amir Locker-Biletzki,2020-12-01 Holidays of the Revolution explores a little known chapter in the history of Mandatory Palestine and the State of Israel the Israeli Communist Party and its youth movement which posed a radical challenge to Zionism Amir Locker Biletzki examines the development of this movement from 1919 to 1965 concentrating on how Communists built a distinctive identity through myth and ritual He addresses three key themes identity construction through Jewish holidays Hanukkah and Passover through civic holidays Holocaust Remembrance Day and Israeli Independence Day and through Soviet and working class myths and ceremonies May Day and the October Revolution He also shows how Jewish Communists viewed interacted and celebrated with their Palestinian comrades Using extensive archival and newspaper sources Locker Biletzki argues that Jewish Israeli Communists created a unique dissident subculture Simultaneously negating and absorbing the culture of Socialist Zionism and Israeli Republicanism as well as Soviet and left wing European traditions Jewish Communists forged an Israeli identity beyond the bounds of Zionism **Academic American Encyclopedia** ,1996 *The 1905 Russian Revolution* ,2025-11-14 These translations by Barbara C Allen of Alexander Shlyapnikov s memoirs of his childhood and youth and of his history of the 1905 Revolution in Russia illuminate how a working class provincial youth from a religious dissenter family became a Marxist revolutionary The book comprises a brief published autobiography an unpublished memoir of Shlyapnikov s childhood a short fictional piece based on his early experience of factory work a published historical survey of the 1905 Revolution in Russia and three article length published memoir histories about his early activities in the revolutionary underground and his leadership of a revolutionary organisation in the town of Murom
