

Sievers to the recent accomplishments of Jakobson, 1948, and Rajko Nahtigal, 1950.

Igor's campaign in pictorial art was exemplified by photographs of the miniatures from the Radziwiłł *Chronicle*, made in the fifteenth century from a thirteenth century original, and by the illustrated editions of the *Igor Tale*. The recent Western deluxe editions are on the highest level of mastery, especially the beautiful Alexeieff productions in the exquisite Swiss edition of 1950, with the French translation and introduction of Philippe Soupault; and the illustrations of J. Hnizdovs'kyj in the previously mentioned Hordyns'kyj edition; and the ornamental drawings by Mstislav Dobujinsky for Golokhvastov's work. A noted Russian painter, Dmitrij Stelleckij (1875-1946), devoted to the *Igor Tale* whole cycles of paintings, stylizing some devices of Old Russian iconography. The earlier of these cycles is preserved in the Moscow Tret'jakov Gallery and the later partly in the Prague Slavic Institute, partly in a private New York collection, soon to be reproduced in an album by its owner, V. M. Vassiliev.

Photographs of scenes from American productions of the opera based on the tale, *Prince Igor*, sketches of sets by N. K. Roerich and M. V. Dobujinsky, newspaper reviews and the New York edition of the score, testify in the exhibit to Igor's theatrical success in this country. Here, too, the American collections have something new to present, for the exhibition contained a Borodin handwritten sketch to the music of his famous opera.

The extent of Igor's popularity in this country was finally documented by the exhibit of distinctive neckties from a well-known New York firm under a serial label *Prince Igor*.

EDWARD STANKIEWICZ

Russian Abbreviations: a Selective List, compiled by Alexander Rosenberg. Washington, D. C.: Reference Department, Library of Congress, 1952. 128 pp. 85 cents.

In 1935 Professor George Z. Patrick issued a list of abbreviations commonly used in the USSR. For many years his list was the only published aid to those seeking to follow Soviet literature, which abounds in alphabetical agencies and abbreviations. Now the Library of Congress has expanded greatly Professor Patrick's beginnings. Its study includes abbreviations for state agencies, for military units and equipment, for map reading and for the host of odds and ends abbreviated in Russian. Each entry includes the abbreviation and its Russian meaning in full, together with a transliteration of the abbreviation and a translation of the Russian meaning.

The Library of Congress is to be congratulated on this comprehensive work. Only a few abbreviations seem to have been missed. It will be as essential on the desk of non-Soviet scholars as their dictionaries.

Russian Abbreviations A Selective List Introduction

In today's digital age, the availability of Russian Abbreviations A Selective List books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Abbreviations A Selective List books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Abbreviations A Selective List books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Abbreviations A Selective List versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Abbreviations A Selective List books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Abbreviations A Selective List books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Abbreviations A Selective List books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Abbreviations A Selective List books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Abbreviations A Selective List books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Abbreviations A Selective List Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Abbreviations A Selective List is one of the best book in our library for free trial.
