Rustys Birthday:

Rusty's Rainbow Donna Connally White, 2006-05 Rusty's Rainbow is the compelling true story of God's love and care The author describes encountering God's compassion through the dark days battling cancer in her 7 year old son Rusty *Rusty Anchors* Nancy Foltz Beck, 2021-03-17 She didn't have to say What about me but she did Alone on foreign soil in pre war China Madelaine was pregnant injured and afraid Her low ranking husband promised a honeymoon never to be forgotten but this was not what he had in mind Circumstances became more critical when the Admiral declared the fleet was shipping out Harold couldn't sail away and leave her but he was a sailor in the United States Navy sworn to follow orders The newly weds were forced to face a frightening reality they were unprepared Her one way ticket from San Francisco to Shanghai held no contingencies for safe passage home in cases of political unrest or worse Over loaded modes of transportation were quickly filled with anxious frightened refugees scrambling to find any means of passage out of the country but not Madelaine She had insufficient funds and far from home had no viable means of safety No one could have predicted the storm clouds of war would become so personal but they did Forlorn terrified and nearly penniless the couple turned to the only source of eternal truth for answers God It would take more than first rate dragon luck to save her life and mine for you see I was that unborn child This book is semi autobiographical The quest is to introduce the FOLTZ FAMILY military people who lived a somewhat nomadic life often required by defenders of freedom Believing succeeding generations are influenced by their ancestors today's generations will benefit from knowing their histories for they are the Builders of Tomorrow **Rusty the Boy from the Hills** Ruskin Bond, 2014-10-10 Rusty is a quiet imaginative and sensitive boy who lives with his grandparents in pre Independence Dehra Dun Though he is not the adventurous himself the strangest and most extraordinary things keep happening around him The house in Dehra is full of strange creatures Rusty has to deal with everything from his grandfather's pet python to the ever inventive Uncle Ken Visiting his father in wartime Java Rusty narrowly escapes enemy bombardment and survives a plane crash in the Arabian Sea Back in India he spends his time encountering a ghost in the garden and recreating his grandmother's youthful days from an old photograph Then something totally unexpected happens and Rusty is forced to leave Dehra his future uncertain This volume of Rusty stories the first in a series traces Rusty's development from early childhood to his early teens and is a riveting read for younger and older children alike *Trails to and Tales of Sanderson, Texas* Cleo W. Robinson, 2007-09-20 Punch was sort of a mongrel In his veins circulated the blood of all the races found along the Gulf Coast and the Mexican border Like most mongrels Punch was a survivor smart healthy dependable and loyal Punch was a bit short of six feet tall slim always clean shaven with graying brown hair and blue eyes He walked with a limp His left leg had been messed up in a bad fall with a cowpony some years back The wreck pretty well retired him from working as a full time cowhand Punch had an endless supply of stories of the old days but no one knew where he actually came from or exactly how old he was It was evident that he had been a cowboy probably a lawman a hunter a trapper and

perhaps an outlaw Punch was fluent in Spanish and French knew some Apache and most folks believed that he knew Indian sign language He was known to be a talented tracker Some claimed He could track a bird through the air As little was known about Punch folks tended to fill the gaps with guesses and rumors Punch never agreed or disagreed with those who claimed to have some knowledge about his background As long as he avoided insulting or demeaning him Punch would smile volunteer nothing and allow people to form their own opinions about his background He was easy going and friendly to everyone but if you had the sense God gave a sheep you would sense Punch was not a man to be trifled with Given the right circumstances Punch could be a dangerous person to cross One of the stories associated with Punch claimed he had trailed on foot a horse thief into Mexico and recovered a stolen horse When people mentioned the story to Punch he would nod his head in apparent agreement and tell them Yup you just about got it right Punch knew that they were wrong Dead wrong Only he knew what had happened and he wasn't talking

Rusty Summer Mary McKinley, 2015 There's school and then there's the real world If you're lucky enough to survive the first you owe it to yourself to explore the second So let's roll With graduation a month away I'm hitting the road with my best friends Beau Leonie and Leonie's awesome rescue dog The Bomb We've all got something on our minds Beau is schooling our school for ignoring brutal bullying Beautiful crazy Leonie is striving to become a model And I'm drilling to join a local roller derby team The Rat City Roller Girls where my bulk is actually a benefit But first somewhere between finals and graduation I need some answers I need to see my dad Face to face Unless he's moved without telling me my dad is out in the wilds of Alaska somewhere remote beautiful and amazing where there will be wild animals and hot guys and adventures and lies and heartbreaks It's further from home than any of us have ever been Sometimes that's how far you need to go to figure out exactly where you want to be
