GUNSLINGERS

Ruthless Range Gunslingers Return

Brian Hannan

Ruthless Range Gunslingers Return:

Out for Blood Ryan Steck,2024-06-04 A captured phone from a dead assassin reveals that Matthew Redd is the group's next target. When he learns of this, Redd sends his family into hiding and goes to the mountains to wait for the killers to come to him. With a snowstorm moving in, he will fight alone to survive in harsh conditions. But when the group takes their attack to his hometown, Redd will need all the help he can get.

The Gunslingers of '69 Brian Hannan,2019-10-11 In 1969 the counter cultural moment when *Easy Rider* triggered a youthquake in audience interests, Westerns proved more dominant than ever at the box office and at the Oscars. It was a year of masterpieces: *The Wild Bunch*, *Butch Cassidy and the Sundance Kid*, *Once Upon a Time in the West* and *True Grit*. Robert Redford achieved star status. Old timers like John Wayne, Gregory Peck and Robert Mitchum appeared in two Westerns apiece. Raquel Welch took on the mantle of Queen of the West. Clint Eastwood and Lee Marvin tried their hand at a musical, *Paint Your Wagon*. New directors like George Roy Hill reinvigorated the genre while veteran Sam Peckinpah at last found popular approval. Themes included women's rights, social anxieties about violence and changing attitudes of and towards African Americans and Native Americans. All of the 40 plus Westerns released in the U.S. in 1969 are covered in depth, offering a new perspective on the genre.

Gone Dark Ryan Steck,2025-06-17 In this pulse-pounding thriller, former Marine Raider Matthew Redd is a force to be reckoned with. Jack Carr and the go-to man in a bad situation, Brad Taylor, must face his greatest fears and figure out how to escape when the one way out goes up in flames. Matthew Redd doesn't go looking for trouble, but this time it's found him anyway, and he's not the only one in the crosshairs. Late summer wildfires are a fact of life in Montana. But as an inferno nears Wellington, Matthew Redd gets the unusual call that a team of smoke jumpers has suddenly gone dark. As head of the county's fledgling search and rescue team, Redd drops into the fire zone and finds way more than he bargained for: a killer has taken out the smoke jumper team along with two civilians, and only a terrified young boy is left as witness. Redd and little Jack narrowly escape the raging fire, and Redd calls in Gavin Kline, now acting director of the FBI, to investigate the bigger forces at play. That afternoon, during one of her last clinic shifts before the birth of her second child, Emily Redd loses a young patient to an overdose. Fed up with yet another loss to the opioid crisis, this one a former schoolmate and a wounded veteran, Emily tracks down and confronts the retired doctor responsible for feeding her patient's deadly addiction. Hours later, when their home is attacked, Redd and Emily wonder which of them kicked a hornet's nest or if they've both stumbled onto pieces of a much bigger puzzle. As the fire closes in, they follow the connections from a corrupt doctor and a local opioid supplier all the way to a murdered whistleblower for a Big Pharma giant. As Redd's concern for young Jack grows, those who want to silence him forever hunt him down. Redd will do whatever it takes to protect the boy and his family, even if it means he'll have to outrun an inferno and come face to face with his greatest fear. *Gone Dark* is the 4th gripping thriller in the Matthew Redd series: *Fields of Fire*, *Matthew Redd 1: Lethal Range*, *Matthew Redd 2: Out for Blood*, *Matthew Redd 3: Also available*, *Redd Christmas*, a Matthew
