S. Dilworth Young Benson Young Parkinson,1994 **Excavating Mormon Pasts** Newell C. Bringhurst,Lavina Fielding Anderson,2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century *Same-Sex Dynamics Among Nineteenth-Century Americans* D. Michael Quinn,2001-06-15 Winner of the Herbert Feis Award from the American Historical Association and named one of the best religion books of the year by Publishers Weekly D Michael Quinn s Same Sex Dynamics among Nineteenth Century Americans has elicited critical acclaim as well as controversy Using Mormonism as a case study of the extent of early America s acceptance of same sex intimacy Quinn examines several examples of long term relationships among Mormon same sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s

Historical Dictionary of the Latter-day Saints Thomas G. Alexander,Davis Bitton,2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints **The A to Z of Mormonism** Davis Bitton,Thomas G. Alexander,2009-11-25 Mormonism is the unofficial name for The Church of Jesus Christ of Latter Day Saints which originated in the early 1800s Mormonism refers to the doctrines taught by Joseph Smith doctrines that are believed to be original gospel preached by Jesus Christ The Mormons oppose abortion homosexuality unmarried sexual acts pornography gambling tobacco consuming alcohol tea coffee and the use of drugs Despite its relatively young age the Mormon Church continues to grow and today it contains about 13 million members The A to Z of Mormonism relates the history of the Mormon church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events Clearing up many of the misconceptions held about Mormonism and its members this is an essential reference *Journal of Mormon History* ,2001 *The Mormon Hierarchy* D. Michael Quinn,1997 The Mormon church today is led by an elite group of older men nearly three quarters of

whom are related to current or past general church authorities This dynastic hierarchy meets in private neither its minutes nor the church s finances are available for public review Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren But by interviewing former church aides examining hundreds of diaries and drawing from his own past experience as an insider within the Latter day Saint historical department D Michael Quinn presents a fuller view His extensive research documents how the governing apostles seventies and presiding bishops are likely to be at loggerheads as much as united These strong willed independent men like directors of a large corporation or supreme court justices lobby among their colleagues forge alliances out maneuver opponents and broker compromises There is more clandestine political activities investigative and punitive actions by church security forces personal loans from church coffers later written off as bad debts and other privileged power vested activities Quinn considers the changing role and attitude of the leadership toward visionary experiences the momentous events which have shaped quorum protocol and doctrine and day to day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty first century The hierarchy seems at root well intentioned and even at times aggressive in fulfilling its stated responsibility which is to expedite the Second Coming Where they have become convinced that God has spoken they have set aside personal differences offered unqualified support and spoken with a unified voice This potential for change when coupled with the tempering effect of competing viewpoints is something Quinn finds encouraging about Mormonism But one should not assume that these men are infallible or work in anything approaching uninterrupted unanimity

Brigham Young University Studies Brigham Young University,1995 A voice for the community of LDS scholars **Dialogue** ,1996 A journal of Mormon thought *Historical Dictionary of Mormonism* Davis Bitton,Thomas G. Alexander,2008-10-23 Clears up many of the misconceptions held about Mormonism and its members making it an essential reference
