Halperin, 2011-12-01 Sabbatai Zevi stirred up the Jewish world in the mid seventeenth century by claiming to be the messiah then stunned it by suddenly converting to Islam The story is presented here for the first time through contemporary documents written by Sabbatai s followers and by one of his detractors in translations that brilliantly capture the vividness of this landmark episode in early modern Jewish history *The Burden of Silence* Cengiz öSiðsman, 2015 **Foundations of Sephardic Spirituality** Rabbi Marc D. Angel, PhD, 2011-09-26 Who were the Sephardic Jews of the Ottoman Empire What lasting lessons does their spiritual life provide for future generations How did the Judeo Spanish speaking Jews of the Ottoman Empire manage to achieve spiritual triumph To answer this question we need to have a firm understanding of their historical experience We need to be aware of the dark unpleasant elements in their environments but we also need to see the spiritual cultural light in their dwellings that imbued their lives with meaning and honor from Chapter 1 The Inner Life of the Sephardim In this groundbreaking work Rabbi Marc Angel explores the teachings values attitudes and cultural patterns that

characterized Judeo Spanish life over the generations and how the Sephardim maintained a strong sense of pride and dignity even when they lived in difficult political economic and social conditions Along with presenting the historical framework and folklore of Jewish life in the Ottoman Empire Rabbi Angel focuses on what you can learn from the Sephardic sages and from their folk wisdom that can help you live a stronger deeper spiritual life **Communication in the Jewish Diaspora** Sophia Menache,2024-01-22 Although Jews lacked a political locus standi for a communication system in the Middle Ages and Early Modern periods their involvement in trade and the close relations among Jewish communities fostered the development of effective channels of communication This process responded primarily to security and socio economic considerations but it has important implications for the development of communication systems as well Written by some of the most outstanding researchers in the field of Jewish history this collection offers a rich and consistent picture of the main developments in communications in the Jewish world before the era of mass media This pioneering research reconsiders the principal means of communication among the Jewish communities in the Islamic world Christian Europe the Ottoman Empire and the New World from the seventh until the nineteenth centuries *Sabbatai Sevi* Gershom Scholem,1975 *Millenarianism and Messianism in Early Modern European Culture* M. Goldish,R.H. Popkin,2013-03-09 The earliest scientific studies of Jewish messianism were conducted by the scholars of the Wissenschaft des Judentums school particularly Heinrich Graetz the first great Jewish historian of the Jews since Josephus These researches were invaluable because they utilized primary sources in print and manuscript which had been previously unknown or used only in polemics The Wissenschaft studies themselves however prove to be polemics as well on closer inspection Among the goals of this group was to demonstrate that Judaism is a rational and logical faith whose legitimacy and historical progress deserve recognition by the nations of Europe Mystical and messianic beliefs which might undermine this image were presented as aberrations or the result of corrosive foreign influences on the Jews Gershom Scholem took upon himself the task of returning mysticism and messianism to their rightful central place in the panorama of Jewish thought Jewish messianism was for Scholem a central theme in the philosophy and life of the Jews throughout their history shaped anew by each generation to fit its specific hopes and needs Scholem emphasized that this phenomenon was essentially independent of messianic or millenarian trends among other peoples For example in discussing messianism in the early modern era Scholem describes a trunk of influence on the Jewish psyche set off by the expulsion from Spain in 1492 **The Poetry of Kabbalah** Peter Cole,Aminadav Dykman,2012-04-10 Introduces renderings of and commentary on Kabbalistic verse that emerged directly from Jewish mysticism and that reveals the foundations of both language and existence itself
