Sabbath Garden:

Cultivating Gardens of God Ananta Kumar Giri,2024-11-12 In self society religion and politics we are used to the language and discourse of Kingdom of God But in this God is presented as an omnipotent king who is also angry at slight deviation We get glimpses of such powerful and angry God in Old Testament as well as in many other religious traditions of the world In such a discourse and portrayal of God we fail to realize that God is mercy rahim karuna and compassion God is our ever awakened nurturer and He and She is continuously walking and meditating with us with mercy as well as firm challenges for self development mutual realizations and responsible cosmic engagement and participation The vision and discourse of Kingdom of God has many a time been confined within a logic of power where we are prone to valorize God s power in order to valorize our own power on Earth especially the logic of sovereignty at the level of self and society rather than realize God s mercy This book strives to transform this to Gardens of God **The Zohar** Daniel Chanan Matt,2009 This third volume of completes the Zohar s commentary on the book of Genesis Throughout the Zohar probes the biblical text and seeks deeper meaning for example the divine intention behind Joseph s disappearance or the profound significance of human sexuality Tending the Garden Marshall & Julia Welch,2012-08 Tending the Garden is a unique perspective and approach nurturing of Christian spirituality using the garden and gardening as a metaphor Marshall and Julie Welch combine their experience and expertise in spiritual formation and gardening as an invitation to tending to one s spirituality Whether an experienced or novice gardener the reader will gain insight not only into the art of gardening but Christian spirituality as well Spirituality is presented as a relational way to grow compassion and sensitivity to self others the environment and to God The book can be read individually or as a small book club group Guidelines for facilitating a small group discussion are presented in the introduction Part I consists of 14 short engaging chapters with titles such as Weeding Spiritual Discernment Manure Happens Desolation and Consolation and Thank You Very Mulch Our Spiritual Security Blanket The narrative is written in a very conversational voice Each chapter begins with scripture and an inspirational quote and concludes with a series of reflection questions as well as tips on how to cultivate one s spirituality The tips are easy to do activities that are grounded in a long tradition of spiritual exercises presented in a contemporary context In Part II the authors also use their experience as co coordinators of a community garden in their own church congregation to present step by step suggestions on how other communities of faith can start and maintain their own garden Church gardens are introduced as a unique form of spiritual formation through a sense of community with other gardeners and a form of mission and ministry **The Lord's Day Advocate** ,1910 *Devotions from the Garden* Miriam Drennan,2015-03-31 Enjoy the wonder and beauty of the garden and grow in your faith with garden focused devotions and stunning photography of life in full bloom Is the garden your happy place Does gardening give you peace Devotions from the Garden takes you to that place where dewdrops settle and butterflies gather to witness the miracles of God s creation bloom and grow Devotions from the Garden Includes 90 devotions
