Tillie Olsen and a Feminist Spiritual Vision Elaine Neil Orr, 1987 Tillie Olsen s work resonates with the promises and difficulties of mothering and with the immense holiness revealed in every child Regarding her vision of women s lives and dreams Olsen s working class background political activism and mothering have lent her a different perspective from most American writers even other women writers and feminist critics

Theology and Embodiment Melissa Raphael, 1996-03-01 Theology and Embodiment both analyses and contributes to spiritual feminism s postmodern construction of the female body as a metaphor and medium of divine generativity Addressing religious studies and women s studies students and all those interested in contemporary spirituality Raphael counters reformist feminism s recurrent criticism of goddess feminism as naively essentialist and sub political She presents spiritual feminism as a set of religio political manoeuvres that powerfully resist such patriarchal degradations of female natural generativity as environmental destruction weight reducing diets and menstrual taboos

The Feminine Principle in the Sikh Vision of the Transcendent Nikky-Guninder Kaur Singh, 1993-09-24 This work is a critical analysis of Sikh literature from a feminist perspective It begins with Guru Nanak s vision of Transcendent Reality and concludes with the mystical journey of Rani Raj Kaur the heroine of a modern Punjabi epic The eight chapters of the book approach the Sikh vision of the Transcendent from historical scriptural symbolic mythological romantic existential ethical and mystical perspectives Each of these discloses the centrality of the woman and show convincingly that Sikh Gurus and poets did not want the feminine principle to serve merely as a figure of speech or literary device it was intended rather to pervade the whole life of the Sikhs The present work bolsters the claim that literary symbols should be translated into social and political

realities and in so doing puts a valuable feminist interpretation on a religious tradition which has remained relatively unexplored in scholarly literature

The Bonds of Freedom Rebekah Miles, 2001 Miles contends that an increasingly radical feminist emphasis on divine immanence and human boundedness has undercut key assumptions upon which feminism rests Niebuhr's realism she believes can be the source of a necessary correction

Sex, Race, and God Susan Thistlethwaite, 2009-04-01 Sex Race and God is the impassioned manifesto of a white feminist's reckoning with the meaning of race including her own whiteness in doing theology We should be discussing and acting on many of Thistlethwaite's insights for quite some time She has made a vital contribution to the feminist theological enterprise and to the critical relationship between black and white women in it Carter Heyward Sex Race and God is a sincere attempt to listen to and learn from African American women a serious and largely successful effort to create a method that addresses differences rather than proposing wishful commonalities Many women of color will find it promising a basis for dialogue The Women's Review of Books This pivotal book illuminates a significant ongoing debate at the intersection of two fields contemporary theology and feminist studies Choice Thistlethwaite does what so few white feminists have done genuinely interact with and learn from the strong differences in experience and perspective between African American women and European American women The Other Side

Fantasies of the Feminine Patricia Nisbet Klingenberg, 1999 In order to address these questions and to better understand Ocampo's work the analysis sustains an extended dialogue between her short fiction and current Euro American feminist theory While the analysis is intended primarily for scholars interested in Latin American authors every effort has been made to facilitate a reading by the non specialist
