and set off into secular Israeli society In this fascinating courageous and compelling autobiography Elbaum seeks to understand his decision and its consequences With the structure of Kabbalah as his road map Elbaum journeys into the deep recesses of his self and his soul The ultimate goal of his journey is the Void a Kabbalistic space that precedes God's creation of the world and a psychological state that precedes our formation as individuals It is a space of great vulnerability but also of hope for rebirth and renewal This is an intimate honest revealing work both deeply personal and strikingly universal The Hebrew edition was a bestseller and sold over 50 000 copies **The Chutzpah Imperative** Rabbi Edward

Feinstein,2014-09-24 Reconnect with Judaism's most important contribution to humanity and redeem our world The gift of Judaism is an understanding of what it means to be a human being what we can do what we can hope for how we can live with purpose what is expected of us It is a celebration of human freedom human possibility and human responsibility Judaism is a way to live a heroic life to construct a life devoted to values that are eternal values of ultimate significance The reward of a Jewish life is walking the world with a profound faith that you matter your life matters your dreams matter I call this chutzpah from the Introduction In this clarion call for a new way to do Judaism award winning spiritual leader Rabbi Edward Feinstein urges us to recover this message of Jewish self empowerment or chutzpah to reshape our world He walks us through the history of chutzpah from the early chapters of Genesis Jewish biblical law and the Rabbis of the Talmud to the mystics of medieval Spain and the European Hasidic tradition Zionism and post Holocaust thought By showing us the ever presence of chutzpah in Judaism he reveals the inner story of the Jewish People's soul as well as the meaning that Judaism's deepest purpose and most precious treasure has for us today **Simple Abundance** Sarah Ban Breathnach,2008-08-01 1

happens to a woman when the room that was once the guest room of her home becomes the space of self imposed exile What does she tell her children What does she tell herself How does she survive her marriage coming to an end without becoming bitter hard or cold What if her time in that space was actually the key to her spiritual destiny This inspiring memoir attempts to answer these questions and shares a riveting story of how one woman navigated the journey from one of life's darkest moments through the gateway to joy and to a new understanding of the calling on her life **Fearless Major Gifts** Charles LaFond,2017-11-01 Take the fear out of the art of the ask Every major gift is planned and every planned gift is major This

book is written with the premise that if you know how to identify evaluate cultivate and finally ask for the gift it does not matter if it is a major gift or a will Clergy and others need help learning how to make the ask before thedr major gifts have been allocated to other non profits and schools so willing and prepared to ask for them LaFond recounts I remember sitting with a beloved dying parishioner who turned to me in her last three hours and quietly said I wish I had remembered the church in my will I asked why she had not and she said sweetly They never asked and everyone else did and so thoroughly Clergy and lay leaders are terrified of asking for major and planned gifts while parishes need them and donors need to give them Clergy are not taught in seminary how to do this essential work of ministry LaFond in his various roles is filling that educational gap
