The Rivers of Joy and Sorrow Justin Roberts,2022-10-10 It is the height of apartheid in South Africa as Justin Roberts enters university with dreams of becoming a lawyer While attending a meeting in Soweto he encounters African students who reveal some of their shocking experiences After Justin and the others decide to publicize details of the torture they have their first brush with the Special Branch These initial actions draw Justin deeper in political activism Justin meets Colleen by way of a blind date but this unlikely beginning eventually blooms into a fully fledged love affair Despite the misgivings of her

parents Colleen too becomes involved in some of Justin's activities. As events unfold, Justin and his colleagues are gradually radicalised and drawn closer to those involved in the armed resistance. Finally, matters come to a head and Justin, like others before him, is forced to flee the country. Now living in exile in the United Kingdom, he returns to South Africa with a false name and passport to undertake an undercover mission to warn his friend Sipho of the danger he is unknowingly facing. Will his mission be successful and will he find personal redemption? In this poignant story, South African students who decide to oppose apartheid are propelled on a journey entailing love, abandonment, yearning, betrayal, and redemption. **Starlight's**

Stephanie Flint, 2017-03-16. Though a shadow is as good as a ghost with no free will, to speak of them may still be saved. The kingdom of Cirena is under attack from an army of shadow beings who can only be hurt by magic or fire. Magic has been stolen, and as the shadows spread, infecting all they touch, the last two ribbon mages race to the nearest port city to warn them of the impending invasion. One of those mages, Toranih, is among the few who can see the Trickster-cursed army, and she's determined to get magic back, no matter how much she distrusts it. When she is captured by shadows and a dark secret is revealed about her future, her best friend Daernan is left to defend the city. But his only methods of stopping the shadows are by fire and the devastating magic of the shadow charm. With the knowledge that the shadows are innocent townsfolk forced to do a warlord's bidding, Daernan must choose between saving the shadows or saving those who have not yet turned.
