Chatbots and the Domestication of AI Hendrik Kempt,2024-12-07 With the publication of chatGPT in December 2022 a new era of artificial dialogue systems and chatbots has emerged Many established thinkers and figures have published their stance on the development of this technology not rarely combined with stark language about its transformative potential and potential risks New terminologies have found entrance to public and philosophical discourse new regulatory frameworks have been introduced from small to large scale and an entire economy has shifted many apps have sprung into existence using chatGPT and other LLMs as a basis for their services large corporations take the risks of releasing unfinished language models to undercut the competition In the meantime many more stakeholders have entered the economic regulatory and social discourses on how to deal with this emerging technology Taking the latest developments in the field into consideration this completely revised and updated second edition now includes new chapters on the tech ethics of Large Language Models and LLMs as relational technology The author considers the consequences of chatbots on human-human relationships providing analysis on robot rights human-centered design and the social tension between robophobes and robophiles

What to Do about Erectile Dysfunction Francesca Coltrera,2009 **The Science/Fiction of Sex** Annie Potts,2014-02-25 What can we learn from exploring the differences in male and female

orgasmic experience Is the penis an entity with a mind of its own These issues and others such as the popular portrayals of male sexuality as active and outwardly focused and female sexuality as passive and internally located are discussed in *The Science Fiction of Sex* Contemporary feminist and poststructuralist theories of sex and gender are explored alongside an investigation of how people make sense of such concepts as heterosexuality orgasm sexual dysfunction femininity and masculinity and safer sex practice Potts asks men and women about their actual experiences of heterosex This interview material combined with excerpts from sexological and medical texts and features from film and television draws attention to the ways in which western cultural constructs influence our ideas and experiences of the body sex and gender Potts also uses deconstructive theory as a textual tool concentrating on how binary oppositions such as inside outside and mind body impact on our understandings of heterosex and affect the power relations between women and men She also examines how the radical postmodern theories of the body and sexuality proposed by Irigaray Lyotard and Deleuze and Guattari disrupt such dualistic modes of understanding and experiencing sexualized bodies *The Science Fiction of Sex* will be of interest to those studying women and psychology as well as gender studies cultural studies feminist studies sociology philosophy public health and education

Insatiable Erica Rivera, 2009-10-06 A raw and engrossing memoir of a young mother's addiction to eating disorders and her struggle toward health now in paperback At twenty four Erica Rivera appeared to have it all a B A two daughters a successful husband a house in the suburbs and a great body But under the surface Erica was struggling with an addiction She developed a self destructive obsession with dieting bingeing purging exercising and ultimately anorexia It wasn't until her very young daughters began to imitate her actions that she decided to get help and to trace her disordered eating and body image patterns across three generations of women in her family *Insatiable* is the raw candid and ultimately uplifting story of one woman's plunge into the depths of addiction and her fragile fight to climb back out Getting to the root of her own problems helped her show her own daughters where happiness truly lies in loving oneself

Why Women Have Sex Cindy M. Meston, David M. Buss, 2009-09-29 An unparalleled exploration of the mysteries underlying women's sexuality that rivals the culture shifting Kinsey Report from two of America's leading research psychologists Do women have sex simply to reproduce or display their affection When University of Texas at Austin clinical psychologist Cindy M Meston and evolutionary psychologist David M Buss joined forces to investigate the underlying sexual motivations of women what they found astonished them Through the voices of real women Meston and Buss reveal the motivations that guide women's sexual decisions and explain the deep seated psychology and biology that often unwittingly drive women's desires sometimes in pursuit of health or pleasure or sometimes for darker disturbing reasons that a woman may not fully recognize Drawing on more than a thousand intensive interviews conducted solely for the book as well as their pioneering research on physiological response and evolutionary emotions *Why Women Have Sex* uncovers an amazingly complex and nuanced portrait of female sexuality They delve into the use of sex as a defensive tactic against a mate's infidelity protection as a ploy to boost self

confidence status as a barter for gifts or household chores resource acquisition or as a cure for a migraine headache medication Why Women Have Sex stands as the richest and deepest psychological understanding of female sexuality yet achieved and promises to inform every woman's and her partner's awareness of her relationship to sex and her sexuality
