Long, Long, Ago Gerry Bailey, 2005 Describes various products and explains how they were developed Shooting and Fishing, 1918 House documents, 1895 **Annual Report [of the Director]** Geological Survey (U.S.), 1892 **Annual report**, 1893 **Camera Craft**, 1929 *Transubstantiation, the strong-hold of Popery, unscriptural and uncatholic. A lecture [on 1 Cor. x. 14-17]*. Thomas PAGE (Incumbent of St. Matthew's, Rugby.), 1847 Craft Lectures of the Stationers' Company and Printing Industry Technical Board Stationers' Company (London, England), 1925 The Shuttle-craft Book of American Hand-weaving Mary Meigs Atwater, 1928 **Narrative Design: Working with Imagination, Craft, and Form** Madison Smartt Bell, 2000-04-17 With clarity verve and the sure instincts of a good teacher Madison Smartt Bell offers a roll up your sleeves approach to writing in this much needed book Focusing on the big picture as well as the crucial details Bell examines twelve stories by both established writers including Peter Taylor Mary Gaitskill and Carolyn Chute and his own former students A story's use of time plot character and other elements of fiction are analyzed and readers are challenged to see each story's flaws and strengths Careful endnotes bring attention to the ways in which various writers use language Bell urges writers to develop the habit of thinking about form and finding the form that best suits their subject matter and style His direct and practical advice allows writers to find their own voice and imagination *The General History of England* James Tyrrell, 1704 *Wood Craft*, 1914 *David Jones and the Craft of Theology* Elizabeth R Powell, 2020-10-01 This is an imaginative exploration of the art of David Jones which addresses Christian teaching through engagement with selected artistic works a poem a painted inscription and a wood engraving Elizabeth R Powell's study does not just enable readers to understand Jones but also to use his kind of loving attention in their own lives which Jones would argue is theology's most important task Through close readings of material objects Powell draws the reader into the participatory performative and dialogical possibilities of the craft of theology She frames an older style of theology in a distinctive and modern way as a graced human practice and a place of transforming relation with the divine Powell argues that Jones's art works offer places of beauty in which to become beauty along the way Located at the cross section of theology literature and the arts this volume shows that being interdisciplinary is nothing less than finding ways for theology and humanity to be more richly itself
