historian and a Native singer come together to reveal the personal and cultural power of Christian faith among the Kiowas of southwestern Oklahoma and to show how Christian members of the Kiowa community have creatively embraced hymns and made them their own Kiowas practice a unique expression of Christianity a blending that began with the arrival of missionaries on the Kiowa Comanche Apache Reservation in the 1870s In these pages historian Clyde Ellis offers a compelling look at the way in which many Kiowas became Christian over the past century and have woven that faith into their identity The personal and cultural significance of traditional songs and their close connection to the power of hymns is then illuminated by anthropologist Luke Eric Lassiter Like traditional Kiowa songs Christian hymns help restore and minister to the community they also can be highly individualistic since many are composed and shared by church members themselves at different times in their lives In the final section of the book Kiowa singer Ralph Kotay tells of the personal meaning and value of the hymns and of the Christian faith in general This remarkable sensitive book makes an important contribution to our understanding of the complexity of Native lives today and offers a subtle yet penetrating look at the legacy of Christianity among Native peoples *A Song of Muhammad* M. unambiguous to us So what makes ambiguity ambiguous This study argues that a sense of uncertainty is vital to the concept Ambiguity is what presses us to inquire into our puzzlement over a movie to persistently ask why is it as it is Notably this account of the concept is also an account of its criticism It recognises that a satisfying assessment of what is ambiguous involves both our reason and doubt that is reason and doubt can work together in our practice of reading This book then considers ambiguity as a form of reasonable doubt one that invites us to reflect on our critical efforts rethinking the operation of film criticism      *Shadows of Foxworth* V.C. Andrews,2020-06-30 Forbidden passions have been the hallmark of the Dollanganger clan since *Flowers in the Attic* debuted more than forty years ago In this third book of a new related trilogy witness the birth of the Dollanganger curse as Corrine Foxworth s children learn that family is but destiny by another crueler name As a young girl in France Marlina Hunter s life was a fairy tale She had a talented artist for a father a doting mother and a brother she couldn t be closer to She loved her family she just didn t know what her family actually was When a car crash kills their parents Marlina and Yvon lose not only France but also their identity Sent to Richmond Virginia they arrive at the home of two aunts they ve never met before who tell them that their true last name is Dawson that their father had fled the family years back and that now the family is calling in the debt Trapped in a mansion with as many secrets as rooms Marlina yearns for escape But in America you can either make friends or make profit and Yvon suddenly seems much more interested in the latter While he is free to leave the house Marlina is left to avoid lecherous tutors and the secretary to wife track expected of a woman Caught between mastering the game to escape it and falling prey to its allure she needs to learn fast for Malcolm Foxworth has cast his eye in her direction And no family name can protect her from the twisted roots of the Dollanganger family tree      **Life Inside the Asylum** Don Savant,2008-05-17 A Collection of Poetry written by some of the internet s best kept secrets      *Women with Disabilities as Agents of Peace, Change and Rights* Karen Soldatic,Dinesha Samararatne,2020-10-29 Drawing on rich empirical work emerging from core conflict regions within the island nation of Sri Lanka this book illustrates the critical role that women with disabilities play in post armed conflict rebuilding and development This pathbreaking book shows the critical role that women with disabilities play in post armed conflict rebuilding and development Through offering a rare yet important insight into the processes of gendered disability advocacy activation within the post conflict environment it provides a unique counter narrative to the powerful images symbols and discourses that too frequently perpetuate disabled women s so called need for paternalistic forms of care Rather than being the mere recipients of aid and help the narratives of women with disabilities reveal the generative praxis of social solidarity and cohesion progressed via their nascent collective practices of gendered disability advocacy It will be of interest to academics and students working in the fields of disability studies gender studies post conflict studies peace studies and social work      **Introductory French Course, in Accordance with the Robertsonian System of Teaching Modern Languages** Louis Ernst,1861      *Living in Freedom* James G. Groth,2012-08 It is amazing what God has done for us how

overwhelming this is how unrestricted it is and how it upsets every natural principle upon which we depend and naturally build our lives In *Living in Freedom* author James G Groth shares an understanding of God's grace the new covenant and the role they play in our lives by exploring the current world situation and the impact it has on our lives the differences and purpose of the covenants and how they affect our lives today the problem of basing our lives on our concepts of good and evil the historical conceptual personal and relational aspects of the new covenant the mixing the lifestyles of law and grace and the concept of forgiveness Groth also considered what it means to be a new creation to be born again and the consequences which take us into a life of freedom as well as what it means to live by the spirit rather than by the letter of the law He examines 1 John 1:9 and explains it in context with the times the struggle of cults and in the context of Paul's letters *Living in Freedom* addresses the true meaning of salvation and encourages Christians to walk in their faith to attain that salvation

*The Uses of Obscurity* Allon White, 2023-10-09 Originally published in 1981 this book examines why and how textual difficulty became a norm of modernist literature and questions how we can begin to account for the forms of obscurity and difficulty which developed in the late 19th Century and which became so important to modernism The author argues that the decline of realism entailed the growth of symptomatic or subtextual reading which tended to treat fiction as compromised autobiography This kind of reading left the author dangerously isolated and exposed in the midst of a newly sophisticated public Within this general cultural perspective the book traces the private anxieties that led George Meredith Joseph Conrad and Henry James to conceal themselves within their complex and resistant fictions It discusses opacity in the texts themselves embarrassment and shame in Meredith enigmas in Conrad and the fear of vulgarity and knowledge in Henry James
