Scott**

Looking Back At The June 1967 War:

Looking Back at the June 1967 War Haim Gordon, 1999-07-30 This collection of essays by Israeli Palestinian and American scholars and activists examines the impact of the June 1967 War on Palestinians and Israelis alike in the thirty years following the war Israel became an occupying power in 1967 ruling more than one million Palestinians in territories it had captured Using military strength with the tacit agreement and support of the United States and other Western democracies Israel exploited and oppressed the Palestinians brutally suppressing their civil human and political rights This book evaluates and examines the injustices done to the Palestinians during this period In this first attempt to look back at those thirty years and assess what has happened to Israeli and Palestinian society the contributing scholars provide a critique of the prevailing Realpolitik in the Middle East and indeed the world today Bound to be controversial the collection will be of great interest to scholars and policy makers as well as concerned citizens interested in the contemporary Middle East

Looking Back at LBJ Mitchell B. Lerner, 2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades later it is now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation's most misunderstood presidents Drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on LBJ's beleaguered White House tenure Collectively they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control Four chapters focus on LBJ's foreign policies including a positive appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam the Six Day War and policies toward the communist bloc Yet the authors generally depict a president who contrary to conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy Five other chapters focus on aspects of LBJ's domestic policies that have been largely neglected women's rights Native Americans agriculture civil disorder and fiscal policy Whether responding to urban riots or balancing different versions of the 1964 Farm Bill Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized All of these writings attest to the complexities of Lyndon Johnson a larger than life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed The new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure

Exploring Intelligence Archives R. Gerald Hughes, Peter Jackson, Len Scott, 2008-03-11 This edited volume brings together many of the world's leading scholars of intelligence with a number of former senior practitioners to facilitate a wide ranging dialogue on the central challenges confronting students of intelligence

The book presents a series of documents nearly all of which are published here for the first time accompanied by both overview and commentary sections The central objectives of this collection are twofold First it seeks to build on existing scholarship on intelligence in deepening our understanding of its impact on a series of key events in the international history of the past century Further it aims to explore the different ways in which intelligence can be studied by bringing together both scholarly and practical expertise to examine a range of primary material relevant to the history of intelligence since the early twentieth century This book will be of great interest to students of intelligence strategic and security studies foreign policy and international history

A History of Modern Palestine Ilan Pappé, 2006-07-31 An update of the history of Palestine since the 1800s which includes recent dramatic events

Hamas and the Media Wael Abdelal, 2016-06-10 The Islamic resistance movement Hamas is arguably one of the most important Palestinian organizations in recent decades Since Hamas establishment it has extensively utilized media as a means of mobilization for its political and ideological agendas and its tactics have undergone a remarkable evolution from graffiti art to satellite broadcasting This book presents the first systematic and historical contextualization of the development of Hamas media strategy It determines three key phases in Hamas development and explores the complex and important relationship at work between its politics and use of media Assessing four elements of the Hamas media strategy the media message discourse the media objectives the infrastructure and the target audience this book tracks how Hamas grew its media infrastructure and looks at how the idea of resistance has permeated the media discourse Determining both tactical and strategic objectives and detailing the various layers to the target audience it offers the first in depth academic study of the Hamas media strategy This book's exploration of the key role the media plays in the Palestinian issue makes it a timely and relevant contribution to the study of the Israeli Palestinian Conflict and a valuable resource for students scholars and policymakers working in Middle Eastern studies

Elie Wiesel and the Politics of Moral Leadership Mark Chmiel, 2001 Chmiel also critically engages Wiesel's long standing defense of the State of Israel as well as his confrontations and collaborations with the U S government including the birth of the U S Holocaust Memorial Museum the 1985 Bitburg affair with President Reagan and U S intervention in the Balkans

BOOK JACKET

Encyclopedia of the Palestinians Philip Mattar, 2005 Presents the history of modern Palestine and biographies of important Palestinians

Middle East Illusions Noam Chomsky, 2003 Discusses the history of the ongoing conflict between Israel and Palestine the involvement of the United States in the peace process and the changing face of terrorism in the twenty first century

Israeli Rejectionism Zalman Amit, Daphna Levit, 2011-02-04 This book delves deep into the peace process in Palestine Israel to find out why so little progress has been made on the key issues Zalman Amit and Daphna Levit find overwhelming evidence of Israeli rejectionism as the main cause for the failure of peace They demonstrate that the Israeli leadership has always been against a fairly negotiated peace and have deliberately stalled negotiations for the last 80 years The motivations behind this rejectionist position have changed as have the circumstances of the conflict but the

conclusion has remained consistent peace has not been in the interest of the state of Israel The book draws on a wealth of sources including Hebrew documents and transcripts to show that it is the Palestinians who lack a viable partner for peace

Israeli Statecraft Yehezkel Dror, 2011-05-10 This book provides a comprehensive study of Israeli statecraft using an interdisciplinary framework to enable an in depth understanding of its characteristics challenges and responses
