CRASH and other STORIES Dick Donaghue,2013-02-28 This collection of short stories deal with a wide gambit of underlying emotions of love dedication mistrust hope and many of the traits and elements that make up the complexity of human beings from all walks of life and settings It is these diverse characteristics that make our fellow humans so interesting Many of these stories have been published both locally and nationally in Ireland **Mexico is Missing and Other Stories** J. David Stevens,2006 What s America to do when one day Mexico suddenly disappears That question asked by the title story in Mexico Is Missing sets the tone for a collection whose individual stories have been described as provocative intensely relevant and wickedly macabre Thematically and formally diverse these pieces are unified by their devotion to the offbeat even insane moments of contemporary life A widow hears a voice from her computer that claims to be God An unnamed narrator develops an unhealthy fascination with his mailman Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President s golf game to well the President s penis anything is fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in Mexico Is Missing will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you re laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket Other People'S Children and Other Stories Cecilia Kato,2014-12-02 The Nigerian Civil War left behind unsung heroeswomen and children Some of them had befriended soldiers to ensure the survival of their families These children and others born out of wedlock constitute a community of people who have identity crises rocking their lives Also veterans of the war abandoned by the authorities were left as ordinary individuals to contend with the wars destructive impact This is the focus of the title story Other Peoples Children Homeless captures the helplessness of isolated communities that are ill prepared to battle the insurgency in northern Nigeria Habibas Triumph tells of the phenomenon of forced marriages even in literate families Literacy however offers a victim the freedom of choice which

people of previous generations did not enjoy Broken Lives exposes the pain of broken relationships on college campuses While a young man walks away unscathed to enter another relationship a young woman is left to nurse the wounds for a lifetime The Peoples Court is a reflection of peoples rush to Nigerias capital city Abuja in search of greener pastures Some leave home only to compete with rodents in settlements that are constantly demolished without adequate notice or compensation by the authorities so as to ensure conformity to the citys master plan *Temples of Desire and other Stories* K.R. Chandrabhas,2019-08-12 Temples of Desire and Other Stories have a compelling narrative that takes you through a multitude of intrigues and happenings woven around the very social fibre of countryside India gripping the reader like a vice Sexual promiscuity and permissiveness greed and integrity and blind beliefs are the engines of stimulus that drive the behaviour of the characters of the five short stories from the author s quiver Read on as the realisation dawns that she had become helpless and migratory like a stray chicken in the world of foxes *A River Runs Through It and Other Stories, Twenty-fifth Anniversary Edition* Norman Maclean,2009-08-14 Just as Norman Maclean writes at the end of A River Runs through It that he is haunted by waters so have readers been haunted by his novella A retired English professor who began writing fiction at the age of 70 Maclean produced what is now recognized as one of the classic American stories of the twentieth century Originally published in 1976 A River Runs through It and Other Stories now celebrates its twenty fifth anniversary marked by this new edition that includes a foreword by Annie Proulx Maclean grew up in the western Rocky Mountains in the first decades of the twentieth century As a young man he worked many summers in logging camps and for the United States Forest Service The two novellas and short story in this collection are based on his own experiences the experiences of a young man who found that life was only a step from art in its structures and beauty The beauty he found was in reality and so he leaves a careful record of what it was like to work in the woods when it was still a world of horse and hand and foot without power saws cats or four wheel drives Populated with drunks loggers card sharks and whores and set in the small towns and surrounding trout streams and mountains of western Montana the stories concern themselves with the complexities of fly fishing logging fighting forest fires playing cribbage and being a husband a son and a father By turns raunchy poignant caustic and elegiac these are superb tales which express in Maclean s own words a little of the love I have for the earth as it goes by A first offering from a 70 year old writer the basis of a top grossing movie and the first original fiction published by the University of Chicago Press A River Runs through It and Other Stories has sold more than a million copies As Proulx writes in her foreword to this new edition In 1990 Norman Maclean died in body but for hundreds of thousands of readers he will live as long as fish swim and books are made *The Gambler and Other Stories* Fyodor Dostoyevsky,2010-07-01 The Gambler and Other Stories is Fyodor Dostoyevsky s collection of one novella and six short stories reflecting his own life indeed The Gambler a story of a young tutor in the employment of a formerly wealthy Russian General was written under a strict deadline so he could pay off his roulette debts This volume includes Bobok the tale of a
